Attendance
Attendance is required. Students with more than one absence will be removed from the program without refund. An absence is defined as missing more than one hour of a class period or being late (tardy) to class three times. Students are expected to attend the duration of their course(s), including final exam days. Please check for conflicts with vacations, camps, etc. before committing to the High School Credit Program. To promote a fair and successful experience for all students, no exceptions are made to the attendance policy.

Behavior
Each student is responsible for knowledge of, and compliance with, the Waubonsee Community College Code of Student Conduct. Behavioral expectations will be distributed to students on the first day of the program. Failure to comply with rules, the conduct code, or behavioral expectations may result in removal from the program without refund, referral to the Student Conduct Board and campus police, suspension, arrest, or other disciplinary action.

Semesters
Price per course is $160. Each course is three weeks long: Monday through Friday for the first two weeks of the course and Monday through Thursday during the third week. Each three-week course is equivalent to one semester of high school coursework. There will be no classes from July 3-10.

Grades
Waubonsee will mail all student grades to each high school during the first week of August. Students can access their grades electronically through their mywcc account in the week following the end of their course. No hard copies of grades will be sent home.

Session 1 – June 15 - July 2
