

ADDENDUM 1

Date: September 8, 2026

Pages: 2 Pages

PROJECT NUMBER: 08-26-003

PROJECT: Snow and Ice Removal

DUE: Thursday, September 10, 2026 at 1:00 PM

This addendum does not change the bid due date or time.

Respondent must acknowledge receipt of this addendum with their submittal.

QUESTIONS

1. Whether a proposer may bid on only one campus rather than all four campuses.
 - a. **You may bid on any number of campuses. Each campus will be evaluated separately.**
2. Whether there is any mandatory pre-proposal meeting or site visit requirement not stated in the current RFP.
 - b. **No preproposal meeting. See SCOPE OF WORK, General, #4 for information on site visit. Campuses are open to the public.**
3. Whether specific minimum equipment quantities/types are required for each campus.
 - c. **See SCOPE OF WORK, General, #7 and SCOPE OF WORK, Specific to Snow Event, #7.**
4. Whether the 30% BEP goal may be addressed through documented good-faith efforts when the proposer is not itself BEP-certified.
 - d. **Yes, a proposer who is not Business Enterprise Program (BEP) certified can address the 30% contract-specific BEP goal by thoroughly documenting their good-faith efforts to include BEP subcontractors.**
5. Whether there are minimum years of experience or a minimum number of similar-project references required beyond the reference form included in the RFP. ADDITION TO RFP: GENERAL REQUIREMENTS, General Information, #16.
 - e. **Contractor shall have at least five-years experience and provide references as identified in the RFP.**
6. Whether any addendum has been issued as of today.
 - f. **NO**
