STUDENT SENATE

Waubonsee's Student Senate is a channel of communication for students to discuss topics of interest with the administration. Members of the Student Senate sit on many college committees, enabling them to provide student perspective and feedback. Student Senate is governed by a constitution approved by vote of the student body. The senate is comprised of 12 students, a president and eleven senators. Student elections are held in the fall and spring semesters. The senate has open meetings and all students are invited to attend. Students are encouraged to share their ideas, problems and suggestions by emailing: studentsenate@waubonsee.edu.

STUDENT TRUSTEE

A student member is elected to the Waubonsee Board of Trustees during the spring student government election and serves a one-year term. The Student Trustee attends all board meetings to represent the interests of Waubonsee students.
