About Us

Chartered in 1978, the Waubonsee Community College Foundation was formed to advance the educational and charitable purposes of Waubonsee Community College. The primary mission of the Foundation is to raise money for student scholarships. Foundation scholarships and awards are made available to Waubonsee students by generous donors who support the Foundation.

Scholarship Program Information

- This brochure describes each scholarship's eligibility requirements and award information.
- Scholarships awarded for the 2022-2023 program will begin with the fall 2022 semester and continue through the summer 2023 semester.
- All awards are good for one year only, are subject to funding availability, and are for use only at Waubonsee Community College.
- Unless otherwise noted, all scholarships provide a credit for tuition, fees, or books with awards applied first to tuition and fees. Remaining funds may then be used for books; students are to request a book voucher from the Financial Aid Office.
- Scholarship awards apply to credit courses only.
- All applications and required documents **MUST** be submitted online. We cannot accept printed copies.
- Applicants selected to receive a scholarship will be notified via email.
- Scholarship recipients will be required to submit a photo of themselves and a thank you message for the scholarship donor(s). Donors will be provided with profiles of their scholarship recipients that contain the recipients' photos, thank you messages, and scholarship application essays.
