OUR MISSION

Waubonsee Community College is a public, comprehensive community college that was organized in 1966 as mandated by the Illinois Community College Act to provide education and training services for individuals in portions of Kane, Kendall, DeKalb, LaSalle and Will counties of District 516.

The philosophy of Waubonsee Community College is based on the premise that education is the cornerstone of a literate, democratic society; that learning is a lifelong process; and that the pursuit of knowledge must be supported by institutional policies that demonstrate the values of quality, value, innovation, service and accessibility.

OUR VISION ■ Waubonsee Community College opens the door of knowledge, sparks imaginations, and enlightens lives through learning. We welcome the diverse abilities, goals, and experiences of individuals standing on the threshold of discovery. Our success is defined by the dreams we help shape, the opportunities we help design, and the futures we help create.

OUR VALUES

- **Quality:** We constantly redefine what it means to be “the best,” seeking to improve in every area and exceed the expectations of those we serve.
- **Value:** We focus every resource directly on the search for learning, creating tangible benefits in everything we do.
- **Innovation:** We are actively engaged on the frontiers of education, continuously improving the learning environment for our students and communities.
- **Service:** We view the world from the perspective of those we serve, anticipating needs and striving to exceed expectations while demonstrating a caring, knowledgeable, consistent connection with each individual every time they meet us.
- **Accessibility:** We remove barriers to learning formed by time, geography, education, culture, experience or beliefs to provide a full range of quality educational opportunities for all who can benefit.

Our Commitments

- Provide quality educational programs and services that are academically, geographically, financially, technologically and physically accessible to meet the educational and training needs of a diverse, multicultural population and the organizations within our community.
- Maintain institutional policies, programs, practices and efforts that provide an emphasis on a learning-centered college for students and the community.
- Develop the intellectual, physical, social, cultural and career potential of the individual.
- Promote diversity in faculty, staff and student recruitment; staff development; and cultural enrichment activities.
- Contribute to the economic, workforce, social, recreational and cultural quality of life of the community.
- Cooperate with other local, state and national organizations, and provide leadership that will enhance educational services and avoid duplication of services.

Our Programs and Services

- **Transfer Programs:** Associate degree education consisting of communications, social and behavioral sciences, physical and life sciences, mathematics, humanities and arts, education, engineering, and other pre-professional fields designed to prepare students for transfer to baccalaureate degree-granting institutions.
- **Workforce Education and Training:** Business, health care, technical and professional education consisting of associate degrees, certificates, courses, workshops, and seminars designed for entry-level employment, transitioning, retraining, and/or upgrading of skills to meet current and emerging employment needs and trends.
Training includes courses, programs, and contract training designed to meet the workplace needs of both individuals and organizations with an emphasis on skill building and improved productivity.
- **Pre-College Programs:** Courses, programs, and services designed to assist academically underprepared students to be successful in the next level of education, including reading, mathematics, writing, college success, literacy, high school equivalency exam preparation (HSE), General Education Diploma (GED), Adult Basic Education (ABE), and English Language Acquisition (ELA)/English as a Second Language (ESL).

4 Mission

- **Community Education:** Courses, trips, tours, special events, and experiences designed for the personal enrichment of the lives of learners of all ages and to promote lifelong learning.
- **Student Services:** Services designed to meet the holistic development of all students including counseling, advising, transfer planning, admissions, registration and records, assessment, financial aid, scholarships, career development, student life programming, intercollegiate athletics, and assistance for students with disabilities.

Our Program Support

- **Instructional Support:** Services designed to facilitate and provide support to the instructional process, including online learning and flexible delivery; the use of instructional technology; the libraries; and media services.
- **Administrative Support:** Organizational support that provides services for staff selection and development, financial services, facilities, operational management, technology advancements and training, research, planning, marketing and communications.
- **Community Support:** Service to communities, organizations and businesses may be provided by the college to meet local needs. These combined efforts may include programming in the community, workforce development and partnership activities that will improve the quality of life.

From the President

As I began my professional journey, I decided I wanted to work in higher education because of the power of education to change lives. And, when that journey took me to a community college, I knew I had found a home. Community colleges are powerful places where deep connections and learning really happen.

Your decision to attend Waubonsee Community College is a great decision. Waubonsee alumni are changing the world. Many were the first in their family to graduate from college. Many transferred to four-year institutions to complete bachelor's, master's, and doctoral degrees. Waubonsee alumni have as varied careers as the nearly 50,000 certificates and degrees awarded in our 54-year history.

I encourage you to really get to know Waubonsee faculty and staff and all that we have to offer. Carefully review this handbook, our website, www.waubonsee.edu, and mywcc to learn what you need to know to make your Waubonsee experience great. Decide now to put the power of education to work in your life and become another proud Waubonsee alumnus.

I wish you all the best for a successful academic year.

Sincerely,

CHRISTINE J. SOBEK, ED.D.

BENEFITS OF INVOLVEMENT

Take advantage of all that Waubonsee has to offer by becoming involved. The Student Life Office offers leadership opportunities, service events, clubs and general events for the student body to attend and enjoy. Students who are connected and involved meet new people, gain or enhance leadership skills, and have FUN while they are at Waubonsee. Participation in student organizations, as well as certain leadership and service opportunities, is listed on your co-curricular transcript. Check out the “Student Senate” and “Student Organization” sections that follow, and contact Student Life for other opportunities and more information.

Finding Out About Activities

Most events and opportunities are posted on the college-wide calendar accessible online at calendar.waubonsee.edu. Also, watch campus bulletin boards, Student Life easels or the campus plasma screens for information. Call the advisor of student organizations that may interest you, or attend the Engagement Fair, held at the beginning of each semester. Visit the Student Life Office in the Student Center, Room 126 for more information or see the calendar of Student Life events on the college calendar.

How to Charter Student Organizations

New ideas for student organizations are always welcome! New student organizations must meet certain criteria and be voted upon by the Student Senate before becoming a student organization affiliated with Waubonsee Community College. Any suggested group must be inclusive and welcoming of all students attending Waubonsee. Travel groups, sport and athletic groups may not be permitted due to liability issues but can always be explored. To start a new student organization, contact the Student Life Office, Student Center, Room 126, (630) 466-2369.

STUDENT SENATE

Waubonsee's Student Senate is a channel of communication for students to discuss topics of interest with the administration. Members of the Student Senate sit on many college committees, enabling them to provide student perspective and feedback. Student Senate is governed by a constitution approved by vote of the student body. The senate is comprised of 12 students, a president and eleven senators. Student elections are held in the fall and spring semesters. The senate has open meetings and all students are invited to attend. Students are encouraged to share their ideas, problems and suggestions by using senate mailboxes in the Student Life Office, STC 126.

Student Trustee

A student member is elected to the Waubonsee Board of Trustees during the spring student government election and serves a one-year term. The Student Trustee attends all board meetings to represent the interests of Waubonsee students. The Student Trustee has a mailbox in STC 126 and can be contacted through the Student Life Office.

Psychedelic Club

The goal of this organization will be the affirmation that an interest in psychedelia is natural and healthy. The altering of one's own consciousness has been a part of human life for thousands of years. We must also face that substance abuse, suicide, and numerous other traumas have been serious plague on our mental and physical health. Deaths of despair are exploding; the average life expectancy of an American citizen has gone down[1] for the first time since the Spanish Flu. This is indicative of an absence of effective treatments, and a call for needed innovation within an outdated landscape of healthcare. As citizens striving towards improvement and progress in all matters. We must reopen the discussion, and examine prohibitive attitudes towards stigmatized psychotropic tools. Thoughtful and purposeful application of those tools to well specified criteria, we contend, will be the next great innovation for giving people access to an ability to help themselves. We have advocacy at the center of our mission. Advocacy requires passionate knowledgeable promotion of our views. It also requires extending the hands of respect out to conversational bystanders, and vehement detractors. In the hopes that our exchange will illuminate and sharpen our understanding of the world and each other.

Acceptance is competitive and space is limited. The program will be offered each semester at a specific day and time to be listed on the website each semester and included in application materials. Day/time may change from semester to semester. The program is free for Waubensee students who are accepted and those who complete the program will receive recognition on their co-curricular transcript.

Academic Advising

Waubonsee's academic advising program provides opportunities for students, instructors and counselors to review academic progress. Pre-Registration Review (PRR), and a variety of academic support services are available. See also "Counseling, Advising and Transfer Center."

New students who have never attended Waubonsee or other college/universities before should start with Admissions. Admissions helps students through the getting started process, including completion of the New Student Application, Course Placement, Pre-Registration Review (PRR) and first semester advising and registration. The Counseling, Advising and Transfer Center can also assist new students.

Specific phases of the academic advising process include the following:

1. **Course Placement:** Students will be placed into the right English and math courses based on their high school GPA; ACT/SAT/GED® or HiSet scores; placement testing results; previous coursework (including transitional high school courses); or other measures. (Note: Some other classes may require placement testing to meet prerequisite requirements. Students may also be placed into Waubonsee courses based on their placement testing done at another college or university, or prior college coursework. Visit www.waubonsee.edu/placement for specific details.) There is no fee for required testing; however, students must have a picture ID and X-number handy when they come for assessment. See also “Learning Assessment and Testing Services.”
2. **Pre-Registration Review (PRR):** New credit students must complete and new part-time students are strongly encouraged to complete an Pre-Registration Review (PRR) tutorial before registering for courses. The tutorial explains Waubonsee’s degree and certificate programs and teaches students how to use the college catalog, credit schedule and test scores to select courses. Students then register and pay for their first semester of courses online.

Students can access Pre-Registration Review through the mywcc portal at mywcc.waubonsee.edu. An X-number is needed to log in.

3. **Continued Counseling:** All currently enrolled students are encouraged to meet regularly with a counselor to discuss career plans and academic goals. Students changing a schedule, withdrawing from or adding a class, changing student status, or experiencing academic difficulties are especially encouraged to check with a counselor.

Whether students are following a carefully prescribed curriculum toward a certificate or Associate in Applied Science degree, or are intending to transfer to a four-year institution, they should see a counselor before registering for classes each semester. Counselors can be especially helpful in ensuring that courses taken at Waubonsee will transfer into the desired program at the four-year institution.

Academic Alert System

1. **Early Alert:** Waubonsee’s Early Alert has been developed with the goal of increasing student success. Under this program, instructors are asked to identify students who exhibit academic difficulties that may prevent them from completing a course successfully. Areas of difficulty can include attendance, English proficiency, academic preparation/prerequisites, class participation, test/quiz scores,

completion of class assignments, clinical/lab assignments and appropriate classroom behavior.

Students identified with academic difficulties are encouraged to meet their instructor and make an appointment with a counselor to address the areas of concern and develop a strategy for success.

2. **Academic Probation:** All students who earn a cumulative grade point average below 2.0 are automatically placed on academic probation. See "Probation, Academic."
3. **Program Review:** Effective fall 2020, all first-semester degree seeking students are required to meet with their Academic and Career Advisor to develop their academic plan, review career and transfer options and college success resources. Students who started at Waubonsee before fall 2020 are required to meet with their advisor for program review (upon cumulative enrollment in 24-38 semester hours) to review their progress (upon email and postal notification.) First Semester Academic Planning and Program Review is required before students are permitted to register for the next semester.

Academic Computing

The Henning Academic Computing Center on the Sugar Grove Campus provides students and area residents with opportunities to use computers and numerous types of software. All currently enrolled students can access the open lab. Community residents may use the lab at Henning and at Aurora Downtown Campus by registering for a monthly user fee. Instructional computer labs are also available at the Aurora Downtown Campus. At the Aurora Fox Valley and

Plano Campuses, students may use the computers in the library and instructional computers when classes are not in session. See also "Email"; "Logins"; "mywcc"; and "Network User Rules."

Adding, Dropping or Withdrawing from Classes

Once students have completed the initial registration process, they can make adjustments to their schedules. Check the deadline dates on the Registration, Refund and Withdrawal Dates chart on the website and in the credit schedule. Students are responsible for dropping or withdrawing from a course by the deadline dates. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a grade of W will be recorded on the academic transcript. Be sure to speak with an advisor/counselor before changing your schedule. Schedule changes may impact financial aid eligibility. Please see the "Withdrawals" section.

Admissions

The Admissions Department assists prospective and current students. Admissions Advisors provide information on the getting started process, available academic programs and services, and facilitate the New Student Orientation program. In addition, they provide first semester academic advising to new students. The staff also provides a number of outreach services within the community in order to educate community members about the college. The Student Ambassadors also report to this department. Admissions oversees the selection and on-boarding processes for the Gustafson Scholarship Program. Once Gustafson Scholars become students, they report to the Student Life Office.

Assemblies

Student assemblies are governed by procedures described in “Rules and Regulations.”

Attendance

Class attendance has a direct effect on successful course completion. If students do not attend at least one class meeting before the refund deadline (as indicated on the Registration, Refund and Withdrawal Dates chart on the website), they may be withdrawn from the course with no refund. Students may be administratively withdrawn at any time if they are not actively attending and pursuing course objectives. See “Withdrawals” for more information.

In case of illness or other mitigating circumstances, students should contact instructors. Accommodations such as make-up work may be arranged at the instructor's discretion. Compliance-related recommendations (Title IX or ADA, for example) may also affect class attendance accommodations. See also "Withdrawal" further on in this section and www.waubonsee.edu/legal for more information.

Non-Attendance Due to Military Service

In accordance with Illinois Statute (330 ILCS 60/5.2), a service member enrolled in courses and unable, because of his or her military service, to attend classes on a particular day or days has the right to be excused and to reschedule a course examination administered on the missed day or days. The student and instructor are to determine if the student will be able to successfully complete the course due to missed classes or if the student needs to withdraw due to military service. A copy of military leave orders must be presented to each instructor prior to the student's absence(s). Successful completion of the course(s) remains the sole responsibility of the student. For additional information please visit www.waubonsee.edu/veterans.

If a student's military service requires them to take a leave of absence (more than 30 consecutive days of active duty), the student should withdraw due to active military service. In accordance with the Higher Education Act 2008; Public Law (110-315), the service member is entitled to be re-admitted in the next class or classes in their program after giving notice to re-enroll.

Auditing

Auditing a class involves enrolling and acting as a full participant in it, but not receiving credit for it. Performance and skill courses cannot be audited. Students registering for the class for credit have first priority. Auditing students pay full tuition and fees, and they must meet the course prerequisites. Audit registration status may not be changed after mid semester of the course. Once the course has started, auditing students cannot change to credit status. High school students are not eligible to audit courses.

Grades

Students receive grades for every credit course they enroll in at Waubonsee. Grades can be accessed through the mywcc Web portal at mywcc.waubonsee.edu. Waubonsee has policies regarding academic probation, grade changes, grade appeal and grade forgiveness. Students with high ability can qualify for honors programs, the Dean's List, the President's List, membership in honor societies and graduation academic honors.

Incomplete Grades: A grade of I signifies incomplete coursework when assigned at the discretion of the instructor if illness or other unusual circumstances prevent a student from completing course requirements by the end of the term. Students have through the last day of following semester (not including Summer) to complete the course, unless the instructor notes an earlier completion date. This definition does not allow for regular letter grades (A, B, C, D or F) to be changed to an I or a W grade after final grades are assigned. Special exceptions may be presented to the Vice President of Educational Affairs for consideration.

Grades in Repeated Courses: If a regular semester credit course is repeated, only the higher grade is used to calculate the grade point average. However, certain courses are designed to be repeatable, such as applied music, physical education and developmental courses. All grades in these repeatable courses are used to calculate the GPA unless a student fills out a "Repeatable Course Grade Change Request Form." Filling out the form ensures that only the higher grade(s) will be calculated in the GPA.

Grade Change Process: Requests for a change in a final grade must be submitted to the instructor within one calendar year of the date the final grade was officially due to Registration and Records. Contact the Registration and Records office for the appropriate grade due date. No grade change may be processed after one calendar year. Regular letter grades (A, B, C, D, or F) cannot be changed to an I or a W grade after final grades are assigned. An I grade can only be changed to an A, B, C, D or F grades. Special exceptions may be presented to the Vice President of Educational Affairs for consideration.

Grade Appeal Procedures: Students must discuss their final grade concerns with their course instructor prior to initiating the formal appeal process described here.

Step 1: If, after discussion with the course instructor, a student is not satisfied with the results of his/her final grade concerns, the student should then send a written appeal of his/her grade to the Dean who oversees that area within one calendar year (from date grades were officially due to the Registrar). The Dean investigates the student's

concerns and attempts to facilitate a resolution. Within 30 college days (Monday to Friday by 4:30 p.m. or close of business day), the Dean prepares a written determination addressing the student's concerns and sends it to the student's Waubonsee email address and via United States Postal Service to the address on file with a copy to the appropriate instructor.

Step 2: Upon receipt of the determination from the Dean described in Step 1, the student has the right to present a written appeal of such determination, postmarked or email time stamped within 10 college days (Monday to Friday by 4:30 or close of business day), to the instructional Assistant Vice President. Grade Appeals that are denied because they fall outside of the postmark or email time stamp will not be considered for the next step of the Grade Appeal Procedure.

The Assistant Vice President investigates the student's grade concerns and attempts to facilitate a resolution. Within 30 college days (Monday to Friday by 4:30 or close of business day) of the receipt of the appeal, the Assistant Vice President sends a written determination to the student's Waubonsee email address and via United States Postal Service to the address on file with a copy to the appropriate instructor.

Step 3: Upon receipt of the determination, the student may file a written appeal, postmarked or email time stamped within 10 college days (Monday to Friday by 4:30 or close of business day), to the Vice President of Student Development, requesting that the matter be considered by the Academic Review Board. Grade Appeals that are denied because they fall outside of the postmark or email time stamp will not be considered for the next step of the Grade Appeal Procedure. Within 45 college days (Monday to Friday by 4:30 or close of business day) after receipt of the appeal, the Academic Review Board convenes to consider the matter. At that time, the student, Assistant Vice President and administrators have the opportunity to present oral and/or written statements in support of their position.

Step 4: Within 30 college days (Monday to Friday by 4:30 or close of business day) after the conclusion of the Academic Review Board's consideration, the board makes a final determination based on the facts and the evidence of the case. The Vice President of Student Development transmits the decision to the student and the instructor.

Step 5: Upon receipt of the Academic Review Board's determination, the student may, if postmarked or email time stamped within 10 college days (Monday to Friday by 4:30 or close of business day), submit a written appeal to the Vice President of Educational Affairs for procedural review to ensure that the grade appeal process was conducted in accordance with established procedures.

Step 6: Within 30 college days (Monday to Friday by 4:30 or close of

business day), the Vice President shall complete his/her procedural review and send a final written report to the student and instructor indicating the final disposition of the matter.

Grade Forgiveness: This procedure provides the student with a second chance. A student may apply for forgiveness of grades of D or F earned in courses taken previously at Waubonsee. To be eligible to apply for grade forgiveness, a student must meet the following two conditions:

- cannot have attended Waubonsee Community College or any other post-secondary school for a consecutive period of at least 18 calendar months between the dates of enrollment at Waubonsee, and
- must have completed a minimum of 15 semester hours with a grade point average of 2.0 or better at Waubonsee Community College since the re-enrollment after the 18-month out-of-school period.

Courses approved for grade forgiveness are listed with a special notation (G) on the student's transcript and are not included in the calculation of the student's GPA. More information is available on mywcc or from the office of the Vice President of Student Development.

Grade Point Average

Final grades and the academic transcript are accessible via mywcc, and each will indicate the student's current grade point average (GPA). The grade point average is an important indicator of progress toward academic and career goals, and can be calculated at any time.

To calculate a GPA, a student needs:

- a list of all courses taken
- the number of credit hours for each course
- the grade received for each course
- the grade point level chart

Grade Point Level Chart: Grade points at Waubonsee are assigned on the following scale:

Grade	Significance	Grade-Point Level
A	superior	4.0
B	good	3.0
C	average	2.0
D	poor	1.0
F	failure	0

Grades not figured into grade point average:

WU, WC, W	withdrew
I	incomplete
E	credit by proficiency
Z	audit
Y	successful completion of a continuing education course
N	unsuccessful completion of a continuing education course
MG	missing grade
NC	noncredit course
(H)	honors course notation
(G)	grade forgiveness
(T)	transfer course

Note: Repeated courses are marked with a notation.

Here are the steps to calculate a grade point average: (Students may do this for a semester, a year or cumulative to-date.)

1. List each course, semester hours and grade point level.
2. Multiply the semester hours by the grade point level to get the grade points achieved for each course.
3. Add the column of semester hours to get total semester hours.
4. Add the column of grade points to get total grade points.
5. Divide total grade points by total semester hours to get GPA.

Figuring Your Grade Point Average: An Example			
Course	Sem. Hrs.	GP Level	Grade Points
COM 100	3	4.0 (A)	12 (3 x 4)
PSY 100	3	2.0 (C)	6 (3 x 2)
BIO 120	4	2.0 (C)	8 (4 x 2)
MTH 107	3	3.0 (B)	9 (3 x 3)
Totals	13		35
Grade points ÷ semester hours = GPA			35 ÷ 13 = 2.69

President's List

Students who achieve a 4.0 semester grade point average while enrolled in six or more regular semester credit hours are honored by placement on the President's List (fall, spring and summer semesters). See also "Grades."

Probation, Academic

All students who earn a cumulative grade point average below 2.0 are automatically placed on academic probation. Students remain on probation until their cumulative grade point average is equal to 2.0 or higher. There are three progressive stages of academic probation: (1) academic caution, (2) academic warning and (3) academic restriction. A registration hold is placed at each stage until the student completes the prescribed intervention. Students avoid progressing to the next stage of academic probation if they earn a semester GPA of 2.0 or above. See the Student Success portlet in mywcc for details.

Contact: *Academic Intervention Advisor,
Student Center, Room 280, ext. 6669*

Probation, Financial Aid

For the purpose of maintaining financial aid eligibility, a student is evaluated for academic progress following each regular semester attended. Academic progress is based on the completion rate, grade point average and time frame requirements outlined in the financial aid policy. If the GPA requirement is not met for two semesters the student will go to a Fail Status and will lose eligibility. If the student attempts 12 or more credits and earns 0 credits in any semester and the completion requirement is not met for two semesters the student will go to a fail status and will lose eligibility. If the student submits an appeal that is approved, he/she will be placed on probation.

Refunds and Student Account Appeals

Tuition refunds are issued based upon the official date of a course drop or withdrawal. When a student drops a course, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. When a student withdraws from a course, tuition and fees are not refunded to the student account and a grade of W will be recorded on the academic transcript. Students should review the Registration, Refund and Withdrawal dates, which are located on the Waubonsee website, the Student Handbook and in each semester schedule.

Drops and withdrawals made online are effective when the transaction is complete. Drops and withdrawals submitted by mail or fax are effective according to the postmark date of the mailed Change of Enrollment form or the fax date and time. Full refund of tuition and fees are granted if the college cancels a course.

Students can have refunds directly deposited into a checking or savings account by signing up for eRefunds. Access the Student Account Suite through mywcc to register.

A student account appeal process is available if disputing charges. Appeals must be based on circumstances that prevented course attendance. The Student Account Appeal Form is available at mywcc.waubonsee.edu.

The college reserves the right to make the final decision on all refunds. If you have question in regards to refund policies, please contact the Student Accounts and Cashier Office.

Transfer Degree Curriculum

The Associate in Arts (AA), Associate in Science (AS), Associate in Engineering Science (AES), and Associate in Fine Arts (AFA) degrees are intended for students planning to transfer to a four-year college or university for a baccalaureate degree.

These associate degrees are designed to transfer to a four-year institution. However, since requirements can vary from one university to another, it is recommended that all students create an educational plan with a Waubonsee counselor or advisor. Courses taken at other colleges and/or universities are evaluated upon request. See “Transferring Credit to Waubonsee” in the next section.

The courses students take at Waubonsee Community College are those normally taken during the first two years of the baccalaureate degree. Students can complete Waubonsee’s degree requirements and be in a favorable position to transfer to the four-year college or university of their choice. Most universities and senior colleges award junior standing to students with an Associate in Arts, Science, Engineering Science or Fine Arts degree. See waubonsee.edu/transferring for more information.

Transfer Degree Pathways

The transfer degree pathways listed in the catalog illustrate courses a student might take if interested in a particular area of study. The pathways are based on the format used to show degree requirements, and they assist the student in completing the general education requirements of a four-year degree, as well as taking introductory courses in a major field of study. While the pathways are helpful, students should work with a counselor to develop individual plans.

Transfer Agreement

Waubonsee Community College participates in agreements with most state universities in Illinois that state: "A transfer student in good standing who has completed an associate degree based on baccalaureate-oriented sequences from an Illinois community college shall be considered: A) to have attained 'junior' standing; and B) to have met lower division general education requirements of senior institutions." The Transfer Agreement applies to general education requirements, and if, while at Waubonsee, students have not taken lower division courses included in their major field requirements, they will be required to do so by the senior institution.

Transfer Guarantee

The Transfer Guarantee formally assures students that certain courses transfer to in-state colleges and universities. The college backs up the guarantee with a tuition refund if the course does not transfer. Students should be aware that because baccalaureate degree completion requirements change over time, transfer agreements may expire and/or students may be expected to complete additional coursework by the transfer institution. Students should contact an advisor/counselor for determining the transferability of courses to their chosen four-year institution.

To make a claim, students must notify Waubonsee's Vice President of Educational Affairs, in writing, within 60 days of learning that course credit has been declined or refused by the receiving university. The letter should state the reasons, if any, given for the action and the name, position, address and telephone number of the person who processed the application for credit transfer or acceptance. Copies of any correspondence, transfer evaluation or other documentation provided to or received from the transfer institution regarding the student's transfer application must accompany the notice.

Waubonsee Community College agrees to reimburse students the tuition for any course listed on the application if the receiving public Illinois university declines to transfer or accept the course credit for some purpose under these terms:

1. Students take and successfully complete the course(s) during the term stated;
2. Students earn at least a grade of C for the course(s);
3. Students are accepted by and actually transfer to the receiving university within three years from the date this guarantee is issued;
4. Students promptly apply to have the course credit transferred to and accepted by the receiving university upon transfer;

5. Students make a claim under this guarantee as provided above within four years from the date this guarantee is issued;
6. Students cooperate fully with Waubonsee Community College in its efforts to have the credit transferred or accepted by the receiving university, including giving any necessary consents or releases regarding student records; and,
7. After the claim is received, Waubonsee Community College has 120 days to attempt to have the receiving university reverse its earlier decision to deny course credit.

Illinois Articulation Initiative

Waubonsee Community College participates in the Illinois Articulation Initiative (IAI), a major, statewide, cooperative agreement among participating Illinois colleges and universities to facilitate successful transfer of course credits from one participating institution to another, effective beginning summer 1998. The IAI defines a general education core curriculum, and Waubonsee's transfer curriculum for the Associate in Arts (AA) and Associate in Science (AS) degrees conforms to it. Students who follow the prescribed curriculum can be assured that the credits satisfy general education requirements at participating Illinois colleges and universities.

Since individual colleges and universities determine which course credits earned prior to summer 1998 will transfer, students should contact the Counseling, Advising and Transfer Center at Waubonsee to discuss their particular circumstances.

Waubonsee does not guarantee that the letter grade earned in the Waubonsee course will be considered by the receiving university in determining the student's grade point average, honors, or for other purposes, but only that the receiving university gives course credit for some purpose. The guarantee does not provide for the refund of tuition for any other course(s), any fees or any incidental or consequential expenses or claims whatsoever, but only for refund of tuition for the guaranteed course(s) for which course credit is not given by the receiving university.

Students' rights under the guarantee are personal and may not be assigned or transferred, voluntarily or involuntarily. Further, no refund is required or is made if the scholarship, financial aid program, loan or other source used to pay the tuition prohibits payment or reimbursement of tuition directly to the students.

For further information concerning this program, contact the Vice President of Educational Affairs.

Transferring Credit to Waubonsee

Students looking to transfer in previous college credit follow the same enrollment process, but with a few additional steps:

Submit Official Transcripts

Waubonsee will need official transcripts from all of your previous college(s) and universities. Have them sent to:

***Registration and Records
Waubonsee Community College
Route 47 at Waubonsee Drive
Sugar Grove, IL 60554***

Submit Transcript Evaluation Request Form (TERF)

Once you have an X-number and can log in to mywcc, you should complete and submit the online Transcript Evaluation Request Form (TERF). Once this form has been submitted and your official transcripts received, Registration and Records will begin evaluating your prior coursework and credits. You will receive an email when the evaluation is complete, which can take up to four weeks.

While you wait for your results, you are free to complete any remaining steps to enrollment, including meeting with a counselor or advisor (to get an unofficial transcript evaluation) and registering for courses.

Information and Regulations

Credits to be considered for transfer must have been earned at a post-secondary institution accredited by the Higher Learning Commission or other regionally accrediting agency with an earned grade of "D" or better in the course(s) involved. Credits to be considered for ENG 101 or ENG 102 must have an earned grade of "C" or better if pursuing a transfer degree.

A maximum of 45 credit hours from transfer and/or prior learning assessment can be applied to a degree. For certificate programs, the maximum amount of transfer and/or prior learning assessment credit hours that can be applied is one-half of the required credits. Transfer credit and credit for prior learning assessment do not apply to the College's credit hour residency requirement, nor does it count in the grade point average. Credit will not be granted if a student has previously earned credit for an equivalent course at Waubonsee.

Transcripts from foreign colleges and universities must first be reviewed by a foreign educational credentials services recognized by the National Association of Credential Evaluation Services (NACES).

Withdrawals

Administrative Withdrawal

Waubonsee Community College reserves the right to administratively withdraw those students

- who are not actively attending or pursuing course objectives as established by their instructors,
- who are enrolled in courses not consistent with placement testing and course prerequisites,
- who fail to pay their tuition and fees, or
- who receive sanctions from the Student Conduct Board. Call Dean for Students for more information (see directory).

See also “Code of Student Conduct,” page 141.

Student-Initiated Withdrawal

Students are responsible for dropping or withdrawing from a course by the deadline dates. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a grade of W will be recorded on the academic transcript.

Students should review the Registration, Refund and Withdrawal dates, which are located on the Waubonsee website, the Student Handbook and in each semester schedule. Students who fail to properly drop or withdraw from a course may receive a failing grade of F for the course.

Students should consult with an Academic and Career Advisor before dropping or withdrawing from a class to determine the best course of action for their situation. Students receiving financial aid should also consult with the Financial Aid Office, as drops and withdrawals can impact financial aid eligibility.

Withdrawals and Financial Aid

Federal regulations require students to maintain a minimum completion rate (see Standards of Academic Progress in the catalog) to retain eligibility. Withdrawing from a course(s) or failure to earn credit hours in a course(s) will lower your completion rate. Withdrawing from all courses or failure to successfully complete all course(s) may require you to pay back the financial aid you may have received. Consultation with a counselor is highly recommended before withdrawing.

- ***Withdrawing from some but not all courses.***

If the courses remaining in the student's schedule total less than 6 credit hours, the student is not loan eligible. Student loans require a minimum of 6 credit hours at the time of disbursement.

- ***Withdrawing from all courses.***

This results in a reduction to federal aid eligibility including grants and loans. Federal regulations require that students "earn" their financial aid by attending or participating in class. Waubonsee records attendance at the end of the 100 percent refund period and at mid-term. These attendance records determine the amount of financial aid that has been earned by a student who withdraws from all courses. For example, withdrawing from all courses after mid-term would result the reduction of a \$1,000 Pell Grant or Direct Loan to approximately \$500 (50 percent) because mid-term would have been the last recorded date of attendance. This reduction in financial aid could result in the student owing institutional charges, and if the withdrawal occurred after the financial aid was disbursed, a repayment of all or part of any refund that was based on the original Pell Grant or Direct Loan amounts.

- ***Failure to successfully complete courses.***

Students who do not complete at least one course with a final grade of A,B,C or D are considered unofficial withdrawals. Last dates of attendance are reported by instructors for students whose final grades are Fs or Ws. The last dates of attendance are used to determine the percentage of federal financial aid that has been earned. If the latest date that the student attended is not after the 60 percent point of the term, financial aid will be reduced to equal the percentage earned. For example, if the latest date of attendance reported by an instructor is mid-term, a \$1,000 Pell Grant or Direct Loan would be reduced to approximately \$500 (50 percent). This reduction in financial aid could result in the student owing institutional charges and a repayment of all or part of any refund that was based on the original Pell Grant or Direct Loan amounts.

Withdrawal Due to Active Military Service

In accordance with Illinois Statute (330 ILCS 60/5.2), students who are called to active military service have the right to receive a refund of tuition and fees applicable to their registration, when called to duty for a period of seven or more consecutive days. To initiate the withdrawal process, eligible students should first withdraw from the affected course(s) and complete the Student Account Appeal Form printable from their mywcc portal and attach a copy of their orders. Withdrawn students will receive a notation on their official transcript that reflects that the withdrawal is due to military service. Additional information on the Withdrawal Due to Active Duty Policy can be found on the website at www.waubonsee.edu/veterans. Questions should be directed to the Veterans Services staff.

XCARD

The XCARD features a student's picture, name and X-number, which is printed on the card as well as encoded in the magnetic strip and bar code. The XCARD is a way for students to keep their X-numbers handy and can be used at various campus offices. To get an XCARD, a student should bring his/her X-number and a legal photo ID (e.g. driver's license, state ID, or passport) to the bookstore at either Sugar Grove Campus or Aurora Downtown Campus during regular hours.

The XCARD is not a bank debit/credit card and is not associated with a bank account. However, students are able to load XCASH onto their XCARDS, which can be used at the dining cafés on campus or in some vending machines. To load XCASH onto your card, visit the XCARD website at www.waubonsee.edu/xcard or use the XCARD kiosk located near the dining cafés.

CODE OF STUDENT CONDUCT

Introduction

Waubonsee Community College strives to create a community climate where learning can flourish and all students feel welcome and respected. Toward this aspiration and in accordance with the mission of the College it is an expectation that students, and their guests, will govern themselves in terms of appropriate behavior with an emphasis on self-respect, integrity, and respect for others. Waubonsee Community College prohibits all forms of violence on the campus, including but not limited to, sexual assault, domestic violence, dating violence, stalking, or interpersonal violence (e.g. fights). This Code of Student Conduct outlines the expectations and procedures for redressing conduct of students and student organizations that fail to abide to these standards. It is the practice of Waubonsee to respect the properly exercised rights of its students. The College recognizes a student's rights within the institution to freedom of speech, inquiry and assembly; to the peaceful pursuit of an education; and to the reasonable use of services and facilities of the college.

In essence, the Code of Student Conduct serves as a guide to control actions that go beyond the exercise of such rights, to maintain order on campus, and to guarantee the broadest range of freedom for all who learn at Waubonsee. Specifically, the Code describes what constitutes as misconduct, lists the process and procedures that will be used in response to such misconduct, provides the sanctions that may be imposed, and informs students of the appeal process.

Waubonsee Community College encourages the reporting of sexual misconduct and seeks to remove any barriers to an individual/group making a report. Therefore, an individual who reports sexual misconduct will not be subject to disciplinary action for violations of alcohol or drug use at or near the time of the incident, as long as these violations did not put the health or safety of any other person at risk. Amnesty may not be granted for other violations of college policy other than alcohol and drug use and does not preclude or prevent action by police or other legal authorities.

Each student is responsible for knowledge of and compliance with this Code of Student Conduct, which is available through the Student Life Office (Student Center, Room 126), from the Dean for Students (Student Center, Room 103), or from the Counseling, Advising and Transfer Center (Student Center, Room 262). The Code of Student Conduct can be accessed online via www.waubonsee.edu/student-handbook or may be found in the Student Handbook.

142 Rules and Regulations

The college further recognizes each student's and student organization's right to procedural due process, including notice, an opportunity to respond to the allegations, and an appeal process. Any student cited for violation of the Code of Student Conduct will:

1. Receive written notice of the alleged violation. The notice will include
 - a. the specific code violations; and
 - b. reference to the process and rights of students as indicated in the code.

If the alleged offense is also the subject of a proceeding before the Student Conduct Board, however, the college may advise off-campus authorities of the existence of the code and of how such matters are handled within the college community. The college will cooperate fully with law enforcement and other agencies in the investigation of potential criminal activity on campus or involving students, enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of violators who are also students.

be submitted as soon as possible after the event takes place. Faculty and Staff are encouraged to submit information through the Waubonsee Intervention Forms (WIFs) located at www.waubonsee.edu/report.

2. The Dean for Students may conduct an investigation to determine if the report has merit and the responding party should be charged with a violation. The Dean for Students will then determine if the case can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to parties involved. Such disposition will be final and there will be no subsequent proceedings. If it is determined that the case cannot be disposed of by mutual consent, the case will be heard by the Student Conduct Board.
3. All specific charges will be presented to the responding party in written form by the Dean for Students.
4. Proceedings will be conducted by a Student Conduct Board according to the following guidelines:
 - a. proceedings will be conducted in private unless otherwise mutually agreed to by the responding party and the chairperson of the Student Conduct Board;
 - b. admission of any person to the proceeding will be at the discretion of the Student Conduct Board;
 - c. in proceedings involving more than one responding party, the chairperson of the Student Conduct Board, at his or her discretion, may permit the proceedings concerning each responding party to be conducted separately;
 - d. the reporting party and the responding party have the right to be assisted by one advisor they choose, at their own expense. The advisor may be anyone, such as parent, friend, faculty, or attorney. The student is responsible for presenting his or her own case and, therefore, while an advisor may be present, he/she is not permitted to speak or to participate directly in any proceeding before a Student Conduct Board, nor will he/she be permitted to cross examine witnesses;
 - e. the reporting party, the responding party and the Dean for Students will have the privilege of presenting witnesses;
 - f. pertinent records, exhibits and written statements may be accepted and/or requested by the Student Conduct Board at the discretion of the chairperson;
 - g. all questions are to be directed to and disseminated by the person designated as chair of the Student Conduct Board in his/her sole discretion;

- h. after the proceedings, the Student Conduct Board will collectively determine, using a standard of preponderance of the evidence, whether or not the responding party is found responsible for violating the Code of Student Conduct.
 - (1) If the Student Conduct Board determines that a responding party has violated the Code of Student Conduct, the Student Conduct Board will collectively determine the sanction(s) to be imposed. Following the proceedings, the chair of the Student Conduct Board will forward its written decision to the Dean for Students.
 - (2) The Dean for Students shall render the written decision within ten (10) college days of the proceedings. A decision will be made of any code violation whether the responding party is present or not at the proceedings. The Board, at its sole discretion, may grant a continuance of the proceedings when specifically requested by the responding party.
- 5. No responding party may be found to have violated the Code of Student Conduct solely because the responding party failed to cooperate in the investigation or failed to appear before the Student Conduct Board. However, evidence of the accused student's failure to cooperate in the investigation or failure to appear before the Student Conduct Board may be taken into consideration by the Student Conduct Board, along with other evidence, in reaching a decision concerning the charges. In all cases, the facts in support of the charges will be presented and considered whether or not the accused student is in attendance.
- 6. An responding party against whom disciplinary charges are pending will not be permitted to withdraw from the college with a clear record until such charges have been resolved.
- 7. When a responding party is found not responsible for violating the Code of Student Conduct, a written statement to the responding party will be issued that no violation of a college regulation has been determined.
- 8. All Student Conduct Board decisions are effective upon notification to the student by certified mail, email or hand delivery.
- B. Sanctions

- (2) The petition for reinstatement should list reasons why a former student deserves to be readmitted. These reasons must extend beyond the arguments that the decision of expulsion was inappropriate, unless new information becomes available that exonerates the individual. Reasons for restatement should focus on actions and behaviors of the former student after the expulsion. These reasons should be why the student believes he/she should be given the opportunity to further pursue their education at Waubonsee.
 - (3) Once a petition is received the Dean for Students will form a hearing committee comprised of faculty and staff to review the petition. The Dean for Students will chair hearing committee. The committee may interview the former student and ask for additional information in the evaluation of the petition.

2. The Dean for Students will perform a content review of all decisions involving suspension and expulsion and furnish recommendations as warranted to Vice President of Student Development.
3. Review of the case by the Vice President of Student Development may not result in more severe sanctions for the accused students.

V. Interpretation and Revision

- A. Any question of interpretation regarding the Code of Student Conduct will be referred to the Dean for Students for final determination.
- B. The code will be reviewed periodically and amended as necessary under the direction of the Dean for Students. This Code of Student Conduct was last reviewed 06/03/20.

STUDENT COMPLAINTS

Waubonsee Community College values student feedback and aims to amicably resolve students issues and concerns. Most student complaints can be resolved informally and students are encouraged to start by addressing the issue/concern with the supervisor/manager over the area of concern or with the academic dean/assistant dean over a particular faculty or class. Matters unable to be resolved informally should be reported through a formal complaint.

Filing A Report

Students wishing to submit a formal complaint about a college policy, practice, or personnel issue should use the following report form found at www.waubonsee.edu/report. If the complaint is specific to Title IX (sexual misconduct), Discrimination or Harassment, or a complaint regarding a 504 grievance (disability accommodation) please use the form listed on that same page.

Report Intake

The Assistant Vice President (AVP) of Student Services will register all formal complaints, assess the complaint and identify the appropriate person(s) to assist in resolving the complaint. To file a complaint verbally you can schedule a meeting or phone call with the AVP of Student Services by contacting Dr. Scott Peska, (630) 466-2349, speska@waubonsee.edu.

Only complaints submitted through this process will be registered as formal complaints. All formal complaints will be responded to within 10 college business days. The AVP of Student Services will attempt to resolve the complaint within 30 business days, although some complaints may require more time and the AVP of Student Services will communicate this with the student. The AVP of Student Services will respond in writing (via student email) the decision to resolve the complaint.

Resolution

Some formal complaints may not be resolved to the satisfaction of the student. Students will have the opportunity to appeal the final resolution to the Vice President (VP) of Student Development within 10 days of the final decision being communicated. The VP of Student Development will review all materials and may request additional information from the student before making a final decision. WAUBONSEE COMMUNITY COLLEGE PLAGIARISM STATEMENT

Plagiarism, using your own or another person's published or unpublished work by paraphrase or direct quotation without full and clear acknowledgment, is a serious breach of academic integrity, and is considered a breach of the Code of Student Conduct. The college expects that students will submit their original work, in their own words, representing their own ideas and judgments. Students will appropriately cite and document ideas, words and works used. Penalties for plagiarism will be determined by the instructor, the Dean for Students and/or the Student Conduct Board as the situation warrants.

What is plagiarism?

Plagiarism is more than the theft of mere words: plagiarism involves ideas, theories, insights, work products, projects and images—all collectively termed intellectual property. Authors, scientists, and artists own their intellectual property, so any use of this property without credit is the equivalent of theft. [Refer to Section (I)(B)(1)(b) in Code of Student Conduct.]

Examples of plagiarism include:

- Handing in a paper or assignment (in part or in whole) written by someone else
- Incorporating information from a book or article without documenting the source
- Incorporating information from an electronic source (website, listserv, etc.) without documenting the source
- Submitting a paper, assignment, or project that was purchased and representing it as your own work
- Inaccurate or incomplete documentation of the source of any information

What is not plagiarism?

The learning process often calls upon students to work collaboratively or seek outside assistance—such work does not fall within the bounds of plagiarism.

Examples of work that is **not** plagiarism include:

- Working on a group project
- Seeking assistance from the Writing Assistance Center
- Asking another student to read over your work and offer his or her opinion
- Consulting with an instructor on a paper or assignment

Why is plagiarism such a concern?

Plagiarism runs counter to the entire learning process. When a student takes a shortcut to completing an assignment or hands in someone else's work, he or she has missed the opportunity to learn. This is a rather disingenuous approach to education as well as a breach of academic integrity. Furthermore, students who cheat may find that they have really cheated their own futures, as they may later be called upon to use the very skills and abilities the assignment was designed for them to learn.

Plagiarism is about ownership. Scholars, artists, writers, computer programmers and other professionals make their livings through the articulation of ideas. Through publication they have allowed others access to these ideas but they still own them. Plagiarism robs these individuals not just of their intellectual property but also of their livelihood.

Plagiarism is a form of dishonesty. Students who plagiarize hurt not only themselves but also other students who have done the work honestly. Avoiding the sometimes laborious work of scholarship is not only dishonest, it is also unfair to those who were willing to put in the time and effort necessary.

How can students avoid plagiarism?

There are several ways students can avoid plagiarism.

As you prepare a paper or assignment:

1. Keep careful records of the sources you consult. If you record this information as you work, you will avoid needless searching later on.
2. Familiarize yourself with the instructor's preferred citation and documentation style (MLA, APA, CMS, etc.). If you need additional assistance, Waubonsee offers workshops on research writing and the services of professional tutors in the Tutoring Centers.
3. Learn what falls within the limits of common knowledge. What is considered common knowledge may differ by discipline, but it generally consists of facts and information that are readily available to the public through a variety of sources.
4. When in doubt, cite it! If you are not sure whether or not the information would be considered public knowledge either ask your instructor or cite it to be on the safe side.
5. Place quotes around words that are not your own. Even if you've documented the source at the end of the paper or assignment, you are not done yet. Quotation marks indicate that you are using someone else's language.

6. Be careful when you paraphrase information. Paraphrasing refers to including someone else's information in your own words. Learn what makes for an appropriate paraphrase and remember to cite—even though you may have changed the language, the author still owns the ideas behind the language.

Before you hand in a paper or assignment:

1. Keep copies of drafts, outlines, and any other planning documents you used in preparing course assignments. If any questions arise, you will then have evidence you've done your own work.
2. Double-check your documentation and citation format for accuracy. Read through the paper or assignment asking yourself: Did I know this before I began my research? Would I have expressed this the same way had I not been exposed to the same sources? Is every quote followed by the source? Are paraphrases accurate? Are paraphrases representative of my own language use?

After you hand in a paper or assignment:

1. Keep a dated copy for yourself. In case questions arise, you will have a record of the completed version.
2. Do not allow others to hand in your work as their own. Allowing others to misrepresent your work is also plagiarism and truly undermines the hard work you have put into the learning process.
3. Do not submit the same assignment for another class or recycle the research without first consulting with the instructor.

What are the consequences for plagiarizing?

If a faculty finds that you have cheated or plagiarized, faculty may give a zero grade for the assignment, fail you from the course, and report the Academic Misconduct to the Dean for Students for further disciplinary action.

Integrity Statement for Waubonsee Community College

Waubonsee Community College believes that all members of the community (students, faculty, staff, and administrators) have a responsibility to participate in learning with honesty, respect, and integrity. We must commit to engage in learning both in and out of the classroom, value each member in our learning community, demonstrate original thought, and help foster ethical, open, safe learning environments for all.

HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT POLICY

Complaint Procedures

General Objective

All college employees and board members are responsible to address and report any knowledge of harassment, discrimination or sexual misconduct. Employees and board members who have been put on notice of potential harassment, discrimination or sexual misconduct should report such conduct to the Title IX Coordinator, Michele Needham (Building A Room 115, 630-466-2367, mneedham@waubonsee.edu) or the Title IX Deputy Coordinator, Dr. Melinda Tejada (Student Center Room 137, 630-466-2590, mtejada@waubonsee.edu).

A. Reports of sexual misconduct may also be reported to the Campus Police Department (Dickson Center Room 165, 630-466-2552). Reports of sexual misconduct may be reported to confidential advisors at Mutual Ground of Aurora, Emergency Response Coordinator, Jennaleigh Turner (418 Oak Avenue, Aurora, Illinois 60506; 630-897-0084, extension 162). Emergency and ongoing support for survivors of sexual violence is available through Mutual Ground of Aurora's Sexual Assault Hotline (630-897-8383) and/or Domestic Violence Hotline (630-897-0080).

Additional avenues of reporting are identified in Section V.D. of these Complaint Procedures.

B. Any supervisor, manager or administrator who becomes aware of potential violations of Board Policy 3.170.01, Harassment, Discrimination and Sexual Misconduct, in the context of his/her role, is required to immediately contact the Title IX Coordinator. These provisions apply whether the harassment, discrimination or sexual misconduct has taken place in another department or by an individual who is not a college student or employee.

Process for Addressing Complaints of Harassment, Discrimination, Sexual Misconduct

A. Waubonsee Community College has adopted the following definition as a guide to consent:

Consent is defined as a freely given agreement to sexual penetration or sexual conduct in question. Lack of verbal or physical resistance or submission resulting from the use of force or threat of force shall not constitute consent. Consent to past sexual activity does not constitute consent to future sexual activity and consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity

with another person. A person's manner of dress does not constitute consent. Consent can be revoked or withdrawn at any time. Consent to sexual activity cannot be made or assumed if the person is unable to understand the nature of the activity or give knowing consent due to circumstances including, but not limited to, the following:

- The person is incapacitated due to the use or influence of alcohol or drugs;
- The person is asleep or unconscious;
- The person is under age; or
- The person is incapacitated due to a mental disability.

B. Waubensee Community College will act on any formal or informal complaint or notice of violation of the policy on harassment, discrimination or sexual misconduct that is received by the Title IX Coordinator, Michele Needham, the Title IX Deputy Coordinator, Dr. Melinda Tejada, a member of the Hearing Committee or a member of the administration.

The procedures described below will apply to all reports involving board members, employees and students. Redress and requests for corrective actions for reports brought against non-members of the campus community are also covered by these procedures.

Hearing Committee Process for Resolving Complaints of Harassment, Discrimination, Sexual Misconduct

1. HEARING COMMITTEE

The President, in consultation with the Title IX Coordinator, appoints the Hearing Committee, which reports to the Title IX Coordinator. Members of the Hearing Committee are announced in an annual notification of this Policy and procedures to the campus community. Members of the Hearing Committee are trained in all aspects of the complaint procedures and can serve in any of the following roles at the direction of the Title IX Coordinator:

- To provide sensitive intake and process guidance of complaints.
- To serve in a mediation role in conflict resolution.
- To investigate complaints.
- To act as advisors to those involved in complaints.
- To serve on hearing panels for complaints.
- To serve on appeal panels for complaints.

Hearing Committee members also recommend proactive policies and serve in an educational role for the campus community. Hearing

Committee members receive annual training organized by the Title IX Coordinator and/or Deputy Coordinator, including a review of Waubonsee Community College policies and procedures, so that they are able to provide accurate information to members of the campus community. All Hearing Committee members are required to attend this annual training.

The Hearing Committee includes:

- Two Co-chairs: one representative from HR and one from Student Development
- One Administrative Hearing Officer who is an ex officio member and serves as Chair of the Hearing Panel for student parties
- At least three members of the faculty
- At least three members of the administration
- At least three members of the staff
- At least one representative from Emergency Management and Safety

In the event of a conflict or vacancy on the Hearing Committee, the President, in consultation with the Title IX Coordinator, will appoint an alternate designee.

2. FILING A REPORT

Any board member, employee, student, guest or visitor who believes that the Policy has been violated should contact the Title IX Coordinator, Deputy Coordinator or a member of the Hearing Committee. It is also possible for employees to notify a supervisor, or for students to notify an administrator or faculty member, or any member of the campus community to contact Campus Police. These individuals will in turn notify the Title IX Coordinator. The College website also includes a reporting form at www.waubonsee.edu/ReportingForm, which may serve to initiate a report.

All employees receiving reports of a potential violation of the Policy are expected to promptly contact the Title IX Coordinator within 24 hours of becoming aware of a report or incident. All initial contacts will be treated with the maximum possible privacy: specific information on any complaints received by any party will be reported to the Title IX Coordinator, but, subject to the College's obligation to redress violations, every effort will be made to maintain the privacy of those initiating a report of a complaint. In all cases, Waubonsee Community College will give consideration to the reporting party with respect to how the report is pursued, but reserves the right when necessary to protect the campus community and to investigate and pursue a resolution when a reporting party chooses not to initiate or participate in a formal investigation.

3. REPORT INTAKE

Following receipt of notice or a report, the Title IX Coordinator or designee will inform the reporting party of his/her right to an advisor of his/her choice, who may be present at all meetings.

The Title IX Coordinator or designee will make an initial determination whether a policy violation may have occurred and/or whether conflict resolution may be appropriate. The report does not proceed to investigation if the reported incident does not appear to violate the policy or if conflict resolution is desired by the reporting party and appears appropriate given the nature of the alleged behavior. A full investigation will be pursued if there is an alleged policy violation or if there is evidence of a pattern of misconduct or a perceived threat of further harm to the campus community or any of its members.

4. INVESTIGATION

If a reporting party wishes to pursue a formal report or if the College, based on the alleged policy violation, wishes to pursue a formal investigation, then the Title IX Coordinator or designee appoints Hearing Committee members to conduct the investigation. The Title IX Coordinator or designee reserves the right to appoint an external party or agency to conduct the investigation, in consultation with the President. Investigation of reports brought directly by those alleging harm will be completed expeditiously. Investigation may take longer when initial reports fail to provide direct first-hand information. The College may undertake a short delay to allow evidence collection when criminal charges on the basis of the same behaviors that invoke this process are being investigated. College action will not be altered or precluded on the grounds that civil or criminal charges involving the same incident have been filed or that charges have been dismissed or reduced. All investigations will be thorough, reliable and impartial and will entail interviews with all relevant parties and witnesses, obtaining available evidence and identifying sources of expert information, if necessary. The College aims to complete all investigations within a 60 business day time period, which can be extended as necessary for appropriate cause by the Title IX Coordinator or designee with notice to the parties.

5. INTERIM REMEDIES

If, in the judgment of the Title IX Coordinator or designee, the safety or well-being of any member(s) of the campus community may be jeopardized by the on-campus presence of the responding party or the ongoing activity of a student organization whose behavior is in question, the Title IX Coordinator or designee may provide interim remedies intended to address the short-term effects of harassment, discrimination, sexual misconduct and/or retaliation, i.e., to redress harm to the reporting party/injured individual and the campus community and to prevent further

violations. These remedies may include referral to counseling or to the Employee Assistance Program/Student Talk Line, education to the campus community, altering the class schedule of a student responding party (or the student reporting party, if desired), altering work arrangements for employees, providing campus escorts, implementing contact limitations between the parties, offering adjustments to academic deadlines, course schedules, etc.

The College may do an interim suspension on a student, employee or organization pending the completion of a Hearing Committee investigation. In all cases in which an interim suspension is imposed, the student, employee or organization will be given the opportunity to meet with the Title IX Coordinator or designee prior to such suspension being imposed, or as soon thereafter as reasonably possible, to show cause why the suspension should not be implemented. The Title IX Coordinator or designee has sole discretion to implement or stay an interim suspension under the Policy, and to determine its conditions and duration. Violation of an interim suspension under this Policy will be grounds for expulsion or termination.

During an interim suspension, a student or employee may be denied access to Waubonsee Community College campus, facilities and/or events. As determined by the Title IX Coordinator or designee, this restriction includes classes and/or all other Waubonsee Community College activities or privileges for which the student or employee might otherwise be eligible. At the discretion of the Title IX Coordinator or designee, alternative coursework options may be pursued to ensure as minimal an impact as possible on the student responding party.

6. RESOLUTION

During or upon the completion of investigation, the investigator(s) will meet with the Title IX Coordinator or designee. Based on that meeting, the Title IX Coordinator or designee will make a decision on whether there is reasonable cause to proceed with the investigation. If the Title IX Coordinator or designee decides that no policy violation has occurred or that the preponderance of evidence (i.e., whether it is more likely than not that the responding party committed each alleged violation) does not support a finding of a policy violation, then the process will end unless the reporting party requests that the Title IX Coordinator or designee makes an extraordinary determination to re-open the investigation or to forward the matter for a hearing. This decision lies in the sole discretion of the Title IX Coordinator or designee. If there is reasonable cause, the Title IX Coordinator or designee will direct the investigation to continue, or if there is a preponderance of evidence of a violation, then the Title IX Coordinator or designee may recommend conflict resolution, a resolution without a hearing or a formal hearing, based on the following criteria:

a. Conflict Resolution

Conflict resolution is often used for less serious, yet inappropriate, behaviors and is encouraged as an alternative to the formal hearing process to resolve conflicts. The Title IX Coordinator or designee will determine if conflict resolution is appropriate based on the willingness of the parties and the nature of the conduct at issue. In a conflict resolution meeting, a Hearing Committee member will facilitate a dialogue with the parties to an effective resolution, if possible. Sanctions are not possible as the result of a conflict resolution process, though the parties may agree to appropriate remedies. The Title IX Coordinator or designee will keep records of any resolution that is reached and failure to abide by the resolution can result in appropriate corrective actions.

Conflict resolution will not be the primary resolution mechanism used to address complaints of sexual misconduct or violent behavior of any kind or in other cases of serious violations of policy, though it may be made available after the formal process is completed should the parties and the Title IX Coordinator or designee believe that it could be beneficial. It is not necessary to pursue conflict resolution first in order to make a formal Hearing Committee report and anyone participating in conflict resolution can stop that process at any time and request a formal hearing, if deemed necessary.

b. Resolution Without a Hearing

Resolution without a hearing can be pursued for any behavior that falls within the Policy at any time during the process. The Title IX Coordinator or designee will provide written notification of a report to any member of the Waubonsee Community College community who is accused of an offense of harassment, discrimination, sexual misconduct or retaliation. The responding party may choose to admit responsibility for all or part of the alleged policy violation(s) at any point in the process. If such admission is made, the Title IX Coordinator or designee will render a finding that the responding party is in violation of Waubonsee Community College policy for the admitted conduct, and will normally proceed to convene a formal hearing on any remaining disputed violation(s). For admitted violations, the appropriate Co-chair of the Hearing Committee will recommend an appropriate sanction or corrective action in consultation with the Title IX Coordinator or designee. If the sanction or corrective action is accepted by both parties, the Title IX Coordinator or designee will implement it and act promptly and effectively to remedy the effects of the admitted conduct upon the injured individual and the campus community. If either party rejects the sanction or corrective action, a hearing will be held on the sanction/corrective action only, according to the following Hearing Committee procedures:

c. Formal Hearing

For any reports that are not appropriate for conflict resolution or which are not resolved through conflict resolution or are without a hearing, the Title IX Coordinator or designee will initiate a formal hearing or for individuals for whom no hearing process is available, will refer his/her findings to an appropriate Title IX designee.

7. FORMAL HEARING COMMITTEE PROCEDURE

a. Hearing Panels

The Title IX Coordinator or designee will appoint a non-voting Hearing Panel Chair and three members of the Hearing Committee to the Hearing Panel, none of whom have been previously involved with the report. Hearing Committee members who served as investigators will be witnesses in the hearing of the report and therefore may not serve as Hearing Panel members.

b. Notification of Charges

At least one week prior to the hearing, or as far in advance as is reasonably possible if an accelerated hearing is scheduled with the consent of the parties, the Hearing Panel Chair will send written notification to the parties with the following information. Once mailed, emailed and/or received in-person, notice will be presumptively delivered. The letter will contain:

- A description of the alleged violation(s), a description of the applicable procedures and a statement of the potential sanctions or corrective actions that could result.
- The time, date and location of the hearing and a reminder that attendance is mandatory, superseding all other campus activities. If any party does not appear at the scheduled hearing, the hearing will be held in their absence. For compelling reasons, the Co-chair may reschedule the hearing.

c. Hearing Procedures

Hearing Panel hearings will be convened, usually within one to two weeks after the completion of the investigation, and will be conducted in private. Hearings for possible violations that occur near or after the end of an academic term will be held immediately after the end of the term or on any work day, Monday through Friday, when the college is open to meet the resolution timeline followed by the College and remain within the 60-day goal for resolution.

The Hearing Panel has the authority to hear all collateral misconduct, meaning that it hears all allegations of harassment, discrimination, sexual misconduct and retaliation, but also may hear any additional alleged policy

violations that have occurred in concert with the discrimination, harassment, sexual misconduct or retaliation, even though those collateral allegations may not specifically fall within Hearing Committee jurisdiction. Accordingly, investigations should be conducted with as wide a scope as necessary.

Participants in the hearing will include the Chair (or Co-Chairs), or in case of student reports the ex officio Chair, the three members of the Hearing Panel, the investigator(s) who conducted the investigation of the report, the reporting party and responding party (or three organizational representatives in a case where an organization is charged), advisors to the parties and any called witnesses. The Chair will exchange the names of witnesses the College intends to call, all pertinent documentary evidence and any written findings from the investigators between the parties at least two business days prior to the hearing. In addition, the parties will be given a list of the names of each of the Hearing Panel members at least two business days in advance of the hearing. Should either (any) party object to any Panel member, he/she must raise all objections, in writing, to the Chair immediately. Panel members will only be unseated if the Chair concludes that their bias precludes an impartial hearing of the report. Additionally, any Panel member or Chair who feels he/she cannot make an objective determination must recuse himself or herself from the proceedings when notified of the identity of the parties and all witnesses in advance of the hearing.

The Chair, in consultation with the parties and investigator(s), may decide in advance of the hearing that certain witnesses do not need to be physically present if their testimony can be adequately summarized by the investigator(s) during the hearing. All parties will have ample opportunity to present facts and arguments in full and question all present witnesses during the hearing, though formal cross-examination is not used between the parties. If alternative questioning mechanisms are desired (screens, Skype, questions directed through the Chair, etc.), the parties should request the alternate mechanism from the Chair at least two business days prior to the hearing.

Once the procedures are explained and the participants are introduced, the investigator(s) will present the report of the investigation first, and be subject to questioning by the parties and the Hearing Panel. The investigator(s) will be present during the entire hearing process, but will only be present during deliberations at the request of the Chair. The findings of the investigation are not binding on the Panel, though any undisputed conclusions of the investigation report will not be revisited, except as necessary to determine sanctions/corrective actions. Once the investigator(s) is/are questioned, the Hearing Panel will permit questioning of and by the parties and of any present witness. Questions may be directed through the Panel at the discretion of the Chair.

Formal rules of evidence will not apply. Any evidence that the Panel believes is relevant and credible may be considered, including history and pattern evidence. The Chair will address any evidentiary concerns prior to and/or during the hearing, may exclude irrelevant or immaterial evidence and may ask the Panel to disregard evidence lacking in credibility. The Chair will determine all questions of procedure and evidence. Anyone appearing at the hearing to provide information will respond to questions on his/her own behalf.

The parties may have the assistance of an advisor at the hearing. Typically advisors are members of the campus community. However, the Title IX Coordinator or designee may grant permission for an outside advisor upon request. The parties to the hearing are expected to ask and respond to questions on their own behalf, without representation by their advisor. The advisor may consult with the advisee quietly or in writing, or outside the hearing during breaks, but may not speak on behalf of the advisee to the panel.

Unless the Chair determines it is appropriate, no one will present information or raise questions concerning: (1) incidents not directly related to the possible violation, unless they show a pattern, or (2) the sexual history of or the character of the reporting or responding party.

There will be no observers in the hearing. The Chair may allow witnesses who have relevant information to appear at a portion of the hearing in order to respond to specific questions from the Panel or the parties involved. The Panel does not hear from character witnesses.

In hearings involving more than one responding party or in which more than one report has accused the same individual of substantially similar conduct, the standard procedure will be to hear the reports jointly. However, the Title IX Coordinator or designee may permit the hearing pertinent to each responding party to be conducted separately. In joint hearings, separate determinations of responsibility will be made for each responding party.

Proceedings are private. All persons present at any time during the hearing are expected to maintain the privacy of the proceedings, subject to Waubonsee Community College consequences for failure to do so. While the contents of the hearing are private, the parties have discretion to share their own experiences if they so choose, and should discuss doing so with their advisors.

Hearings are recorded for purposes of review in the event of an appeal. Hearing Committee members, the parties and/or the persons who initiated the action and appropriate administrator of the College will be allowed to listen to the recording in a location determined by the Title IX Coordinator or designee. No person will be given or be allowed to make a copy of the

recording without permission of the Title IX Coordinator or designee. Persons given access to the recording will be required to sign an agreement confirming that he/she will protect the privacy of the information contained in the recording.

d. Decisions

The Hearing Panel will deliberate in closed session to determine whether the responding party is responsible or not responsible for the violation(s) in question. The Hearing Panel will base its determination on a preponderance of the evidence (i.e., whether it is more likely than not that the accused individual committed each alleged violation). If a responding party or organization is found responsible by a majority of the Panel, the Panel will recommend appropriate sanctions to the Title IX Coordinator or designee.

The Hearing Panel Chair will prepare a written deliberation report and deliver it to the Title IX Coordinator or designee detailing the finding, the rationale cited by the Panel in support of its determination and any information the Hearing Panel excluded from its consideration and why. The report should conclude with any recommended sanctions. This report should not exceed two pages in length and must be submitted to the Title IX Coordinator or designation within two (2) days of the end of deliberations.

The Title IX Coordinator or designee will inform the reporting party and the responding party of the final determination within three (3) business days of the hearing. Notification will be made in writing and may be delivered by one or more of the following methods: in person; mailed to the local or permanent address of the parties as indicated in official Waubensee Community College records; or emailed to the parties' college-issued email account. Once mailed, emailed and/or received in-person, notice will be presumptively delivered.

e. Sanctions

Sanctions or corrective actions will be recommended by the Hearing Panel. Factors considered when determining a sanction or corrective action may include:

- The nature, severity of and circumstances surrounding the violation;
- An individual's disciplinary history;
- Previous reports or allegations involving similar conduct;
- Any other information deemed relevant by the Hearing Panel;
- The need for sanctions/corrective actions to bring an end to the harassment, discrimination, sexual misconduct and/or retaliation;

- The need for sanctions or corrective actions to prevent the future recurrence of harassment, discrimination, sexual misconduct and/or retaliation;
- The need to remedy the effects of the harassment, discrimination, sexual misconduct and/or retaliation on the reporting party and the campus community.

i. Student Sanctions

Corrective actions for a student who has engaged in harassment, discrimination, sexual misconduct and/or retaliation may include, but are not limited to, probation, suspension, expulsion or any other sanction as deemed appropriate by the college. Student sanctions are described in more detail in the Code of Student Conduct found online or in the Student Handbook at www.waubonsee.edu/Student-Handbook.

ii. Employee Sanctions

Corrective actions for an employee who has engaged in harassment, discrimination, sexual misconduct and/or retaliation may include, but are not limited to, disciplinary warning, required counseling or training, demotion, suspension with pay, suspension without pay and termination of employment.

f. Withdrawal or Resignation While Charges Pending

Students: The College does not permit a student to officially withdraw if that student has a charge pending for violation of the Policy. Should a student decide to leave and not participate in the investigation and/or hearing, the process will nonetheless proceed in the student's absence to a reasonable resolution and that student will not be permitted to return to Waubonsee Community College unless all sanctions have been satisfied.

Employees: Should an employee resign while charges are pending, the records of the Title IX Coordinator or designee will reflect that status. The process will nonetheless proceed without the employee's participation to resolution. In the event the employee is found in violation, the Title IX Coordinator or designee will act to promptly and effectively remedy the effects of the conduct upon the injured individual and the campus community.

g. Appeals

An appeal will be limited to procedural review except when substantive evidence is presented or when the determination involves suspension or expulsion. All requests for appeal considerations must be submitted in writing to the Title IX Coordinator or designee within three (3) business days of the delivery of the written finding of the Hearing Committee.

172 Rules and Regulations

The Title IX Coordinator or designee will appoint a three-member Appeals Panel from the Hearing Committee, none of whom have been previously involved with the report or the investigation to consider all appeal requests. Any party may appeal, but appeals are limited to the following:

- If a procedural error or omission occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.).
- To consider new evidence, unknown or unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included.

The Appeals Panel will review the appeal request(s). The original finding and sanction or corrective actions will stand if the appeal is not timely or is not based on the grounds listed above, and such decision is final. When any party requests an appeal, the other party (parties) will be notified and joined in the appeal. The party requesting appeal must show that the grounds for an appeal request have been met and the other party or parties may show the grounds have not been met or that additional grounds are met. The original finding and sanction are presumed to have been decided reasonably and appropriately.

For reports in which the Appeals Panel finds that at least one of the grounds is met, and proceeds, additional principles governing the hearing of appeals include the following:

- Decisions by the Appeals Panel are to be deferential to the original decision, making changes to the finding only when there is clear error and to the sanction/corrective action only if there is a compelling justification to do so. Appeals are not intended to be full re-hearings of the report and investigation. In most cases, appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the grounds for appeal. Appeals granted based on new evidence should normally be remanded to the original Hearing Panel for reconsideration. Other appeals may be remanded to the original Hearing Panel at the discretion of the Title IX Coordinator or designee.
- Sanctions imposed are implemented as soon as practicable unless the Title IX Coordinator or designee stays their implementation in extraordinary circumstances, pending the outcome of the appeal. Sanctions involving termination of an employee are subject to approval by the Board of Trustees.
- The Title IX Coordinator or designee will normally, after conferring with the Appeals Panel, render a written decision on the appeal to all parties within three (3) business days from hearing of the appeal.

- All parties should be informed whether the grounds for an appeal are accepted and the results of the appeal decision.
- Once an appeal is decided, the outcome is final. Further appeals are not permitted.

h. Failure to Complete Sanctions/Comply with Corrective Actions

All parties are expected to comply with sanctions/corrective actions within the time frame specified by the Title IX Coordinator or designee. Failure to follow through on sanctions/corrective actions by the date specified, whether by refusal, neglect or any other reason, may result in additional sanctions/corrective actions, suspension, expulsion and/or termination from the college and may be noted on a student's official transcript or an employee's official personnel file. A student suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator or designee. Sanctions involving suspension or termination of an employee are subject to the provisions of the appropriate college procedure, collective bargaining agreement, approval by the Board of Trustees and/or state and federal law.

i. Records

In implementing this policy, records of all reports, resolutions and hearings will be kept by the Title IX Coordinator or designee indefinitely.

j. Statement of Reporting Party's Rights

- To be treated with respect by Waubonsee Community College officials.
- To take advantage of campus support resources (Waubonsee Community College Counseling Services and other services such as the Student Talk Line for students or Employee Assistant Program for employees).
- To experience a safe educational and work environment.
- To have an advisor during this process.
- To refuse to have an allegation resolved through conflict resolution procedures.
- To receive amnesty for minor student misconduct (such as alcohol or drug violations) that is ancillary to the incident.
- To be free from retaliation.
- To have reports heard in substantial accordance with these procedures.

174 Rules and Regulations

- To full participation of the injured party in any Hearing Committee process whether the injured party is serving as the reporting party or the College is serving as reporting party.
- To be informed in writing of the outcome/resolution of the report, sanctions/corrective actions where permissible and the rationale for the outcome where permissible.
- To be referred to law enforcement and have appropriate assistance.

k. Statement of Responding Party's Rights

- To be treated with respect by Waubensee Community College officials.
- To take advantage of campus support resources (Waubensee Community College Counseling Services and other services such as the Student Talk Line for students or Employee Assistant Program for employees).
- To have an advisor during this process.
- To refuse to have an allegation resolved through conflict resolution procedures.
- To receive amnesty for minor student misconduct (such as alcohol or drug violations) that is ancillary to the incident.
- To be free from retaliation.
- To have reports heard in substantial accordance with these procedures.
- To be informed in writing of the outcome/resolution of the report and the rationale for the outcome.

Implementation of the Complaint Procedures

a. Board Policy 3.170.01

The Complaint Procedures are directly applicable to and are to be administered in accordance with Board Policy 3.170.01: Harassment, Discrimination and Sexual Misconduct, which Policy is incorporated by reference herein, as if set forth in its entirety.

b. Training

In keeping with the General Objective set forth in Section I of these Complaint Procedures, every College employee is required to annually complete online sexual harassment training, which encompasses the objectives set forth in Board Policy 3.170.01 and these related Complaint Procedures.

c. Prohibition of Retaliation

In compliance with Board Policy 3.170.01 and these related Complaint Procedures, as well as federal and state laws, retaliation is prohibited against any individual who, in good faith, reports, files a complaint, testifies in support of a complaint or participates in any way to oppose suspected or alleged unlawful discrimination, harassment or sexual misconduct that is related to the College in any way. Any individual making a good-faith claim or report of alleged unlawful harassment, discrimination or sexual misconduct is protected from retaliation under Board Policy 3.170.01 and these related Complaint Procedures; the Illinois Whistleblower's Act, 740 ILCS 174/1 et seq.; and the Illinois Human Rights Act, 775 ILCS 5/6-101. To reinforce this prohibition, the College has an additional Board Policy, Whistleblower and Fraud Reporting Protection Policy 6.200.05, that provides protection from reprisal to individuals who make a good faith disclosure of suspected wrongful conduct.

d. Additional Avenues of Reporting

Individuals may report or claim alleged unlawful harassment, discrimination or sexual misconduct, pursuant to Board Policy 3.170.01, through the avenues listed below or those identified in Section I.A. of these Complaint Procedures.

- Individuals may report or claim alleged unlawful sexual harassment to the College Ethics Officer, Michele Needham (Building A Room 115, 630-466-2367, mneedham@waubonsee.edu).
- An individual is not required by law to utilize the college's internal complaint process for sexual harassment. Off-campus reporting avenues are also available. Individuals may report or claim alleged unlawful sexual harassment through the Illinois Department of Human Rights, 100 West Randolph Street, Suite 10-100, Chicago, Illinois 60601 (312-814-6200), which investigates charges of sexual harassment and the Illinois Human Rights Commission, 100 West Randolph Street, Suite 5-100, Chicago, Illinois 60601, (312-814-6269), which processes complaints of sexual harassment. The Illinois Department of Human Rights has a Hotline, pursuant to the provisions set forth at 775 ILCS 5/2-107 of the Illinois Human Rights Act, as authorized by Section 25 of Illinois Public Act 100-0554.
- Individuals may also report or claim alleged unlawful sexual harassment through the Office of the Illinois Executive Inspector General (OIEG), 69 West Washington Street, Suite 340, Chicago, Illinois 60602 (312-814-5600), which also has a Hotline that may serve as a resource for initiating a report or complaint of sexual harassment.

e. FALSE CLAIMS

False and frivolous complaints are subject to sanctions. False and frivolous complaints refer to cases in which the accuser is using a harassment, discrimination or sexual misconduct complaint to accomplish some end other than stopping harassment or discrimination. Charges made in good faith, which result in unproven results, do not qualify as false or frivolous. Given the seriousness of the consequences for an individual accused of false or frivolous conduct, a complaining party who makes a false or frivolous complaint will be charged with this offense, which is subject to disciplinary action, in accordance with the sanctions set forth in Section III, 7. E.i. and ii. of these Complaint Procedures.

Compliance with Legal Mandates Requiring Procedural Modifications

a. Revision

These procedures will be updated by the Title IX Coordinator or designee at any time in accordance with federal and state of Illinois law. The Title IX Coordinator or designee may make minor modifications to procedure that do not materially jeopardize the fairness owed to any party. However, the Title IX Coordinator or designee may also vary procedures with notice (on the institutional website with appropriate date of effect identified) upon determining that changes to law or regulation require alterations not reflected in the current procedure. Procedures in effect at the time of its implementation will apply. Policy in effect at the time of the offense will apply even if the Policy is changed subsequently, unless the parties consent to be bound by the current Policy. Any revisions will be noted in the online version of the Policy and procedures will include the date of revision and will highlight the specific revisions for three months following the date of the revision.

Right to Withdraw

A complainant may withdraw a complaint of discrimination or harassment at any time prior to the conclusion of the investigation. A request to withdraw a complaint of discrimination or harassment must be submitted in writing to the Executive Director of Human Resources.

Title IX

Waubonsee Community College adheres to the provisions outlined in Title IX of the 1972 Federal Education Amendment Act prohibiting sex discrimination and sexual harassment in all activities of the college. For more information, see page 140 and www.waubonsee.edu/titleix.

(Board of Trustees Harassment Policy, Adopted April 19, 2000; Revised December 18, 2017)

COMMUNICABLE DISEASES POLICY

It is the policy of Waubonsee Community College to not discriminate, in enrollment or employment, against any individual infected with a communicable disease. The Illinois Department of Public Health and the National Centers for Disease Control and Prevention have specified diseases that are contagious, infectious, communicable and dangerous to the public health. Instances of communicable diseases will be reviewed on a case-by-case basis and reasonable accommodations will be made in compliance with applicable state and federal laws, regulations and rules. The college is committed to protecting the health and general welfare of the students, faculty and staff.

Waubonsee Community College will report to the community on those communicable disease/conditions listed on the nationally notifiable communicable diseases or conditions web page at wwwn.cdc.gov/nndss/conditions/notifiable/2020 that is published annually by the Centers for Disease Control and Prevention (CDC).

Employees and students who are infected with a notifiable communicable disease are to report such information to the appropriate designated college official listed below, so the College may respond promptly and appropriately. Failure by employees or students infected with a notifiable communicable disease to report may result in disciplinary action up to and including dismissal.

Any employee, faculty member, or student who becomes aware of someone (e.g. employee, student) who is infected with a notifiable communicable disease are to immediately inform one of the following designated individuals:

Students:

Scott Peska, Assistant Vice President of Student Services
(630) 466-2363 or speska@waubonsee.edu

Employees:

Michele Needham, Executive Director of Human Resources
(630) 466-2367 or mneedham@waubonsee.edu

Procedures

1. The college will not disclose the identity of any employee or student who has a communicable disease, except as authorized by law or where that individual provides written consent.
2. All confidential medical information about an individual will be handled in compliance with legal requirements and professional ethical standards.
3. The college shall identify sources of competent and confidential testing for communicable diseases as well as counseling services upon request.
4. This policy is subject to applicable college personnel policies and program requirements.

PROCEDURES FOR STUDENT ASSEMBLIES

Student assemblies are an important part of the college experience and can provide an opportunity for students to present issues in a manner appropriate to the traditions of the academic community. To protect the rights and privileges of all students so they may benefit from the educational opportunities offered by the college, the rules and regulations regarding student assemblies are as follow:

1. Student assemblies, rallies or demonstrations to be conducted on the Waubensee campus require an Event Request Form.
2. Submit the Event Request Form to the Student Life Office at least three weeks prior to the date of the requested assembly so college resources can be coordinated.
3. Follow the stated rules that apply to all scheduled use of the college's facilities by recognized organizations and that have been approved by the board of trustees.
 - a. There may be a charge for non-common space usage, set-up and security.
 - b. Must be conducted in an orderly manner.
 - c. There may be no interference with vehicular or pedestrian traffic on any part of the campus.
 - d. There may be no interference with classes, use of educational or recreational facilities or other functions of the college.
 - e. Demonstrations or conduct of groups and individuals that are beyond the traditional conduct commonly expected in the academic community may not be conducted in the college's buildings.
 - f. Any word, spoken or written, must not be of an obscene or vulgar nature.
 - g. Students not responding to officials of the college in the performance of their office are subjected to sanctions pursuant to the Code of Student Conduct.
4. A copy of this procedure is made available to any student requesting assembly privileges.

NETWORK USER RULES

The following Information Technology Acceptable Usage Agreement relates to the utilization of all forms of technology to further the mission of the College: to provide a quality, accessible, educational experience for a broad array of students and community members.

Information Technology is considered an institutional resource. As such, efficient and effective utilization of various forms of technology taking into account the institution's needs balanced with the interests of individual students and community members, faculty and staff is an institutional priority.

Acceptable Usage Agreement

As part of its educational mission, Waubonsee Community College (College or Waubonsee) acquires, develops, and maintains computers, computer systems and networks. These computing resources are intended for college-related purposes, including direct and indirect support of the College's instruction, research and service missions; college administrative functions; student and campus life activities; and the free exchange of ideas within the college community and among the College community and the wider local, national and world communities.

This Agreement applies to all users of College computing resources, whether affiliated with the college or not, and to all uses of those resources, whether on campus or from remote locations. Additional procedures may govern specific computers, computer systems or networks provided or operated by specific departments of the college. Consult the managers of the specific computer, computer system, or network that you are interested in for further information. This Agreement may be modified as deemed appropriate by the College. Users are encouraged to periodically review the agreement as posted on the College's website home page.

Rights and Responsibilities

The rights of academic freedom and freedom of expression apply to the use of college computing resources. So too, however, do the responsibilities and limitations associated with those rights. The College supports a campus and computing environment open to the free expression of ideas, including unpopular points of view. However, the use of college computing resources, like the use of other College-provided resources and activities, is subject to the requirements of legal and ethical behavior. Thus, legitimate use of a computer, computer system or network does not extend to whatever is technically possible.

General Rules

Users of College computing resources must comply with federal and state laws, college rules and policies, and the terms of applicable contracts including software licenses while using college computing resources.

Examples of applicable laws, rules and policies include the laws of libel, privacy, copyright, trademark, obscenity and child pornography; the Illinois Computer Crime Prevention Law, the Electronic Communications Privacy Act and the Computer Fraud and Abuse Act, which prohibit "hacking," "cracking" and similar activities; the college's Student Code of Conduct; the College's Discrimination and Harassment Policy.

Users who engage in electronic communications with persons in other states or countries or on other systems or networks may also be subject to the laws of those jurisdictions and the rules and policies of those other systems and networks. Users with questions as to how the various laws, rules and resolutions may apply to a particular use of College computing resources should contact the Office of the Chief Information Officer for more information.

Users are responsible for ascertaining what authorizations are necessary and for obtaining them before using college computing resources. Users are responsible for any activity originating from their accounts which they can reasonably be expected to control. Accounts and passwords may not, under any circumstances, be used by persons other than those to whom they have been assigned by the account administrator. In cases when unauthorized use of accounts or resources is detected or suspected, the account owner should change the password and report the incident to the Technical Assistance Center (TAC) at tac@waubonsee.edu or (630) 466-4357.

User may not copy, store, or transmit unencrypted confidential and sensitive data on smart phones, floppy disks, CD/DVDs, PDAs, USB flash drives, non-College-owned/-leased computing devices, or other portable storage or computing devices.

Although there is no set bandwidth, disk space, CPU time or other limit applicable to all uses of College computing resources, the College may require users of those resources to limit or refrain from specific uses if, in the opinion of the system administrator, such use interferes with the efficient operations of the system.

Users may not state or imply that they speak on behalf of the College or use College trademarks and logos without authorization to do so. Authorization to use College trademarks and logos on College computing resources may be granted only by the Office of the Executive Director of Marketing and Communications. The use of appropriate disclaimers is encouraged.

Enforcement

Users who violate this Agreement may be denied access to College computing resources and may be subject to other penalties and disciplinary action, including possible expulsion or dismissal. Alleged violations will be handled through the College disciplinary procedures applicable to the user. The College may suspend, block or restrict access to an account, independent of such procedures, when it reasonably appears necessary to do so in order to protect the integrity, security, or functionality of College or other computing resources or to protect the College from liability. The College may also refer suspected violations of applicable law to appropriate law enforcement agencies.

Security and Privacy

The College employs various measures to protect the security of its computing resources and its user's accounts. Users should be aware, however, that the College cannot guarantee security and confidentiality. Users should therefore engage in "safe computing" practices by establishing appropriate access restrictions for their accounts, guarding their passwords and changing them regularly.

Users should also be aware that their uses of College computing resources are not completely private. While the college does not routinely monitor individual usage of its computing resources, the normal operation and maintenance of the College's computing resources require the backup and caching of data and communications, the logging of activity, the monitoring of general usage patterns and other such activities that are necessary for the provision of service. The College may also specifically monitor the activity and accounts of individual users of College computing resources, including individual login sessions and the content of individual communications, without notice, when:

- The user has voluntarily made them accessible to the public, as by posting to Usenet or a Web page;
- It reasonably appears necessary to do so to protect the integrity, security, or functionality of college or other computing resources or to protect the College from liability;
- There is reasonable cause to believe that the user has violated or is violating this policy;

An account appears to be engaged in unusual or unusually excessive activity; or it is otherwise required or permitted by law.

Any such monitoring of communications, other than what is made accessible by the user, required by law, or necessary to respond to

perceived emergency situations, must be authorized in advance by the Executive Director of Human Resources, or Chief Information Officer consultation with the College General Counsel. The college, in its discretion, may disclose the results of any such general or individual monitoring, including the contents and records of individual communications, to appropriate college personnel or law enforcement agencies and may use those results in appropriate college disciplinary proceedings and/ or criminal charges. Communications made by means of college computing resources are also generally subject to the Illinois Freedom of Information Act to the same extent as they would be if made on paper.

Visitors to Waubonsee websites who are not currently Waubonsee students, faculty or staff should refer to the college's Internet Privacy Policy for privacy information.

Email

For purposes of this document, email includes point-to-point messages, postings to newsgroups and listservs and any electronic messaging involving computers and computer networks. Organizational email accounts, including those used by student organizations, are held to the same standards as those for individual use by members of the Waubonsee community. Email is also generally subject to the Illinois Freedom of Information Act to the same extent as it would be on paper.

mymail, powered by Google, is the official email account for students.

Examples of Inappropriate Uses of Email: While not an exhaustive list, the following uses of email by individuals or departments are considered inappropriate and unacceptable at the Waubonsee Community College. In general, email shall not be used for the initiation or re-transmission of:

- Chain mail that misuses or disrupts resources — Email sent repeatedly from user to user, with requests to send to others;
- Harassing or hate-mail — Any threatening or abusive email sent to individuals or organizations that violates college rules and regulations or the Code of Student Conduct;
- Virus hoaxes;
- Spamming or email bombing attacks — Intentional email transmissions that disrupt normal email service;
- Junk mail — Unsolicited email that is not related to college business and is sent without a reasonable expectation that the recipient would welcome receiving it; and
- False identification — Any actions that defraud another or misrepresent or fail to accurately identify the sender.

Web Pages

Official College pages represent the College and are intended for the official business functions of the College. Each official page, including faculty Web pages, must be built using the College's content management system and registered with the College's Marketing and Communications Department.

Personal Web space for employee pages represents the individual in his or her primary role as a Waubonsee employee. Incidental personal information on employee pages is deemed acceptable so long as it does not interfere with the function or desired presentation of the department, cause disruption of normal service, incur significant cost to the college or result in excessive use of resources. Faculty and staff who wish to publish substantial personal information not related to their College functions should use an Internet service provider rather than using college Web resources.

Commercial Pages

Using Waubonsee Web pages for personal gain is forbidden. Any private commercial use of Waubonsee Web pages must be pre-approved pursuant to existing College policies and procedures regarding outside employment activities. All Waubonsee departments that accept payments electronically via the Internet are required to process all sales transactions through the Finance Office approved Web payment gateway.

Waubonsee accepts no responsibility for the content of pages or graphics that are linked from Waubonsee pages. However, Web page authors should consider that such links, even when clearly labeled, can be misinterpreted as being associated with the College. Links to pages where you have a personal monetary interest are likely to violate policies regarding advertising and commercial use and must be avoided.

Excessive or Disruptive Use

Excessive or disruptive use of College resources in the viewing or publishing of Web pages is not permitted. Departments owning or administering the resources involved will determine whether specific usage is considered normal, excessive or disruptive.

Retention Periods

Retention periods must be followed for all official College Web pages as required by the Illinois State Records act. Official college Web pages are treated like email and subject to the same guidelines set forth in the Waubonsee email as Public Records Procedure.

Network Infrastructure/Routing

Users must not attempt to implement their own network infrastructure. This includes, but is not limited to basic network devices such as hubs, switches, routers, network firewalls, and wireless access points. Users must not offer alternate methods of access to Waubonsee IT resources such as modems and virtual private networks (VPNs). Users must not offer network infrastructure services such as DHCP and DNS. Exceptions to this requirement must be coordinated with Office of the Chief Information Officer.

Wireless

For the purposes of this document, we refer only to wireless transmission using radio frequency (RF). Wireless is shared media and easily intercepted by a third party. Wireless users are encouraged to use some type of encryption such as WPA2, EAP-TLS, etc.

Improperly configured wireless access points (WAPs) might cause denial of service to legitimate wireless users. WAPs can also be used to subvert security. Wireless access points must be authorized by Office of the Chief Information Officer.

Virtual Private Network (VPN)

A VPN provides secure encrypted access between a client and the VPN server. They are most commonly used for secure access to a trusted network from remote, untrusted networks.

VPN servers must be authorized by Office of the Chief Information Officer.

TRAFFIC REGULATIONS

The Waubonsee Vehicle Code is available for inspection at Campus Police. All “Rules of the Road” are adhered to on campus and apply to all persons operating a motor vehicle or riding a bicycle.

The following are samples of the offenses reported and prosecuted under the Illinois Vehicle Code.

- Driving while under the influence of intoxicating liquor or drugs.
- Transportation of alcoholic beverages. (Note that college regulations also forbid liquor on campus.)
- Reckless driving.
- Drag racing.

The following actions are prohibited. Violators are issued a citation for either a Parking or Moving violation and ordered to pay the corresponding fine.

- Speeding
 - in excess of 25 miles per hour on access roads
 - in excess of 15 miles per hour in parking areas
 - in excess of safe speed for weather/road conditions

- Failing to obey directives of a campus police officer or police cadet
- The use of bicycles, skateboards, scooters, roller blades/skates, and hoverboards on sidewalks and within all buildings on campus, unless approved in advance as part of a scheduled program, demonstration, or special event.

Campus Citations and Fines

Campus Police issue citations for violations of the college traffic regulations listed in the previous section and for certain other college regulations. Campus Police officers may also issue state traffic citations for serious violations of the Illinois Vehicle Code and make arrests for criminal offenses.

Written appeals to contest a college citation must be made within 14 days of the date of the on a form available at the Campus Police office in Dickson Center, Room 165. If the violator does not appeal the citation within this time frame the right to appeal the citation is waived. State citations are handled in the appropriate traffic court and are not subject to appeal through the College. Students may submit a written appeal to contest a college citation to the Vice President of Student Development in the Student Center, Room 134.

If a college citation is not paid within 28 days from the date of the citation a late fee will be assessed as indicated below.

HOW TO GET IN TOUCH

Office Hours

See "Hours of Operation" in the front of this handbook for specific departmental hours. During the first week of classes, faculty members provide students with their office hours or other ways to contact them during non-classroom hours. Students may also call the office of the instructor's Dean.

Voice Mail

Students can reach full-time faculty members from any touch-tone phone by dialing the main campus number, (630) 466-7900, followed by the office extension of the faculty member. If the phone is not answered, a message can be left. Voice mail is available 24 hours a day, seven days a week.

Adjunct faculty have voice mail only. To leave them a message from a campus phone, dial 2601 to access the voice mail system. When you hear the auto-attendant answer, dial the four-digit extension you are trying to reach. If, after dialing 2601, you are asked for your security code, press *, wait for the auto-attendant to answer, and then dial the four-digit extension. From off-campus, dial the main switchboard number, (630) 466-7900. When the auto-attendant answers, enter the four-digit mailbox number of the faculty member you are trying to reach. If you do not know the four-digit number, dial 0 for the college information center to connect you or follow the prompts.

Email

All Waubonsee students have their own individual email account, accessible through the mywcc portal (see "ABCs of Waubonsee" section for more information). Using this or any other personal email account, students may email many Waubonsee departments and staff and faculty members. For a directory of email addresses, visit www.waubonsee.edu. Here you can look up an instructor or staff member and instantly connect with them via email, or simply find their address and phone number for future reference.
