CALCULATING YOUR COSTS

So what do these numbers actually mean?
Assuming you’re an in-district student, here’s the calculation you’d use to figure out your tuition and fees. Note: This does not include any additional course fees that may be listed and charged on a per-class basis.

# of credit hours x $138 (130 + 8) = Tuition and Fees Cost

Example: Taking four standard courses at 3 credits each = 12 credit hours 12 x $138 = $1,656

WHEN IS MY PAYMENT DUE?

• Full or partial payment is due at the time of registration to avoid being dropped from classes.

Note: Any prior balance must be paid in full prior to registration.

WHAT ARE MY PAYMENT OPTIONS?

• Full Payment: Tuition and fees totaling less than $200 require full payment.

• Chiefs Payment Plan: Pay some money down and then the remaining balance in monthly installments. If you choose this option, it helps to register early! You’ll have more time to pay, which means your payments are smaller! (A $25 nonrefundable payment plan service fee is charged for selecting this option — it’s charged automatically when you make the first payment.)

• Financial Aid/Scholarships: If financial aid or Waubonsee scholarships cover your full tuition amount, your registration will be held for the term. If they cover only a portion, you must pay the remaining balance in full or set up a payment plan.

• Employer Payments: If your employer is paying your tuition and fees, and should be billed directly, a letter from your company, including the contact name and company address (on company letterhead), is required at the time of registration. An employer may also be set up as an authorized user in our online payment system.

• Authorized User: If you wish to have parents, employers or another third party make a payment on your account, you must set them up as an authorized user in the online system. This does NOT give the user access to your confidential academic history.

• Veterans Using CH 33 or 31: With the submission of a Veterans Enrollment Certification Request (VERC) prior to registering for classes, classes will be held and the funds received from the Department of Veteran Affairs (VA) will be credited to the student’s account. The college will not impose a penalty, or require the beneficiary to borrow additional funds to students responsible for paying any balance remaining after benefits have been credited, should benefit eligibility not be covered at 100% level. The VERC is available in mywcc in the Veterans Services area of the Student tab.

HOWTO PAY

Pay by cash, electronic check*, or credit card (VISA, MasterCard, Discover, American Express). Full or partial payments can be made:

• Through the Student Account Suite, accessible at waubonsee.edu/paying or mywcc.waubonsee.edu, Student Tab, Student Information Box (credit card or electronic check)

• In person at Sugar Grove, Aurora Downtown, Aurora Fox Valley or Plano.

• By faxing payment information to (630) 966-4867

• By mailing payment to:
  Bursar Office
  Waubonsee Community College
  Route 47 at Waubonsee Drive
  Sugar Grove, IL 60554-9454

QUESTIONS? Call the Bursar Office at (630) 466-5705, email payments@waubonsee.edu, or visit www.waubonsee.edu/paying.
SPECIAL TUITION CASES

Chargebacks and Cooperative Agreements
Special tuition arrangements can be made for district students to pursue degree and certificate programs not available at Waubonsee. Students from other community colleges who want to enroll in a Waubonsee program not offered in their district should contact their own admissions office for the proper forms. See the catalog for details. Contact Waubonsee’s Vice President of Student Development, (630) 466-2941.

Tuition for Senior Citizens
Senior citizens who are 65 years of age or older by the start of the term may be eligible for a full tuition waiver of in-district tuition for all regularly scheduled credit courses if they are under a specific income level as outlined in the Senior Citizen Courses Act (110 LCS990).* To apply for this waiver, senior citizens must complete the Senior Citizen Tuition Waiver Application and present it to the Bursar Office. Courses specifically designed for senior citizens and audits do not qualify for this tuition waiver. Eligible senior citizens are still responsible for all applicable fees, books, and any classroom supplies costs.

*Some restrictions apply. For more information, contact the Bursar Office at (630) 466-5705.

Auditing a Course
To audit a course, submit a Course Audit Form (found on mywcc) to Registration and Records (in person, by mail, or fax) along with your registration form. Credit registration status may be changed to audit status until the mid-term of the course; check the Important Dates.
Auditors pay full tuition and fees. Audit registration may not be changed to credit registration after the first day of class. Audited courses do not qualify for tuition refund offered to those 65 and older; see above. High school students are not eligible to audit courses. Students may not audit skill or performance courses. Students earning credit are given priority in course enrollment. For questions, contact Registration and Records, (630) 466-2370.

REFUNDS AND STUDENT ACCOUNT APPEALS

Tuition refunds are issued based upon the official date of a course drop or withdrawal. When a student drops a course, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. See page 3 for refund deadlines. When a student withdraws from a course, tuition and fees are not refunded to the student account and a grade of W will be recorded on the academic transcript.

Drops and withdrawals made online are effective when the transaction is complete. Drops and withdrawals submitted by mail or fax are effective according to the postmark date of the mailed Change of Enrollment form or the fax date and time. Full refund of tuition and fees are granted if the college cancels a course.

A student account appeal process is available if disputing charges. Appeals must be based on circumstances that prevented course attendance. The Student Account Appeal Form is available at mywcc.waubonsee.edu.

The college reserves the right to make the final decision on all refunds. If you have question in regards to refund polices, please contact the Bursar Office.

Refunds are deposited directly into your checking or savings account, so your information is secure. Note: Debit cards are not accepted.
Set up your student account to automatically deposit refunds directly into your bank account. Visit mywcc to set up your eRefund account.

RESIDENCY

For the purpose of determining tuition and fees, students enrolling at Waubonsee are classified as district students, out-of-district students, out-of-state students or international students.

District Students
To qualify as district students, individuals must reside within the district for at least 30 days immediately prior to the date established by Waubonsee for classes to begin. Special cases regarding legal residency of students are considered individually. Students may be required to furnish legal evidence proving residency in the district. Contact Registration and Records for more information.

Out-of-District Students
Students who reside in Illinois for at least 30 days prior to the date established by the district for classes to begin, but outside of Community College District 516, are considered out-of-district students. Students may be required to furnish legal evidence proving residence.

Out-of-State and International Students
Students whose legal residence is outside of Illinois are considered out-of-state. Students whose legal residence is outside of the country are considered international students.

SPECIAL RESIDENCY CLASSIFICATIONS

Students who live out-of-district may qualify to have out-of-district charges waived under the special residency classifications listed below. Students who qualify for these classifications are not considered district residents. If you have questions, please contact the Registration and Records office.

In-District Employment: Students who do not live in the district but who are employed by a business in the district for at least 35 hours per week may have out-of-district charges waived. Students are required to furnish legal evidence of employment.

Property Owner: Students who do not live in the district but own property in the district may have out-of-district charges waived. Students are required to provide documentation.

Attended a Valley Education for Employment System (VALEES) member district school: Students who do not live in the district but who attended a VALEES member district school with a date of high school graduation or last term of high school attendance that is within two years may have out-of-district charges waived for nine consecutive terms (includes summer terms). Students are required to provide an official high school transcript. Please visit http://valees.org for more information about VALEES.

Attended an In-District High School: Students who do not live in the district but who attended a high school within Waubonsee's district with a date of high school graduation or last term of high school attendance that is within two years may have out-of-district charges waived for nine consecutive terms (includes summer terms). Students are required to provide an official high school transcript.
FINANCIAL AID AND SCHOLARSHIPS

You can access financial resources that make paying for college even easier, and Waubonsee is here to help you do that. From state and federal financial aid awarded based on financial need to scholarships awarded based on a variety of criteria, such as academic achievement, hometown, parental status, and more, programs are available to put higher education within your reach.

APPLYING FOR FINANCIAL AID
Visit our website at waubonsee.edu/financialaid for complete step-by-step instructions on how to apply for aid at Waubonsee, but essentially, it starts with these two steps:
1. Create a Federal Student Aid ID at fsaid.ed.gov
2. Complete the Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov and use Waubonsee's school code - 006931

You can start applying for financial aid in October for the following academic year. You must apply annually.

Keep in mind that while submitting the Free Application for Federal Student Aid (FAFSA) starts the process, additional steps need to be completed before aid can be awarded. Upon receipt of your FAFSA, Waubonsee’s Financial Aid Office will send information and updates on the status of your application to the email address provided. You may need to submit additional documentation, and you must officially accept any awards offered to you in mywcc before they can be used to pay for your courses.

USING FINANCIAL AID TO PAY FOR COURSES
After you have completed all requirements and officially accepted your financial aid award(s), you may register for classes, and payment will not be required. Your financial aid will hold your courses until funds are disbursed. Specific disbursement dates vary by award; contact Financial Aid if you have any questions.

MAINTAINING FINANCIAL AID ELIGIBILITY
Minimum Standards of Academic Progress apply to all students receiving federal and state funding, including veterans and students receiving student loans or federal work-study employment. See the Standards of Academic Progress in the Financial Aid Handbook.

Federal regulations also require that students earn their financial aid by attending class through at least the 60% point of the term or aid will be reduced and may have to be paid back. Always consult Financial Aid and a Counselor/Advisor before withdrawing from a course.

WITHDRAWALS AND FINANCIAL AID
Federal regulations require students to maintain a minimum completion rate (see Standards of Academic Progress) to retain eligibility. Withdrawing from a course(s) or failure to earn credit hours in a course(s) will lower your completion rate. Withdrawing from all courses or failure to successfully complete all course(s) may require you to pay back the financial aid you may have received. Consultation with a counselor is highly recommended before withdrawing. See the Student Handbook for more details.

WAUBONSEE SCHOLARSHIPS
Waubonsee awards a variety of scholarships to students each year. Applications are due each February for the following academic year. Learn more and apply online at waubonsee.edu/scholarships. If you have questions, please call the Advancement Office at (630) 466-2983.

SUPPORT RESOURCES

A successful college experience is about more than just classes—it includes the support, guidance and motivation you receive outside the classroom, as well as the opportunities you have to explore your passions, make friends and create lifelong memories. At Waubonsee, you can have an experience that is as well-rounded as you are, one that inspires and enables you to achieve more than you thought possible.

ACADEMIC SUPPORT
You’re working hard to succeed. We’re working hard to help you.
Here are just a few of our resources:
• Counseling, Advising and Transfer Center – Get help mapping your path at Waubonsee from start to finish and beyond.
• Connect4Success – If you qualify, you’ll get matched with a free, personal academic coach who can keep you on track.
• TRIO Student Support Services – First-generation college students and others who qualify receive a wide variety of services, including workshops, cultural outing, college visits and more.
• Access Center for Disability Resources – Students with disabilities can arrange for academic accommodations for their classes and discover other resources related to accessibility and advocacy on campus.

STUDENT LIFE
Enrich your time on campus by participating in one of our 35 student organizations. Whatever your interest, you’ll find something that appeals to you:
• Academic and honor societies
• Arts and culture clubs
• Student government

CHIEFS ATHLETICS
As part of the National Junior College Athletic Association, our 13 sports teams compete in the Illinois Skyway Collegiate Conference. The Chiefs consistently contend for the conference’s annual All-Sports trophy. Play on a team or come out and cheer on your classmates!

FLEXIBLE COURSE OPTIONS

A demanding schedule can’t keep you from your dream of earning a college degree or advancing in your career. With our wide mix of flexible offerings, you can choose to earn college credit in the way that works for you.

CONVENIENT LOCATIONS

Get a high-quality education close to home, or even at home. Take courses at one or all of our four campuses, or online.

Courses are listed by location in the following pages.

START WHEN YOU WANT. CHOOSE YOUR PACE.

In addition to the traditional 16-week semester courses, you can also choose 14-week, 12-week, 8-week, 7-week and 4-week courses. You’re essentially picking the pace at which you want to work, along with the start and end dates that work best for your schedule.

Note that any courses running less than 16 weeks are listed as “accelerated” in the following pages. Pay particular attention to the start and end dates listed for these courses.
CHOOSING COURSES

In this schedule, you’ll find the courses Waubonsee is offering for college credit this semester. So how do you know what to take?

WHAT YOU NEED FOR YOUR CERTIFICATE/DEGREE

You can learn the requirements for your chosen degree or certificate program in the following places:

• Admissions (new students), Counseling, Advising and Transfer Center (returning students)
  » Get help mapping your path at Waubonsee from start to finish and beyond.

• College Catalog
  » outlines requirements for general transfer degrees, along with career degrees and certificates
  » viewable in print and online at waubonsee.edu/catalog

• Website
  » recommended sample schedules for a variety of degree programs are listed at waubonsee.edu/sample
  » many of these schedules utilize courses that are “guaranteed to run” so you won’t have to worry about cancellation

WHATEVER INTERESTS YOU

You may not be pursuing a full degree or certificate program, or you may still be deciding on which to go after. In that case, feel free to take whatever course(s) interest you. If you are thinking you may want to attend a four-year university after Waubonsee, you should probably choose courses that have an IAI code listed, as those are the most likely to transfer.

HELPFUL TIPS

• Some courses do have prerequisites, that is, other courses you must take before enrolling. Others, like English and math, require that you prove your skill level through the course placement process. Visit: waubonsee.edu/placement

• New students will work through the complete enrollment process before registering for courses. Learn more at waubonsee.edu/enroll or see page 62.

**Will My Course Transfer?**

*Understanding Illinois Articulation Initiative (IAI) Codes*

If you plan on transferring to a four-year college or university in Illinois after Waubonsee, you need to know about the Illinois Articulation Initiative (IAI). The IAI is a major statewide cooperative agreement that eases the transfer process among many Illinois colleges and universities. Waubonsee’s curricula for the Associate in Arts (AA) and Associate in Science (AS) degrees conforms to the IAI general education core curriculum. Individual courses approved as part of this core have IAI codes, which are listed in this schedule. IAI also includes major recommendations for the first two years of college in several popular majors.

Visit www.itransfer.org or call the Counseling, Advising and Transfer Center at (630) 466-7900, ext. 2361.

Topic: Songwriting
Credits: 3
This course introduces students to the fundamentals of songwriting. Study begins by covering popular song forms followed by in-depth study and work in the art of lyric writing. Study continues with principles of harmony, chord writing, and basic principles of melody. All study includes audio and written examples of commercially successful songs from the tin-pan alley era through today. Basic concepts of copyright law and performing rights societies are also covered.

GUARANTEED TO RUN!

To ensure that you make progress on your academic journey, Waubonsee offers several course sections as Guaranteed to Run (G2R), meaning they will NOT be canceled for any reason! So lose the worries about having to change your course schedule at the last minute.

Find and register for G2R sections at waubonsee.edu/G2R

For How to Read the Class Schedule see page 12.
GETTING STARTED AT WAUBONSEE

New Credit Students

STEP 1. APPLY
Submit our free New Student Information Form (NSIF). This is like our application. It does not mean you have to attend Waubonsee, but it gets the process started by assigning you a student ID/X-number. It also allows us to better communicate with you throughout the enrollment process.

waubonsee.edu/nsif

STEP 2. FIND FINANCIAL RESOURCES
If interested, apply for financial aid as soon as possible. Waubonsee also offers a variety of scholarships that don’t need to be paid back, but they do need to be applied for by the February deadline. www.waubonsee.edu/financialaid or waubonsee.edu/scholarships

STEP 3. GET PLACED INTO THE RIGHT COURSES
You will be placed into the right English and math courses based on your ACT/SAT/GED/HiSet scores, placement testing results, previous coursework or other measures.

waubonsee.edu/placement

Note: Some classes may require placement testing to meet prerequisite requirements. Students wishing to transfer credits to Waubonsee need to submit official transcripts and complete the online Transcript Evaluation Request Form (TERF) at mywcc.waubonsee.edu. Log in with your X-number and password, select the student tab, go to the student forms box, and select the registration tab to open the form. This step needs to be completed before course placement or Electronic Registration and Planning (E-RAP).

Note to part-time students: You’ll need to go through the course placement process if you plan on taking an English or math course. The reading test is required for all financial aid applicants.

STEP 4. CHOOSE CLASSES AND REGISTER
Complete the online Pre-Registration Review tutorial, found in mywcc, where you’ll learn to use your course placement info, the course catalog and course schedule to select and register for classes.

mywcc.waubonsee.edu

Once you have registered for class, your Waubonsee email is activated. Check mywcc.waubonsee.edu for official communications from the college such as messages about financial aid and your tuition/fees.

Note: Pre-Registration Review is very helpful, but our Admissions team can also offer in-person expertise as you build your course schedule. Be sure to reach out to them if you want additional guidance.

Note to part-time students: Pre-Registration Review is optional for you, but we recommend it, as it’s a great introduction to our academic offerings and processes. If you’re ready to register, visit mywcc.waubonsee.edu/register.

STEP 5. MAKE A PAYMENT
Don’t forget to make a payment when you register for courses. If your tuition and fees total more than $200, you can opt for our payment plan option.

waubonsee.edu/payments

STEP 6. VIEW WAUBONSEE 101 AND ATTEND NEW STUDENT ORIENTATION
Get an overview of the Waubonsee experience by watching Waubonsee 101 online, then come meet new classmates as you learn about Waubonsee in person while getting help finalizing your course schedule.

WAUBONSEE COMMUNITY COLLEGE – WE CARE!
College Students and Substance Abuse

The use of alcoholic beverages and illegal chemical substances is a major concern on college campuses. We’d like to let you know about health risks, available resources and current policies at Waubonsee Community College regarding the use of drugs and alcohol. This information is provided in accordance with the Drug-Free School and Communities Act of 1990.

DRUG AND ALCOHOL POLICY
It is the policy of Waubonsee Community College to remain free from illegal drugs and/or alcohol abuse. This policy is being adopted with education, awareness and prevention uppermost in mind.

The unlawful use, sale, distribution, manufacture and/or possession of illegal drugs and/or alcohol is prohibited on campus grounds, in campus buildings, in college vehicles or in any other college-owned or leased facility. Neither students nor employees of the college are permitted to be under the influence of illegal drugs or to be legally intoxicated while on the college premises or while engaging in college duties.

The procedures for implementation of this policy shall be in accordance with, and will include any and all provisions of, the Anti-Drug Abuse Act of 1988 and the Drug-Free Schools and Communities Act of 1990. The administration is authorized to establish such procedures and regulations as are necessary to accomplish the objectives of this policy. Accordingly, the college adopts this policy effective immediately (Oct. 17, 1990).

STUDENT RIGHTS AND RESPONSIBILITIES
Upon enrolling in the college, each student assumes an obligation to conduct himself or herself in a manner that is compatible with the college’s function as an educational institution. If this obligation is neglected or ignored by the student, the college must, in the interest of fulfilling its function and meeting its total obligations and in accordance with college policies and procedures, institute appropriate disciplinary action as described in the student conduct section of the Student Handbook.

Any student guilty of being under the influence of, or possessing, intoxicating beverages or illegal chemical substances on college property is subject to immediate dismissal or possible criminal prosecution. For more information on federal, state and local laws concerning possession, usage and sale of drugs and alcohol, call your local law enforcement office.

HEALTH RISKS
The consumption of alcohol and drugs can have the following serious health risks:
- Altered mood (anxiety, apathy, paranoia, psychosis)
- Altered behavior (impaired coordination)
- Sleep disorder
- Addiction
- Altered breathing and heart rate
- Communication of infectious disease
- Distorted senses
- Unconsciousness leading to coma

Large doses can cause permanent damage to the liver, heart and central nervous system, leading to death. For more information consult your physician or your local or college library.

- Voter Registration. Waubonsee encourages all members of the college community to register to vote. For more information and a link to a downloadable voter registration form, visit www.waubonsee.edu and choose “Legal Notices” from the footer.
- Federal Compliances. Waubonsee does not discriminate on the basis of race, color, national origin, age, sex, or disability in its programs or activities. Inquiries regarding this policy may be directed to: Michele Needham, Title IX/ADA Coordinator, or Emily Hinton, Section 504 Coordinator, Route 47 at Waubonsee Drive, Sugar Grove, IL 60554, compliance@waubonsee.edu.
- VAWA. This federal law requires colleges to annually train new students and employees about the campus climate related to sexual assault, dating violence and stalking, as well as the crimes in the Annual Security Report. A handout for victims of these crimes can be obtained from the offices of Counseling staff; Dean for Counseling, Career and Student Support; Dean for Students; or the Vice-President of Student Development. Educational sessions regarding safety, bystander education, and sexual misconduct prevention will be ongoing and announced on mywcc.
- Family Educational Rights and Privacy Act. All information provided to Waubonsee Community College is kept confidential in accordance with this law (P.L. 93-380). Any release of Waubonsee academic information from student records must have the written consent of the student. Contact Registration and Records or visit www.waubonsee.edu/ferpa
- Crime Awareness and Campus Security. In accordance with the Crime Awareness and Campus Security Act, the college has available, upon request, information on campus safety and security measures, as well as crime statistics. For information contact the Campus Police, Dickson Center, (630) 466-7900, ext. 2552.
- Student Right to Know Information. Waubonsee Community College is in compliance with the Student Right to Know Act (P.L. 101-542) which requires two- and four-year institutions to release their graduation rates. Information collected provides a standardized graduation rate for a specified period of time and presents a comprehensive picture of the Waubonsee Community College student population.
