"Waubonsee-Speak" EXPLAINED

WHAT IS A TRANSCRIPT?

A **college transcript** is an official record of your academic history at a college or university. It lists things like:

- Courses you've taken
- Grades you received
- Your GPA (Grade Point Average)
- Degree(s) earned (if any)
- Dates of attendance
- Honors or academic standing

Why you might need a college transcript:

Transferring schools – If you're switching colleges, the new one will want to see your academic record to determine what credits transfer.

Professional certifications – Certain licenses or certifications require proof of relevant coursework or degrees.

Personal records – It's good to have a copy for your own reference when updating résumés or considering further education.
