

Ghost Hunters and Ghostlore of Chicagoland

**Ursula Bielski and the Chicago Paranormal Detectives
together in a special dual appearance!**

If you think a group of Chicago-area cops who walk the beat by day and investigate the paranormal by night sounds like a reality TV show, you'd be right! Two stars of the series "Paranormal Cops" – which ran on the A&E Network in 2010 – will join us to talk about how they apply their forensic and investigative expertise to paranormal casework.

Featured scholar and ghosthunter Ursula Bielski, founder of "Chicago Hauntings," rounds out our double bill. Ursula has been writing and lecturing about Chicago's supernatural folklore and paranormal for nearly 20 years and is recognized as a leading authority on the Chicago region's ghostlore and cemetery history.
