

Use your Bachelor's Degree to become a Certified Alcohol and Drug Counselor (CADC)

Thanks to a new program, Waubonsee Community College can prepare you to challenge the Illinois Alcohol and Other Drug Abuse Professional Certification Association's (IAODAPCA) Certified Alcohol and Drug Counselor (CADC) exam.

All you need is a bachelor's degree in the human services field and a desire to increase your knowledge, and Waubonsee's new Alcohol and Drug Counselor Post Baccalaureate Certificate of Achievement program takes care of the rest, including both the coursework and internship experience required for the exam.

Program Details

The 17-credit-hour Alcohol and Drug Counselor Post Baccalaureate Certificate of Achievement program includes five courses – four traditional and one 300 hour internship/field experience.

- HSV120 – Introduction to Substance Abuse
- HSV210 – Psychopharmacology and the Addictive Process
- HSV220 – Addictions Counseling I
- HSV225 – Addictions Counseling II
- HSV240 – Human Services Seminar and Field Experience III

Program Benefits

- Quick, compact program designed specifically to meet the CADC exam requirements
- Faculty who are experts in the addiction field
- Convenient course schedules, including online, weekend, evening and day
