

End of the Semester Evaluation

Today's
Date:

Month Day Year

Name:				X Number:			
Gender:	<input type="checkbox"/> Male <input type="checkbox"/> Female	Phone:			E-mail:	@waubonsee.edu	
When do you plan to transfer?	Semester	Yr	Where?				
(last WCC semester)			Intended Major:				
Will you participate in the STEM Mentoring Program again next semester?					<input type="checkbox"/> Yes	<input type="checkbox"/> No	
If you will not participate in the program next semester, please explain. If you plan to graduate, include the degree you will achieve, and the semester and year you will achieve it.							
Your academic interest(s):	<input type="checkbox"/> Biology <input type="checkbox"/> Chemistry <input type="checkbox"/> Physics <input type="checkbox"/> Math <input type="checkbox"/> Engineering, _____ (specify type) <input type="checkbox"/> Computer Sciences <input type="checkbox"/> Earth Sciences <input type="checkbox"/> Technology <input type="checkbox"/> Other, specify _____						
Your mentor is:							
I would like to have the same mentor next semester. (If transferring, I would like to maintain contact with my mentor.)					<input type="checkbox"/> Yes	<input type="checkbox"/> No	
Please rate the STEM activities and mentoring component.							
The STEM activities:	Strongly Disagree	Disagree	No Opinion	Agree	Strongly Agree		
increased my knowledge of Science, Technology, Engineering or Mathematics (STEM).							
increased my confidence in learning STEM.							
helped improved my academic performance.							
improved my confidence in STEM courses.							
increased my understanding of various STEM careers possibilities.							
increased or strengthened my interest in pursuing a STEM career .							
increased/strengthened my employability skills to pursue a STEM career.							
I will recommend this program to other students.							
I am interested in attending more presentations of this kind.							
Mentoring:	Strongly Disagree	Disagree	No Opinion	Agree	Strongly Agree		
helped improved my academic performance.							
improved my confidence in STEM courses.							
increased my understanding of various STEM careers possibilities.							
increased or strengthened my interest in pursuing a STEM career.							
increased/strengthened my employability skills to pursue a STEM career.							
helped me understand how WCC works.							
helped me adjust to college.							
helped me learn about various opportunities and services at WCC.							
increased my confidence in the process of transferring to four-year school.

Please rate your mentor.					
My mentor ...	Strongly Disagree	Disagree	No Opinion	Agree	Strongly Agree
Comes prepared for mentoring meetings					
Arrives on time for mentoring meetings					
Is courteous and professional					
Promptly responds to messages					
Communicates effectively					
Uses mentoring time well					
Suggests ideas for discussion or activities to attend					
Attempts to contact Mentee during <u>inappropriate</u> hours					
Actively participates in mentoring meetings					
Encourages me to perform my best					
The mentor is a good match for me.					
Overall, I am satisfied with the program.					

Best features of the activities:

Suggestions for improvement:

Other comments or suggestions for future topics or activities:

Finally, please list the courses you took this semester, and your anticipated grade. For each course, list the course name, course number, the section, and the anticipated grade.

If you are leaving Waubonsee Community College at the end of this semester, we would be grateful if you could voluntarily provide us with an email or phone number so that we may contact you in the future.

Signature:

Please submit this form to David Voorhees, SCI 230 on or before the last day of the current semester
Thank you for your participation, and good luck with finals!
