

Choosing Courses

Discover what courses Waubonsee is offering for college credit this semester.

So how do you know what to take?

What You Need for Your Certificate/Degree

Learn the requirements for your chosen degree or certificate program and get help with the following:

- **Admissions** (*new students*)
Academic and Career Advising (*returning students*)
 - » Get help seeing your path at Waubonsee from start to finish and beyond
- **College Catalog**
 - » Learn the requirements for general transfer degrees, along with career degrees and certificates
 - » View the college catalog in both print and online at waubonsee.edu/catalog
- **Website**
 - » Check out waubonsee.edu/majors to learn about program pages, which list specific degree and certificate requirements
 - » Head to waubonsee.edu/pathways to explore transfer program options

Whatever Interests You

You may not be pursuing a full degree or certificate program, or you may still be deciding what is the best fit. In that case, we encourage you to take whatever course(s) interest you. If you are considering attending a four-year university after Waubonsee, it's recommended you choose courses that have an Illinois Articulation Initiative (IAI) code listed, as those are the most likely to transfer.

Helpful Tips

- Some courses require prerequisites, meaning there are other courses you must take before enrolling. Others, like English and Math, are skill level based and entail a course placement process.
