

UNIVERSITY OF ILLINOIS
AT CHICAGO
COLLEGE OF NURSING

DUAL ADMISSIONS PATHWAY

go.uic.edu/DualAdmissions

University of Illinois at Chicago's **Dual Admissions Pathway** allows you to earn an Associate Degree in Nursing at your community college while also enrolling in UIC Registered Nurse to Bachelor of Science in Nursing degree program courses.

Complete these steps to join UIC's Dual Admissions Pathway:

1) Meet with your advisor or Director of Nursing at your community college and identify as a Dual Admissions Pathway student.

2) Visit go.uic.edu/DualAdmissions to receive a detailed transcript evaluation, connect with your UIC Dual Admissions Pathway advisor and submit a Pathways Authorization Form.

3) When prompted by your advising team, complete the one-time, UIC Dual Admissions Pathway application and submit official transcripts.

Then, follow your personalized roadmap to an Associate Degree in Nursing from your community college and a Bachelor of Science in Nursing from UIC.
