

Waubonsee Community College Foundation

Scholarship Funds for Academic Year 2018-2019

Chartered in 1978, the Waubonsee Community College Foundation was formed to advance the educational and charitable purposes of Waubonsee Community College. The primary mission of the Foundation is to raise money for student scholarships. Foundation scholarships and awards are made available to new and returning Waubonsee students by generous donors who support the WCC Foundation.

This brochure describes each scholarship's **eligibility requirements**. Scholarships begin with the fall 2018 semester and continue through the summer 2019 semester. **All awards are good for one year only, are subject to funding availability and are for use only at Waubonsee Community College.**

Applicants must have a **Waubonsee ID number** (known as an X number) in order to apply for a scholarship. If you do not have an X number you must complete a New Student Information Form (found at waubonsee.edu/nsif) prior to starting your scholarship application. **Please allow 48 hours after applying for your X number before you begin your scholarship application.**

Individuals classified as **new students** include 2018 high school graduates or students registering for classes at Waubonsee **for the first time** for the Fall 2018 semester. **Returning students** are individuals who have completed course work (**excluding** dual credit and noncredit courses) at Waubonsee at any time in the past or are enrolled at Waubonsee for the first time for Spring 2018 semester.

Before applying for any of the scholarships listed in this brochure, first **review** the **Application Guidelines** and **Responding to Scholarship Essay Questions** (see next page or visit the Foundation website listed below). Complete the **online** scholarship application, **upload all required attachments** (unofficial transcript and other requested materials), and ensure at least one Letter of Recommendation is there. **You will not be able to submit your application unless ALL documents are attached to the application!** When your application is complete and you click the "SUBMIT" button, you will be matched to all scholarships for which you meet the required criteria. Applications **must** be submitted by **midnight on Monday, Feb. 5, 2018**. Incomplete applications (including those with missing documents) are not able to be submitted for consideration for scholarships. **NOTE: If you provided transcripts to the Admissions office, we CANNOT access those documents and you MUST upload them to your online application!**

**WE DO NOT ACCEPT PAPER APPLICATIONS OR DOCUMENTS.
EVERYTHING MUST BE DONE ONLINE - NO EXCEPTIONS WILL BE MADE.**

Scholarship recipients will be notified by email in early April 2018. Recipients are **required** to attend one of two workshops scheduled for April 25, 2018 at the Sugar Grove Campus, and will be invited to a recognition event, along with their donors, in the fall of 2018 at the Sugar Grove Campus.

Unless otherwise noted, all scholarships provide a credit for tuition, fees or books with awards applied first to tuition and fees. Remaining funds may then be used for books; students are to request a book voucher from the Financial Aid office. Scholarship awards apply to credit courses only.

www.waubonsee.edu/foundation

Waubonsee Community College does not discriminate based on any characteristic protected by law in its programs and activities.

Steps to applying for scholarships at Waubonsee Community College

1. Go to **www.waubonsee.edu/foundation** and click on **Submit a Foundation Scholarship Application**. You will need a Waubonsee-issued ID (X number) to apply. If you do not have an X number, go to waubonsee.edu/nsif to apply for one. Forty-eight hours after you receive your X number, you may begin your application.
2. You will see seven tabs along the left side of your application. In the “**General Information**” tab, “**Academic Information**” tab, “**Qualification Questions**” tab and “**Financial Information**” tab, you must complete all fields. You may edit your application right up until the application deadline on Feb. 5, 2018. Make sure all information is **accurate**, as scholarships are awarded based upon the information provided.
3. On the “**Essays**” tab, answer each question. The maximum word count is indicated for each question. This portion is one of the most important pieces of your application, as this is how the selection committee members will get to know you; it will help them determine if you are the right person to receive a scholarship award.
4. On the “**Letters of Recommendation**” tab, ALL scholarships require at least one, but not more than three letters of recommendation. Letters MUST be completed using the template email provided which you will send to the person you are asking to write the recommendation. **UPLOADED LETTERS WILL NOT BE ACCEPTED**. You may edit the email template as desired, but it is important to let the recommender know that there is a deadline for having a letter on your application. It is your responsibility to check back to see if your request(s) have been answered; applications missing a letter are not able to be submitted for consideration. Letters should be from a teacher, counselor, coach, supervisor at work, clergy person, etc. - NOT from a friend or family member.
5. The final tab, “**Documents**” is where you are required to upload a complete copy (including all courses and grades plus your cumulative GPA) of your UNOFFICIAL transcript from your most recent educational institution attended, whether that is high school, Waubonsee or another college or university. If additional documents are required for a particular scholarship, this is where you upload those as well (for example proof of veteran status [DD214 form], GED scores, or proof of employment).
6. When you have completed all of the tabs, the SUBMIT button will be highlighted and you must click on it to submit your application. If you are not ready to submit your application, you may logout (use the drop-down button next to your name at the top right of the application) and finish it another time. Please remember... **THE APPLICATION MUST BE COMPLETE AND SUBMITTED BY MIDNIGHT ON MONDAY, FEB. 5, 2018 FOR YOU TO BE CONSIDERED FOR SCHOLARSHIP AWARDS.**

Tips for Responding to Essay Questions

1. Be sure your essay tells the committee all about you. They often look for interest and knowledge about your chosen field, motivation and enthusiasm, the ability to express thoughts clearly, information on how you have faced challenges and/or overcome obstacles, and your desire to achieve your goals.
2. It is very important that you carefully proof-read your essay. Use complete sentences and words; do not use acronyms or write as though you are sending a text message to your friend. Check for correct grammar, spelling, correct use of capitalization and punctuation. Read your answers out loud or ask someone else to review them for you. Be clear and concise.
3. Assistance is available for registered Waubonsee students from the Sugar Grove Tutoring Center (Collins 144) or at the Aurora Downtown Campus in the Aurora Tutoring Center (Room 215).

SCHOLARSHIP	ELIGIBILITY	AWARD AMOUNT
