1. What is a Facilitator? What is a Co-Facilitator?

A Facilitator is an LLI member who has taken at least one LLI course and is willing to propose and lead a course, day trip, or outing. Co-Facilitators can be one or more members who agree to partner in presenting a course. As co-facilitators, you make decisions together about how to approach the topic and who will be responsible for what tasks.

1.1 How does facilitating benefit you and LLI?

- You'll learn more about something that interests you
- You'll share your enthusiasm with others
- You'll enhance the LLI organization

1.2 How do I become a Facilitator?

- Identify a topic or day trip/outing destination of interest
- Submit a proposal (The Curriculum Council can assist!)

2. How to Get Started

2.1 Familiarize Yourself with the LLI Website

<https://www.waubonsee.edu/community-offerings/lifelong-learning-institute>

Here you'll find the "Facilitators Only" section which is the home for forms, instructions, and the most recent version of this document.

2.2 Select a Topic That Works for You

What triggers your curiosity or passion? What knowledge or experience would you be willing to share with others? Consider reviewing past catalogs for ideas. The catalogs can be found in the LLI office.

2.3 Some Definitions

Course: Sessions are facilitated by an LLI member. The Facilitator may choose to have a Co-Facilitator or invite an *Outside Speaker or Guest Presenter*.

Discussion Group: The Facilitator moderates discussion of a topic of his/her choosing.

Pop-Up Discussion Group: The Facilitator identifies a "hot" topic for discussion. Pop-Ups are meant to be organized and implemented quickly; to that end, an expedited approval process is used by the Curriculum Council. Pop-Ups differ from regular Discussion Groups in their topic choice and course approval process.

2.4 Work with the Curriculum Council to Develop a Course Proposal

Contact the Curriculum Council for assistance in developing a course proposal. You'll need to make several decisions while developing your course:

- What's your objective? What do you want participants to take away from the course, day trip or outing? Keep in mind the Values, Mission, and Vision of LLI.
- What format will the course take? What material do you want to cover? How will you organize this material? Can you incorporate activities that will encourage participants to interact with one another? Will you ask attendees to do outside reading and/or research? Are videos, books, or online resources available that you can use? Could you invite speakers to enhance your course?
- How many sessions do you want to conduct?
- Could you ask someone to co-facilitate with you? Co-facilitating is a great way to "get your feet wet" – and adds a distinctive dimension to the course: two personalities,

presentation styles, and knowledge bases can make things livelier and more interesting for everyone (including you!). Experienced Facilitators are frequently quite willing to work with novices.

- Could you invite an Outside Speaker? An Outside Speaker is an individual who a facilitator uses as part of the Facilitator's course to enhance the course.
- Could you invite a Guest Presenter? A Guest Presenter is an individual who presents the entire program for a Facilitator or LLI member.

2.5 Select a Possible Site

You'll be asked to choose possible sites from a list provided with the proposal instructions. Not all requested sites are always available. If you request an off-campus site that is not available, you'll be assigned space at a Waubensee Community College facility.

Regardless of which site you choose, it's important that you visit the site in advance to familiarize yourself with room layouts, site policies and restrictions, staff, and available equipment. Ensure that the maximum number of attendees can be accommodated by the site you choose.

2.6 Complete and Submit Your Course Proposal

After your proposal is submitted, you will be contacted by a member of the Curriculum Council if we have questions. All proposals are subject to approval by the LLI Board.

2.7 Day Trips/Outings

If you are thinking of planning a day trip or outing you will find an instruction guide and proposal forms on the LLI website.

Day Trip: An LLI member-led trip using a motor coach.

Outing: Organized by an LLI member with assistance from the venue. Participants provide their own transportation.

2.8 Discussion Groups

Use the same proposal form as for a regular class. Participants will register in CourseStorm.

- Follow the standard processes listed in the Facilitator Guide for all courses.
- Determine the topic, delivery method (in-person or Zoom), and the number of sessions.
- Submit a proposal by the designated deadline. Discussion groups will be approved using standard procedures and be listed in CourseStorm.
- Provide participants in advance with a list of resources and discussion questions.

2.9 Pop-Up Discussion Groups

Use the same proposal form as for a regular class. Participants will register in CourseStorm.

- Follow the standard processes listed in the Facilitator Guide for all courses.
- Determine the topic, delivery method (in-person or Zoom), and the number of sessions.
- Submit a proposal. The Curriculum Council will approve or reject the proposal via an expedited email vote, so the Pop-Up can proceed in a timely manner and thus remain relevant.
- Provide participants in advance with a list of resources and discussion questions.

3. Facilitator Guidelines

3.1 Process

- If you are a new facilitator, you will receive an email inviting you to log on to CourseStorm prior to your class's first session. If you are unfamiliar with CourseStorm, watch the instructional video on the WCC/LLI website ("CourseStorm Instruction Guide for Facilitators.")
- Two days prior to the start of your class, CourseStorm will automatically send a reminder e-mail to the participants. In addition, you should use the CourseStorm roster to send your own introductory email to your enrollees. Include a personal note, a weekly schedule, and your contact information.
- Print your class roster/attendance sheets from CourseStorm.

To create an attendance sheet for your class without printing extraneous personal information and wasting paper:

1. Log in to www.lliwcc.coursestorm.com with your "staff" login
2. Click on the "registrants" link
3. "Show Roster" will appear on your screen
4. Click on "more"
5. Click on "export Excel"
6. Save the file to your computer; the file will now display in Excel on your computer
7. Copy and paste the columns labeled "Student First" and "Student Last Names" to a new Excel document
8. Use the "Sort and Filter" A to Z function to alphabetize according to last name
9. Add columns for each date's session (for example, July 12, July 19, July 26) so you can mark attendance.
10. Use this key:
 - "P" = present
 - "A" = absent
 - "E" = excused
 - "W" = withdrawn
11. Be sure to add the name of the course to the top of the sheet (use the header function)

Note: As an alternative method, once you import the roster to Excel, you can select columns and hide them so they don't print.

- Do take attendance at each session.
- Withdrawals must be processed through Registration.
- Return the completed attendance sheet to: Waubensee Community College, LLI Office- Collins Rm 174, Rt 47 at Waubensee Dr., Sugar Grove, IL 60554.

3.2 Facilitator Standards

Facilitators should conduct themselves in a manner consistent with the values, mission and vision of LLI and follow the Facilitator Guide.

- ✓ Use appropriate language.
- ✓ Treat all participants with dignity and respect.
- ✓ If you're handling sensitive topics, be sure to acknowledge when you are speaking from your own personal experience, or when you are expressing your own opinion.

If the Curriculum Council becomes aware that any Facilitator is not meeting LLI's standards, advice and assistance will be provided to that individual.

3.3 Course Participant Standards

All course participants, regardless of the course format, should follow **civil discourse guidelines**:

- Be mindful of your behavior. Are you creating and supporting a welcoming environment for discussion?
- Wait to be recognized by the Facilitator (use the raise hand function on Zoom).
- Don't interrupt or "overtalk" someone who is speaking.
- Don't conduct side conversations.
- Pay attention to the **content** of someone else's statements, especially if you sense that they disagree with you.
- Find common ground.
- Don't repeat what has already been said by others.
- Ask clarifying questions; don't assume you know what someone else means.
- Don't disrespect others by making disparaging or inappropriate comments, facial expressions or gestures.
- Differentiate between facts and opinions.

3.4 Using Guest Presenters or Outside Speakers

A **Guest Presenter** is an individual who presents an entire course program. When a Guest Presenter is engaged, the Facilitator or LLI member who scheduled the presentation is the **Organizer**.

- **Organizers** should orient Guest Presenters to LLI.
- Organizers are responsible for evaluating the Guest Presenter's qualifications and experiences as they relate to the course program.
- Organizers should explain to Guest Presenters why they have been invited and what the Organizer's objectives are for the presentation/course.
- The presentation/course should not be a marketing or fundraising effort. The Guest Presenter may leave books and pamphlets on a table for attendees to review.
- The Organizer must fill out an LLI proposal form, list the name of the Guest Presenter and return the form to the Curriculum Council.

- The Organizer introduces the Guest Presenter with a bio provided by the Guest Presenter.
- The Guest Presenter should plan to speak for approximately one and one-half hours, with time left for questions. The Guest Presenter may prefer to address questions during the presentation. In either case, the total time for the presentation, including questions, should not exceed two hours.
- The presentation/course can be done in person or on Zoom.
- The Organizer should send a thank you note to the Guest Presenter.

An **Outside Speaker** is an individual whom a Facilitator invites to enhance the course.

- The Facilitator should orient the Outside Speaker to LLI.
- Facilitators are responsible for evaluating the Outside Speaker's qualifications and experiences as they relate to the course material.
- Facilitators should explain to Outside Speakers why they have been invited and what the Facilitator's objectives are for the course.
- The course should not be a marketing or fundraising event either for the Facilitator or Outside Speaker. The Facilitator and Outside Speaker may leave books and pamphlets on a table for review by attendees.
- The Facilitator must complete an LLI proposal form, which should be returned to the Curriculum Council. The speaker's name does not need to be included on the form.
- The Facilitator should prepare the class for the Outside Speaker by introducing him/her with a bio provided by the speaker.
- The Facilitator should determine at what point it would be best to have the speaker present his/her information.
- The Facilitator should send a thank you note to the Outside Speaker.

Note: no products or services can be sold during any class. However, business cards, sample books, DVDs, etc., may be provided for review.

Honoraria for Guest Presenters and Outside Speakers; Donations in lieu of Honoraria

Facilitators may choose to offer an honorarium to Outside Speakers/Guest Presenters. Standard amounts are \$150 per Outside Speaker or \$300 per Guest Presenter. Higher fees may be considered by the Board on a case-by-case basis. If your Outside Speaker/Guest Presenter would prefer to donate the honorarium to the LLI scholarship fund for WCC students, complete the form in the speaker packet and submit it to the WCC/LLI Liaison.

It may be appropriate to make a donation to an organization that provides an Outside Speaker or Guest Presenter instead of offering an honorarium to an individual. Such a request should be presented to the LLI Board for consideration.

Guest Presenter and *Outside Speaker* forms can be found on the LLI website ("For Facilitators Only" section):

- Detailed instructions regarding the payment process;

- An Agreement Template for you, as Facilitator or Organizer to complete, sign, and return to the WCC/LLI Liaison after the class session or presentation; and
- A W-9 for the Outside Speaker or Guest Presenter to complete and return to you, which you will forward immediately to the WCC/LLI Liaison.

If you determine that no payment is to be offered, please notify the Curriculum Council Course Proposal Coordinator.

3.5 If You Will Be Holding Your Class on Zoom

If you are organizing or facilitating a Zoom class, you must obtain a Zoom license through Waubensee Community College and you must have a Gmail address. You may not use your private Zoom account for an LLI class. Contact the LLI Technology Manager to obtain the necessary license.

Make sure that you have access to the computer equipment and Internet connections necessary to run the class. If you are not confident about your own Zoom skills, recruit a co-facilitator who can manage Zoom technology while you present the course material.

Once your course is approved, schedule your meeting on Zoom. Send out the Zoom invitation to the class members at least 24 hours before your first class.

Zoom classes may not be recorded.

4. Facilitator Resources

4.1 At Your Service: Your Curriculum Council

The Curriculum Council meets at the Sugar Grove Campus or on Zoom on the first Friday of each month. You are welcome to attend these meetings.

The Curriculum Council will contact you by e-mail monthly with updates on policy changes, resources, scheduling, etc.

4.2 Facilitator Roundtables and Workshops

Roundtables are scheduled periodically to provide opportunities to share ideas and discuss concerns.

Workshops are scheduled to provide specific training as requested by Facilitators.

4.3 LLI Office (Supplies, Tours, Mailings, Copies)

The LLI Office is located on the Sugar Grove Campus, Collins Hall, Room 174. Keys to the office can be obtained from the WCC copy room staff.

Since LLI is a volunteer organization, there are no set hours for the LLI office. Access to the office is generally from Monday – Friday, 8:00 a.m. – 4:30 p.m. If the LLI Office is locked, call Campus Security at 630-466-4522.

4.3.1. LLI Office Supplies

Basic supplies (pens, pencils, stapler, Post-it Notes, tape, etc.) are available in the LLI office. If supplies are depleted, contact the WCC/LLI Liaison to place an order for additional supplies.

4.3.2. Office Tours

Tours of the LLI Office, Copy Center and Mailroom, along with "where is" and "how to" advice, are available for Facilitators. Contact a Curriculum Council member to schedule.

4.3.3. Mailings

You are encouraged to send letters via email or USPS, to your class members. Email addresses for class members are printed on the CourseStorm roster. If you are using USPS, complete a mailing header (located in the LLI office) and drop it off at the WCC mailroom (outgoing) USPS mail bin in Collins Hall, Room 140. The badge to scan for Collins 140 is on the LLI Office keychain. You may use your class roster "Export to Excel Sheet" to print labels. Envelopes should not be sealed or nested.

4.3.4. Copies

You may use the copier located in Collins Hall, Room 174 (adjacent to the LLI Office) to make up to 50 copies per page. Your N-Number and password are required to log into the copy machine. To use the machine, touch the keypad to "wake" it. Enter your N-Number and your password and then proceed as you would with any copier. If you don't have your N-Number, ask WCC staff in the copy room for assistance.

If you prefer not to use the copy machine yourself or if you need more than 50 copies per page, you can complete the Duplication Request Form found in Collins Room 174 and e-mail your completed copy to: Copyrequest@Waubonsee.edu. The WCC copy room attendant will notify you when your copies are ready. Copies will be placed in the LLI Office for pick-up.

4.4. X-Numbers and N-Numbers

X-Numbers

An X-Number is a student ID issued by WCC for students and employees. If you have taken a credit or non-credit course or trip with Waubonsee, you are considered a student and have an X-Number. An X-Number is needed to reimburse LLI members who have spent personal funds on course materials or supplies. Your X-Number does not change over time. Its password is different from the password for your N-Number.

If you do not have an X-Number and need reimbursement, contact a member of the Curriculum Council.

N-Numbers

N-Numbers are reviewed and issued each July to Facilitators. N-Numbers allow you to use the copiers and computers on WCC campuses. To verify or request an N-Number, contact a Curriculum Council member.

Once you have an N-Number, you need a password. If you can't remember your password or it doesn't work, follow these steps:

- Type mywcclogin into your browser
- Type your N-Number into the box that asks for your X-Number
- Click on the link that says, "Forgot password?"
- Follow the directions for resetting your password, or call 630-466-4357 for the WCC IT Help Desk
- Once you reset your password, you will see a screen that tells you that your Access Session has timed out. Close that window and login again to mywcc with your new password. The Access Session "timeout" message displays because you logged in initially with a temporary password; now that password is "dead."

4.5 Reimbursements

Before purchasing items for your course, discuss reimbursement guidelines with a Curriculum Council member.

Facilitator Books and Videos

LLI can reimburse you for books and videos that are purchased for use in your course. Submit a completed Reimbursement Form, found at <https://www.waubonsee.edu/community-offerings/lifelong-learning-institute> along with the receipts. Expenses exceeding \$100 require Board pre-approval.

Other Materials

For any other necessary materials, the per-attendee course registration fee covers consumable supplies. You may be reimbursed in an amount not to exceed that fee if you purchase supplies.

Reimbursement for Contributions to Nonprofit Organizations

If you are visiting a site that does not charge an admission fee, Facilitators and DayTrip/Outing leaders may wish to make a donation to the nonprofit organization managing the site. To do so, the LLI leader may write a personal check to the nonprofit organization in an amount not to exceed the per-attendee course registration fee. Documentation of the donation is required for reimbursement.

4.5.1. Instructions for Reimbursement

If you have an X-Number, complete the Supply Reimbursement Request Form. This form is available from the WCC LLI website.

If you are uncertain whether you have an X-Number or if you've forgotten your X-Number, contact the WCC/LLI liaison at 630-466-2941.

- Be sure to include your name, address, phone number, and X-Number with all paperwork and submit completed paperwork to your Curriculum Council contact person.
- Include all receipts, invoices, course title, and a description of the items being reimbursed.
- It is suggested that you make a copy of everything you submit for your personal records.

If you do not have an X-Number, fill out the reimbursement form with the X-Number field blank. The first time a reimbursement form without an X-Number is submitted, you will also need to include a W-9. The most current W-9 form can be found on the IRS website at <https://www.irs.gov/pub/irs-pdf/fw9.pdf> or you can contact a Curriculum Council member to obtain a W-9 form and for further assistance.

4.6. Media Assistance

4.6.1. Waubonsee Community College

When completing your course proposal for the Sugar Grove campus, you may request a microphone from WCC's inventory.

Media Assistance staff will meet you in your classroom 15 minutes before your class is scheduled to begin. If you wish to arrange a tech session in advance of your class, contact a member of the Curriculum Council. If you encounter a media problem after the class begins, contact the WCC Help Desk. On the Sugar Grove Campus, dial Ext. 4357 (H-E-L-P) from a campus phone. From the Plano, Fox Valley, and Downtown Aurora campuses, dial 630-466-4357.

- Speaker monitor with a built-in wireless receiver
- Carrying case with shoulder strap and microphone holster
- Battery recharge kit
- Wireless handheld microphone
- Handheld microphone with cord attached
- Microphone stand
- Instruction manual

The system is stored at the Todd Library in Collins Hall on the WCC Sugar Grove Campus. If you wish to borrow it, check with staff at the Circulation Desk in the library. You will be asked to:

- Identify yourself as an LLI Facilitator.
- Show your driver's license or other photo identification
- Leave contact information (phone number and personal email address)

Plan to pick the equipment up at least one day in advance of your course so you can charge the battery. Make certain that two fresh AA batteries are available for the wireless microphone. Ensure that the system is returned to the library with the wireless microphone fully charged.

Be considerate of other facilitators by returning the audio system to the library as soon as possible.

5. Special Situations

5.1. Waitlists

When a course becomes full, a Waitlist is created. When a Waitlist is active, the general public will see an “Add to Waitlist” button instead of the “Register” button on the class description page. When students add themselves to the Waitlist, they will be prompted to complete all of the questions in the registration process, including any custom questions added to the form by CourseStorm Administrators. Students will not enter any payment information at this time. Contact the LLI office at 630-466-2593 if you have questions.
