### ACORNS TO OAKS SOCIETY

Hundreds of years ago, acorns began to grow on the land upon which Waubonsee Community College now sits. Those seeds have grown into the majestic Bur Oaks, Northern Red Oaks, Pin Oaks and White Oaks that grace the college's main campus in Sugar Grove.

Just as the potential that lies within each acorn is huge, so too is the impact your gift to the Waubonsee Community College Foundation's planned giving program, called the Acorns to Oaks Society, will have on future generations of Waubonsee students. By becoming a member of the Acorns to Oaks Society, you are assuring a legacy of accessible education for our diverse population of students.

The Waubonsee Community College Foundation invites all alumni and friends to consider becoming a member of the Acorns to Oaks Society. Membership in the society is open to anyone who has chosen to include the Foundation in their estate plans or any other planned gift arrangement.

### WAYS TO INVEST IN THE FUTURE

A planned gift is defined as any contribution that will come to the Waubonsee Community College Foundation in the future. Planning your gift allows you to designate how it is to be used. You may leave your gift to the unrestricted endowment managed by the Foundation, or you may elect to endow a specific fund, scholarship or award. You may prefer to memorialize a loved one, honor a member of our academic community or perpetuate the family name with an endowed fund.

Whatever your personal goal, your gift is valued as a critical resource for the future of Waubonsee Community College.

Please contact the Advancement Office at [foundation@waubonsee.edu](mailto:foundation@waubonsee.edu), call (630) 466-2316 or visit [www.waubonsee.edu/foundation](http://www.waubonsee.edu/foundation) if you have questions about the Acorns to Oaks Society or about making a planned gift.
