COMMENTS	AS recommended for AU * Depends on math placement. MTH 129 & 130 are pre-req's for MTH 131. MTH 131 is pre-req for MTH 132 **Recommendations of classes that WCC offers that match AU major courses. Not required for admission	DePaul has multiple emphases including comp. sci, comp sci with math & IT, you will want to check the DePaul website for specifics on anything other than Computer Science *DePaul had additional gen ed classes, it is recommended that student take those @WCC. Use Transferology	AS recommended *Students must have 2 years HS foreign language or 2 semesters foreign language in college (graduation reqmnt). **Depends on math placement. MTH 129 & 130 are pre-req's for MTH 131.	Recommend AS degree/60 credits *For students wanting the Information Systems or Telecommunications degree ECN 121/202 & 122/201, PSY 100, ACC 120/202 are HIGHLY recommended+ students can take MTH 211 vs. MTH 131 **Depends on math placement.
