Tips on writing a good essay.

- View yourself through the eyes of the scholarship selection committee.
- Explain why you need this scholarship and how it will help you to achieve your education and career goals.
- Provide specific examples or anecdotes to tell your story.
- Read your essay out loud to yourself and to another individual to catch awkward or unclear sentences.
• Have a teacher, parent or someone strong in English composition read your essay for grammar, spelling and content.
• Submit the essay in typed format.
• Include your last name, page number and X number at the bottom of each page.
• If you wish, include a résumé in addition to the essay.

Letter(s) of recommendation

• Request the letter early. (At least two weeks before you need it.)
• Provide the individual with information about yourself.
• Inform the individual that you are applying for a WCC Foundation scholarship and, if necessary, what information should be covered in the letter.
• Good sources to ask: instructor, counselor, employers, work supervisor, community leader, or clergy (not friends or family).
• Letters should include contact information and title of author.
• Remember to write a thank you letter to those who wrote a recommendation letter for you!

Copy all materials for your personal records.
