WAUBONSEE
COMMUNITY COLLEGE

On the evening of May 22, 2021, hundreds of Waubonsee graduates and their families watched the virtual commencement ceremony online.

At right are excerpts from Dr. Sobek's remarks. Visit waubonsee.edu/graduation to view the entire ceremony.

Christine J. Sobek, Ed.D.
President

Waubonsee has conferred more than 27,530 degrees since 1968. I know that each student and especially each of our graduates represents a story that includes hard work and sacrifice as well as untold support from family, friends and the faculty and staff at Waubonsee Community College.

To those of you who work full-time, special recognition for juggling college and work. Graduates who are parents, special recognition on being a wonderful role model for your children. To our graduates who are serving, or have served in the military, thank you so much for your service. Student-athletes, we appreciate your representation of Waubonsee in competition and your resilience with the cancellation or reduced schedule for many sports. Students who served in a student organization, club or honor society as an officer or leader or on the Student Senate, thank you for your leadership and your virtual engagement. For those who have a family member who attended Waubonsee, thank you for carrying on a great tradition. And, for those who are the first in your family to graduate from college, we know what a life changing event this is for you and your family.

Congratulations to all of our graduates. We appreciate the hard work and sacrifices that each of you made to get here today, and especially for your resilience and perseverance during this global pandemic. All of you are soon-to-be Waubonsee Community College alumni and you can proudly share in the current and future success of the college.

As we go forward, graduates I ask each of you for two things. First that you will remain engaged with the college. We want to create a lifetime connection with each of you that will continue to contribute to your personal and professional knowledge and growth. Second, as a new alumnus of Waubonsee Community College, I hope that you will proudly share this accomplishment wherever your career may take you. So, in addition to updating your resumé, I hope you are updating your Facebook, LinkedIn, or other social media profiles to include Waubonsee Community College graduate! Together we can tell the community college story and continue to make our college known for our quality education and lifelong connections.

Family and friends of the graduates, thank you all for your encouragement and your support and for believing in the power of education to change lives and shape futures. Graduates, thank you for choosing Waubonsee Community College and thank you for enriching our college community with your unique perspectives and contributions.

On behalf of the Board of Trustees, the faculty and staff, we wish you success, happiness and fulfillment. Congratulations class of 2021.

Cole Wright
Commencement Speaker

Cole Wright joined Marquee Sports Network as a studio host upon the launch of the network in 2020. He serves as the primary host for Cubs pregame and postgame coverage on Cubs Live!, while hosting and contributing to additional original Marquee programs, including Cubs 360 and Cubs Classics.

Mr. Wright spent the previous five years as an anchor and host with NFL Network. He previously covered high school and college sports in Texas and Louisiana, while spending time with ESPN, Fox Sports 1, NESN and SportsNet LA. A Chicago-area native and lifelong Cubs fan, Mr. Wright graduated from Waubonsie Valley High School in Aurora, Illinois before attending Waubonsee Community College and transferring to Briar Cliff University in Sioux City, Iowa where he earned a degree in communications.

Mr. Wright was a student athlete in Waubonsee's baseball program. He holds the record for game-winning hits in a single-season and was inducted into the Waubonsee Community College Athletic Hall of Fame in 2018.

The Associate in Arts, Associate in Engineering Science, Associate in Fine Arts and Associate in Science Degrees are designed primarily to transfer to a four-year university, allowing students to continue their work toward a bachelor's degree. The Associate in Applied Science Degree is designed for students seeking specialized training in preparation for employment. The Associate in General Studies Degree is designed primarily for students who have chosen to pursue a broad general program.

Note: Due to the rigid time requirements for printing, the list of names cannot be considered an official college document nor an official indication of a student's status. This information is current as of May 15, 2021.
