

## **ADDENDUM 1 – April 12, 2018**

**PROJECT: 04-18-001 – Pest Control Bid - Addendum 1**  
**BID / TIME DUE: April 17, 2018 @ 2:00 p.m.**

Bidder must acknowledge receipt of this addendum on Bid Form.

### **QUESTION**

1. Can you please provide the current pest control pricing?
  - a. Attached is the bid summary from the last bid opening in 2015.
2. What pest issues have each campus experienced in the past 2 years?
  - a. Typically mice, migratory rodents, ants, spiders, boxelder bugs and wasps.
3. Squirrels are included as a target pests, typically we charge per trap/per animal like all other wildlife. Is the cost of squirrel trapping currently a separate or included charge? If so, how many squirrels captures are being performed on an annual basis and how many traps set?
  - a. Per trap/per animal, with minimal activity to date.
4. Flying insects are listed as a target pest, how many fly light devices are on the campus currently?
  - a. We do not use any fly light devices.
5. Which are the main buildings/areas that have experienced flying insect activity?
  - a. Sugar Grove Campus, all buildings
6. Which buildings have experienced the highest amount of boxelder activity?
  - a. Sugar Grove Campus, all buildings
7. In the event of a tie in the bidding process, how will vendors be evaluated?
  - a. The vendors are evaluated based on who provided the lowest responsive and responsible bid, considering conformity to specifications, terms of delivery, quality, serviceability and references.
  - b. The college reserves the right to award based on what is in the best interests of the college.
8. Can we walk the campus? Will there be a pre-bid meeting?
  - a. We did not schedule a pre-bid meeting.
  - b. This is a public campus. Bidders should check in with Campus Operations before walking the campus. Go to the Campus Operations building where there is a sign-in log book.
9. Who is your current pest control provider?
  - a. D-Bug-Enders

**ADDENDUM 1**  
**04-18-001 Pest Control Contract Bid**  
**April 17, 2018 @ 2:00 p.m.**

10. How many times per year do you contact the current pest control provider for issues between the scheduled routine services/treatments?
  - a. Varies depending on time of year
11. Which pests are responsible for those call-backs?
  - a. Mice, ants, boxelder and wasps
12. How many times per year do you contact the current pest control provider regarding Mole and Vole issues?
  - a. Seldom
13. Does this agreement include Bed Bugs? (Number 3 listed under the Description of Service states that service “will include all crawling and flying insects with the exception of termites, carpenter ants and yellow jackets”)
  - a. No bed bugs
