## Procedure for Entering the Therapeutic Massage Degree and Certificate Programs

(Print and Save for Your Records)

Students seeking admission to the Therapeutic Massage program are required to:

- 1) Meet with Counseling and Advising (see Directory) to establish a schedule for taking prerequisite and program courses.
- 2) Obtain specific admission information by contacting the associate dean for Health and Life Sciences (see Directory).
- 3) Complete the special application required for entry into the program. Enrollment is limited in the therapeutic massage (TMS) courses in order to provide the best possible educational experience for students. Students desiring to enter the degree or certificate program for fall must make application by **May 1st**.
- 4) Complete each prerequisite course with a minimum grade of C and cumulative GPA of 2.5 or better.
- 5) Understand that the therapeutic massage application, completion of prerequisite courses, and previous transcripts are required for admission to the program.
- 6) NOTE: Students accepted into the full time degree and certificate programs are **required** to enroll in the day sections of all TMS courses. Students accepted into the part time certificate program are **required** to enroll in the evening sections of all TMS courses. Clinical experiences for the degree and certificate programs may include day, evening and weekend hours.
- 7) Follow the program sequence for all TMS courses once the student is accepted into the program. A student may opt to complete any or all of the BIO and PSY, ENG, or COM (degree program) courses prior to submitting an application to the Therapeutic Massage program. NOTE: TMS courses are offered on a limited basis during the year. Please contact the office of Health and Life Sciences for specific course information. For continuation in the Therapeutic Massage program, a 2.0 or better GPA must be received in each of the major courses.
- 8) Submit completed health form, and documentation of current immunizations and a 2-step tuberculosis (TB) test upon acceptance into the program.

In addition, students seeking admission to the therapeutic massage degree program are required to:

- 1) Complete the Waubensee Community College New Student Information Form and submit it to the Admissions and Records office.
- 2) Contact the Assessment office to make an appointment for required assessment testing.

**Students who have completed a massage therapy certificate program at an accredited college may be granted advanced placement into some 100 and 200 level courses in the degree program. Degree applicants interested in advanced placement should contact the associate dean for Health and Life Sciences for more information.**
