

# All Credit Enrollments at Waubonsee - Separated by Declared Degree Type

Use this page to compare with individual Program pages.

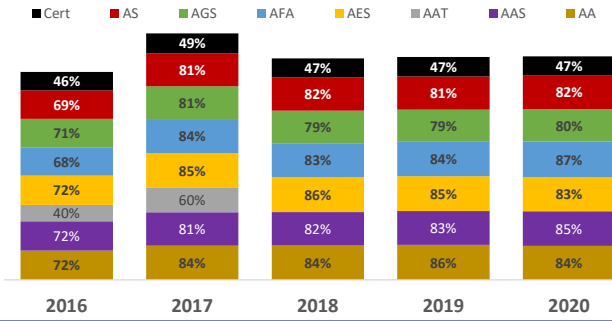

**Unduplicated Enrollment** is the number of students that declared this major type in the identified fiscal year. Each student is only counted as in this program once per fiscal year. All enrollment counts are unduplicated.

**Fall-to-Spring Retention** is the percent of students that were enrolled in a program the fall that continued enrollment in any credit courses in the spring semester. Each bar represents the Fall-to-Spring Retention rate for each fiscal year.

**Unduplicated Credit Enrollment by Declared Degree Type**

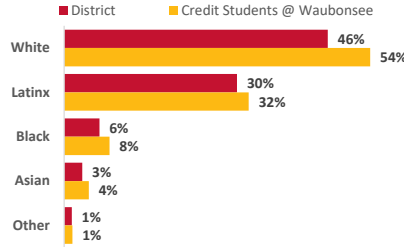

**Fall-to-Spring Retention Rate by Declared Degree Type**

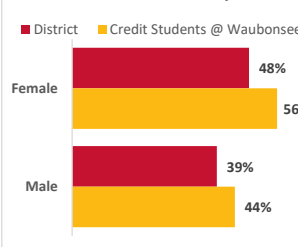

**FY2020 Credit Enrollment Demographic Breakdown** is displayed for the most recently completed fiscal year only. It is broken out by race, gender, and age group.

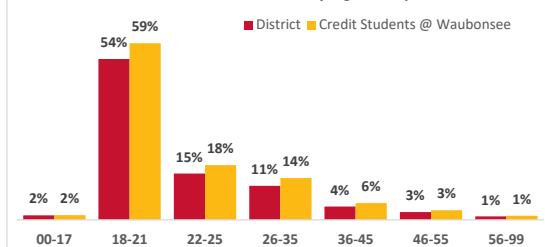

**FY2020 Credit Enrollment by Race**

**FY2020 Enrollment by Gender**

**FY2020 Enrollment by Age Group**

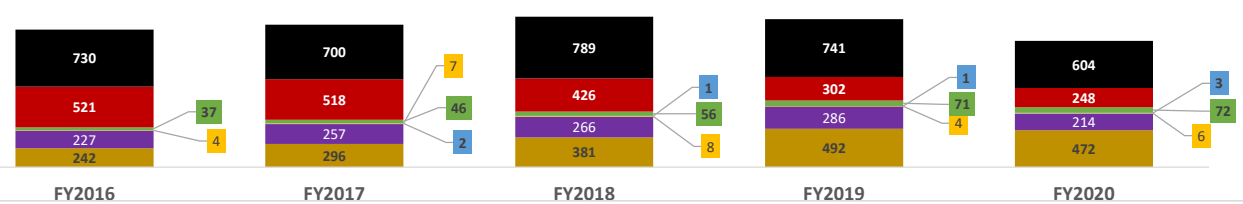

**Awards Earned by Fiscal Year** is the number of degrees/certificates confirmed in this degree code in Banner during the identified fiscal year. Students may have graduated with multiple degrees/certificates during a fiscal year, so the number of degrees/certificates may not equal the number of graduated students. An "award" is the term applied for a degree or certificate that has been earned.

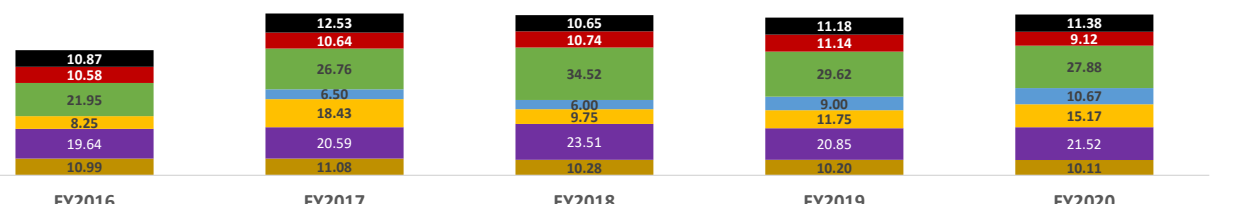

**Average Terms to Award** counts the average terms elapsed (including summers) between a student's first term at Waubonsee and the term they graduate with a degree/certificate. (High school enrollments are not counted as a student's first term at Waubonsee.)

**Percent of Degrees Earned Within 3 Years** can be compared to the number of degrees earned by referring to the first two graphs.

**Awards Earned by Fiscal Year**

**Average Terms to Award by Fiscal Year**

**Percent of Awards Earned Within 3 Years**
