BIO 100 Introduction to Biology

This general survey course deals with selected concepts and theories in biology, including the organization, function, heredity, evolution and ecology of living things. Biological issues with personal and social implications are introduced to allow students to make informed decisions regarding issues with a biological basis. Note: Not intended for students majoring in biology or the health professions. Students enrolling in BIO100 are not required to enroll in BIO101 (lab). However, those students needing a 4 semester-hour lab science for transfer purposes may wish to concurrently enroll in BIO100 and BIO101. **Recommended Coreq: BIO101. IAI: L1 900.** (3 lec/0 lab) 3 sem hrs

PSY 100 Introduction to Psychology

This course provides a survey of the study of human and animal behavior, emphasizing the scientific methods of contemporary psychological investigation. Topics include an introduction to the biological basis of behavior, sensation and perception, learning, memory, cognition, motivation, emotion, life-span development of behavior, personality, abnormal behavior, social behavior and individual differences. **IAI: S6 900.** (3 lec/0 lab) 3 sem hrs

COM 100 Fundamentals of Speech Communication

This basic course in speech communication serves three primary goals: introduction to the theories of human communication, classroom experiences in a variety of communication situations, and evaluation of individual communicative behavior. **IAI: C2 900.** (3 lec/0 lab) 3 sem hrs

HIS 122 American History Since 1865

This examination of American history reviews the major historical developments from the experiences of Reconstruction and western conquest, the rise of industrial capitalism, and American ascendance as a global power through the Cold War and concludes with contemporary American society. The course employs social and cultural history, as well as the more traditional political and economic approaches, to understand the transnational American experience since 1865. **IAI: S2 901.** (3 lec/0 lab) 3 sem hrs

ENG 101 First Year Composition I

This course focuses on the writing and revising of expository essays and writing projects and is the first in a two-course sequence. It concentrates on the writing process, identifying and responding to different audiences and rhetorical situations, and understanding the conventions of format and structure in various discourse communities, including

academic writing. Practice in critical thinking and essay development is emphasized. **Note: IAI General Education requires a C or better in this course. Prereq: C or better in ENG085 or ENG095 or placement by appropriate measures. IAI: C1 900. (3 lec/0 lab) 3 sem hrs**
