Official hours are the hours that the campuses are open to the public year-round; they do not denote when services are available. Hours for college services are listed by campus above. All college services and offices are open and operational, except on approved holidays.

Standard administrative office hours are 8:00 a.m. - 4:30 p.m. M-F

Additional information and resources are available on the college website at [www.waubonsee.edu](http://www.waubonsee.edu), and current students can access personalized information on the college portal at [mywcc.waubonsee.edu](http://mywcc.waubonsee.edu).

The college is closed and services are not available on: Wed., July 4, 2018; Mon., Sept. 3, 2018; Wed., Nov. 21 through Sun., Nov. 25, 2018; 4:30 p.m., Fri., Dec. 21, 2018 through Tues., Jan. 1, 2019; Sun., April 21, 2019; and Mon., May 27, 2019.

Hours are subject to change without notice.

# Tuition and Fees

Tuition is charged per credit hour and varies depending upon your residency. To learn more about residency rules and special tuition cases, see the next page. Tuition rates and fees are subject to change by the college, and students should anticipate future increases.

## Estimated Tuition Per Semester Hour

In-district student.....	\$128.00
Illinois out-of-district student.....	\$372.30
Out-of-state student.....	\$402.82
International student.....	\$402.82
Online course tuition.....	\$128.00

(See *Special Tuition Cases* on the next page.)

## Fees

Certain fees are charged in addition to tuition.

### Fee Schedule

Student fee*	\$8.00 per credit hour
Course fee	varies
<i>Certain courses require extra costs for supplies, equipment or services. Fees subject to change.</i>	
Set-up fee for payment plan option (per semester/nonrefundable)	\$25.00
Late payment fee	\$20.00
Insufficient funds charge	\$25.00
Re-enrollment fee (nonrefundable)	\$50.00
Delinquent account fee	\$25.00
Transcript Fee	
Written requests (in person, by mail or fax)	\$10/each
Online requests	\$5/each
FREE unofficial transcripts available through mywcc.	

\* Student fee monies are used to support a variety of educational, scholarship, social, recreational, club and entertainment programs.

## Calculating Your Costs

So what do these numbers actually mean? Assuming you're an in-district student, here's the calculation you'd use to figure out your tuition and fees. **Note:** This does not include any additional course fees that may be listed and charged on a per-class basis.

# of credit hours x \$136 (128 + 8) = Tuition and Fees Cost

**Example:** Taking four standard courses at 3 credits each = 12 credit hours 12 x \$136 = \$1,632

## When is my Payment Due?

• Full or partial payment is due at the time of registration to avoid being dropped from classes.

**Note:** Any prior balance must be paid in full prior to registration.

## What Are My Payment Options?

- **Full Payment:** Tuition and fees totaling less than \$200 require full payment.
- **Chiefs Payment Plan:** Pay some money down and then the remaining balance in monthly installments. If you choose this option, it helps to register early! You'll have more time to pay, which means your payments are smaller!  
(A \$25 nonrefundable payment plan service fee is charged for selecting this option — it's charged automatically when you make the first payment.)
- **Financial Aid/Scholarships:** If financial aid or Waubonsee scholarships cover your full tuition amount, your registration will be held for the term. If they cover only a portion, you must pay the remaining balance in full or set up a payment plan.
- **Employer Payments:** If your employer is paying your tuition and fees, and should be billed directly, a letter from your company, including the contact name and company address (on company letterhead), is required at the time of registration. An employer may also be set up as an authorized user in our online payment system.
- **Authorized User:** If you wish to have parents, employers or another third party make a payment on your account, you must set them up as an authorized user in the online system. This does NOT give the user access to your confidential academic history.

## How to Pay

Pay by cash, electronic check\*, or credit card (VISA, MasterCard, Discover, American Express). Full or partial payments can be made:

- **Through the Student Account Suite**, accessible at [www.waubonsee.edu/paying](http://www.waubonsee.edu/paying) or [mywcc.waubonsee.edu](http://mywcc.waubonsee.edu), Student Tab, Student Information Box (credit card or electronic check)
- **In person** at Sugar Grove, Aurora Downtown, Aurora Fox Valley or Plano.
- **By faxing** payment information to (630) 966-4867
- **By mailing** payment to:

## Refunds and Student Account Appeals

Tuition refunds are issued based upon the official date of withdrawal. Withdrawals made online are effective when the transaction is complete. Withdrawals submitted in writing are effective according to the postmark date of the letter or the fax date and time. Full refund of tuition and fees is granted if the college cancels a course.

**Questions?** Call the Bursar Office at (630) 466-5705, email [payments@waubonsee.edu](mailto:payments@waubonsee.edu), or visit [www.waubonsee.edu/paying](http://www.waubonsee.edu/paying).

## Special Tuition Cases

### Chargebacks and Cooperative Agreements

Special tuition arrangements can be made for district students to pursue degree and certificate programs not available at Waubonsee. Students from other community colleges who want to enroll in a Waubonsee program not offered in their district should contact their own admissions office for the proper forms. See the catalog for details. Contact Waubonsee's Vice President of Student Development, (630) 466-2941.

### Born Before 1954

District residents 65 years of age or older, enrolled through the midterm date, are eligible for a tuition refund for credit courses. Refunds are mailed at the end of the semester. Not all courses qualify for tuition refunds (e.g. repeated courses or audits). For more information, contact Registration and Records, (630) 466-7900, ext. 2370.

### Auditing a Course

To audit a course, submit a Course Audit Form (*found on mywcc*) to Registration and Records (*in person, by mail, or fax*) along with your registration form. Credit registration status may be changed to audit status until the mid-term of the course; check the Important Dates.

Auditors pay full tuition and fees. Audit registration may not be changed to credit registration after the first day of class. Audited courses do not qualify for tuition refund offered to those 65 and older; see above. High school students are not eligible to audit courses. Students may not audit skill or performance courses. Students earning credit are given priority in course enrollment. For questions, contact Registration and Records, (630) 466-7900, ext. 2370.

## Refunds and Student Account Appeals

Tuition refunds are issued based upon the official date of withdrawal. Withdrawals made online are effective when the transaction is complete. Withdrawals submitted in writing are effective according to the postmark date of the letter or the fax date and time. Full refund of tuition and fees is granted if the college cancels a course.

See page 2 for refund deadlines. A student account appeal process is available if disputing charges and must be based on circumstances that prevented course attendance. The Student Account Appeal Form is available at [mywcc.waubonsee.edu](http://mywcc.waubonsee.edu).

The college reserves the right to make the final decision on all refunds. Contact the Bursar Office about refund policies.

## ERefunds Are Now Available

*Receive your financial aid refund . . . FASTER!*

Refunds are deposited directly into your checking or savings account, so your information is secure. Note: Debit cards are not accepted.

Set up your student account to automatically deposit refunds directly into your bank account. Visit [mywcc](http://mywcc) to set up your eRefund account.

## Residency

For the purpose of determining tuition and fees, students enrolling at Waubonsee are classified as district students, out-of-district students, out-of-state students or international students.

### District Students

To qualify as district students, individuals must reside within the district for at least 30 days immediately prior to the date established by Waubonsee for classes to begin.

Special cases regarding legal residency of students are considered individually. Students may be required to furnish legal evidence proving residency in the district. Contact Registration and Records for more information.

### Out-of-District Students

Students who reside in Illinois for at least 30 days prior to the date established by the district for classes to begin, but outside of Community College District 516, are considered out-of-district students. Students may be required to furnish legal evidence proving residence.

### Out-of-State and International Students

Students whose legal residence is outside of Illinois are considered out-of-state. Students whose legal residence is outside of the country are considered international students.

## Special Residency Classifications

Students who live out-of-district may qualify to have out-of-district charges waived under the special residency classifications listed below. Students who qualify for these classifications are not considered district residents. If you have questions, please contact the Registration and Records office.

**In-District Employment:** Students who do not live in the district but who are employed by a business in the district for at least 35 hours per week may have out-of-district charges waived. Students are required to furnish legal evidence of employment.

**Property Owner:** Students who do not live in the district but own property in the district may have out-of-district charges waived. Students are required to provide documentation.

**Attended a Valley Education for Employment System (VALEES) member district school:** Students who do not live in the district but who attended a VALEES member district school with a date of high school graduation or last term of high school attendance that is within two years may have out-of-district charges waived for nine consecutive terms (includes summer terms). Students are required to provide an official high school transcript. Please visit <http://valees.org/> for more information about VALEES.

**Attended an In-District High School:** Students who do not live in the district but who attended a high school within Waubonsee's district with a date of high school graduation or last term of high school attendance that is within two years may have out-of-district charges waived for nine consecutive terms (includes summer terms). Students are required to provide an official high school transcript.

# Financial Aid and Scholarships

*You can access financial resources that make paying for college even easier, and Waubonsee is here to help you do that. From state and federal financial aid awarded based on financial need to scholarships awarded based on a variety of criteria, such as academic achievement, hometown, parental status, and more, programs are available to put higher education within your reach.*

## Applying for Financial Aid

Visit our website at [www.waubonsee.edu/financialaid](http://www.waubonsee.edu/financialaid) for complete step-by-step instructions on how to apply for aid at Waubonsee, but essentially, it starts with these two steps:

1. Create a Federal Student Aid ID at [fsaid.ed.gov](http://fsaid.ed.gov)
2. Complete the Free Application for Federal Student Aid (FAFSA) at [fafsa.ed.gov](http://fafsa.ed.gov) and use Waubonsee's school code - 006931

You can start applying for financial aid in October for the following academic year. You must apply annually.

**Keep in mind that while submitting the Free Application for Federal Student Aid (FAFSA) starts the process, additional steps need to be completed before aid can be awarded.** Upon receipt of your FAFSA, Waubonsee's Financial Aid Office will send information and updates on the status of your application to the email address provided. You may need you to submit additional documentation, and you must officially accept any awards offered to you in mywcc before they can be used to pay for your courses.

## Using Financial Aid to Pay for Courses

After you have completed all requirements and officially accepted your financial aid award(s), you may register for classes, and payment will not be required. Your financial aid will hold your courses until funds are disbursed. Specific disbursement dates vary by award; contact Financial Aid if you have any questions.

## Maintaining Financial Aid Eligibility

Minimum Standards of Academic Progress apply to all students receiving federal and state funding, including veterans and students receiving student loans or federal work-study employment. See the Standards of Academic Progress in the Financial Aid Handbook.

Federal regulations also require that students earn their financial aid by attending class through at least the 60% point of the term or aid will be reduced and may have to be paid back. Always consult Financial Aid and a Counselor/Advisor before withdrawing from a course.

## Withdrawals and Financial Aid

Federal regulations require students to maintain a minimum completion rate (see Standards of Academic Progress) to retain eligibility. Withdrawing from a course(s) or failure to earn credit hours in a course(s) will lower your completion rate. Withdrawing from all courses or failure to successfully complete all course(s) may require you to pay back the financial aid you may have received. Consultation with a counselor is highly recommended before withdrawing.

See the Student Handbook for more details.

## Waubonsee Scholarships

Waubonsee awards a variety of scholarships to students each year. Applications are due each February for the following academic year. Learn more and apply online at [www.waubonsee.edu/scholarships](http://www.waubonsee.edu/scholarships). If you have questions, please call the Advancement Office at (630) 466-2983. ]

# Support Resources

*A successful college experience is about more than just classes—it includes the support, guidance and motivation you receive outside the classroom, as well as the opportunities you have to explore your passions, make friends and create lifelong memories. At Waubonsee, you can have an experience that is as well-rounded as you are, one that inspires and enables you to achieve more than you thought possible.*

## Academic Support

You're working hard to succeed. We're working hard to help you.

Here are just a few of our resources:

- **Counseling, Advising and Transfer Center** – Get help mapping your path at Waubonsee from start to finish and beyond.
- **Connect4Success** – If you qualify, you'll get matched with a free, personal academic coach who can keep you on track.
- **TRIO Student Support Services** – First-generation college students and others who qualify receive a wide variety of services, including workshops, cultural outing, college visits and more.
- **Access Center for Students with Disabilities** – Arrange academic accommodations, get trained in assistive technology and become your own best advocate.
- **Career Development Center** - Searching for jobs and working on your résumé are just the beginning of what this department can help with! Utilize their expertise to plan for and enter your dream career.

## Student Life

Enrich your time on campus by participating in one of our 40 student organizations. Whatever your interest, you'll find something that appeals to you:

- Academic and honor societies
- Arts and culture clubs
- Student government

## Chiefs Athletics

As part of the National Junior College Athletic Association, our 13 sports teams compete in the Illinois Skyway Collegiate Conference. The Chiefs consistently contend for the conference's annual All-Sports trophy. Play on a team or come out and cheer on your classmates!

# Choosing Courses

*In this schedule, you'll find the courses Waubonsee is offering for college credit this semester. So how do you know what to take?*

## What You Need for Your Certificate/Degree

Take a look at our college catalog, found at [waubonsee.edu/catalog](http://waubonsee.edu/catalog), to view the requirements for your chosen degree or certificate program. Some programs even outline which courses you need to take which semester.

## Whatever Interests You

You may not be pursuing a full degree or certificate program, or you may still be deciding on which to go after. In that case, feel free to take whatever course(s) interest you. If you are thinking you may want to attend a four-year university after Waubonsee, you should probably choose courses that have an IAI code listed, as those are the most likely to transfer.

*The college catalog, accessible online at [waubonsee.edu/catalog](http://waubonsee.edu/catalog), lists the courses you need for each degree and certificate offered.*

## Helpful Tips

- Some courses do have prerequisites, that is, other courses you must take before enrolling. Others, like English and math, require that you prove your skill level through the course placement process. Visit: [waubonsee.edu/placement](http://waubonsee.edu/placement) to learn more.
- Visit some standard, recommended first-semester schedules at [waubonsee.edu/first](http://waubonsee.edu/first) to view.
- New students will work through the complete enrollment process before registering for courses. Learn more at [waubonsee.edu/enroll](http://waubonsee.edu/enroll) or see page 58.

## Will My Course Transfer?

### Understanding Illinois Articulation Initiative (IAI) Codes

If you plan on transferring to a four-year college or university in Illinois after Waubonsee, you need to know about the Illinois Articulation Initiative (IAI). The IAI is a major statewide cooperative agreement that eases the transfer process among many Illinois colleges and universities. Waubonsee's curricula for the Associate in Arts (AA) and Associate in Science (AS) degrees conforms to the IAI general education core curriculum. Individual courses approved as part of this core have IAI codes, which are listed in this schedule. IAI also includes major recommendations for the first two years of college in several popular majors.

Visit [www.itransfer.org](http://www.itransfer.org) or call the Counseling Advising and Transfer Center at (630) 466-7900, ext. 2361.

## Automation Technology

Manufacturing is about producing goods as quickly and inexpensively as possible. To do that, machines and systems need to always be working. Study this growing career path to design, install, troubleshoot and maintain those systems — and make an average of \$26+ per hour doing it.

## ITP Blends Service and Technology

If you're looking for a career where you can help people in a variety of environments, including schools, hospitals, courtrooms and corporations, consider interpreter training. Waubensee ITP students enjoy many benefits of belonging to a well-established program, which was the first of its kind in the state when it was started in 1975. The program remains on the cutting edge through the use of digital technology as a teaching/learning tool.

# Getting Started at Waubonsee

## New Credit Students

### STEP 1. Apply

Submit our free New Student Information Form (NSIF). This is like our application. It does not mean you have to attend Waubonsee, but it gets the process started by assigning you a student ID/X-number. It also allows us to better communicate with you throughout the enrollment process.

[www.waubonsee.edu/nsif](http://www.waubonsee.edu/nsif)

### STEP 2. Find Financial Resources

If interested, apply for financial aid as soon as possible. Waubonsee also offers a variety of scholarships that don't need to be paid back, but they do need to be applied for by the February deadline. [www.waubonsee.edu/financialaid](http://www.waubonsee.edu/financialaid) or [www.waubonsee.edu/scholarships](http://www.waubonsee.edu/scholarships)

### STEP 3. Get Placed Into the Right Courses

You will be placed into the right English and math courses based on your ACT/SAT scores, placement testing results or previous coursework.

[www.waubonsee.edu/placement](http://www.waubonsee.edu/placement)

*Note: Some classes may require placement testing to meet prerequisite requirements. Students wishing to transfer credits to Waubonsee need to submit official transcripts and complete the online Transcript Evaluation Request Form (TERF) at [mywcc.waubonsee.edu](http://mywcc.waubonsee.edu). Log in with your X-number and password, select the student tab, go to the student forms box, and select the registration tab to open the form. This step needs to be completed before course placement or Electronic Registration and Planning (E-RAP).*

*Note to part-time students: You'll need to go through the course placement process if you plan on taking an English or math course. The reading test is required for all financial aid applicants.*

### STEP 4. Choose Classes and Register

Complete the online Electronic Registration and Planning (E-RAP) tutorial, found in [mywcc](http://mywcc), where you'll learn to use your course placement info, the course catalog and course schedule to select and register for classes.

[mywcc.waubonsee.edu](http://mywcc.waubonsee.edu)

Once you have registered for class, your Waubonsee email is activated. Check [mywcc.waubonsee.edu](http://mywcc.waubonsee.edu) for official communications from the college such as messages about financial aid and your tuition/fees.

*Note: E-RAP is very helpful, but our Admissions team can also offer in-person expertise as you build your course schedule. Be sure to reach out to them if you want additional guidance.*

*Note to part-time students: E-RAP is optional for you, but we recommend it, as it's a great introduction to our academic offerings and processes. If you're ready to register, visit [mywcc.waubonsee.edu/register](http://mywcc.waubonsee.edu/register).*

### STEP 5. Make a Payment

Don't forget to make a payment when you register for courses. If your tuition and fees total more than \$200, you can opt for our payment plan option.

[www.waubonsee.edu/payments](http://www.waubonsee.edu/payments)

### STEP 6. Attend New Student Orientation

Come meet new classmates as you learn about Waubonsee's campuses, resources and technology. You can also get help finalizing your course schedule.
