

Communities of Excellence Spring 2016

A public sector professional development series

The “Communities of Excellence” initiative provides leading-edge training on the skills and topics required for public sector employees to grow professionally, contribute to their organization and cope with change in government. The series:

- Establishes a platform for best practice sharing and benchmarking
- Supports improved organizational productivity and efficiency
- Provides hands-on practical skills immediately transferable to the workplace
- Encourages lifelong learning and professionalism

Communities of Excellence Spring Series

- April 6 - Government and Governance
- April 14 - Labor Law and Employment
- April 21 - Leading People and Departments
- April 28 - Communication Skills
- May 12 - Conflict Resolution
- May 19 - Effective Decision Making

Modules will be held

8 a.m. - noon

Waubonsee's Aurora Campus

18 S. River Street, Aurora, IL 60506

What some are saying about COE:

"It is rare to find a comprehensive program dedicated to government employees." — City of Elgin participant

"I come back after a class session very enthused." — City of Sandwich participant

"Participants in the program become a small family." — City of Geneva participant
