Until further notice, all Xfinity WiFi Public Hotspots are now open to everyone on the “xfinitywifi” SSID. Public hotspots can be found in small/medium businesses and outdoors in commercial areas. Non-Xfinity subscribers need to accept Terms and Conditions to access the network and repeat when requested to continue to receive free unlimited access. Please refer to the map for available public hotspots. <https://wifi.xfinity.com/>

Comcast: “We are now offering eligible university students who live in our service area and need Internet service a \$150 Visa prepaid card upon sign-up to help keep them connected. There are no upfront fees or installation costs, and it’s easy to purchase online and receive Home Drop Off delivery of equipment. Our contactless delivery approach includes door-step delivery of your self-install kit by one of our technicians who will complete any required outside work and leave detailed installation instructions for you. To confirm eligibility and sign up, visit <https://www.xfinity.com/student>. This offer is available through June 1 to college students who live in households in our service area that are not already Xfinity customers.”
