**BENEFITS OF INVOLVEMENT**

Take advantage of all that Waubonsee has to offer by becoming involved. The Student Life Office offers leadership opportunities, service events, clubs, and general events for the student body to attend and enjoy. Students who are connected and involved meet new people, gain or enhance leadership skills, and have FUN while they are at Waubonsee. Participation in student organizations, as well as certain leadership and service opportunities, is listed on your co-curricular transcript. Check out the “Student Senate” and “Student Organization” sections that follow, and contact Student Life for other opportunities and more information.

**Finding Out About Activities**

Most events and opportunities are posted on the college-wide calendar accessible online at calendar.waubonsee.edu or follow us on social media. Also, watch campus bulletin boards, Student Life easels, or the campus TV screens for information. Call the advisor of student organizations that may interest you, or attend the Engagement Fair, held at the beginning of each semester. Visit the Student Life Office in the Student Center, Room 126 for more information or see the calendar of Student Life events on the college-wide calendar.

**How to Start a Student Organization**

New ideas for student organizations are always welcome! New student organizations must meet certain criteria and be voted upon by the Student Senate before becoming a student organization affiliated with Waubonsee Community College. Any suggested group must be inclusive and welcoming of all students attending Waubonsee. To start a new student organization, contact the Student Life Office, Student Center, Room 126, (630) 466-2369.
STUDENT SENATE

Waubonsee’s Student Senate is a channel of communication for students to discuss topics of interest with the administration. Members of the Student Senate sit on many college committees, enabling them to provide student perspectives and feedback. Student Senate is governed by a constitution approved by a vote of the student body. The Senate is comprised of 12 students, a president and eleven senators. Student elections are held in the fall and spring semesters. The senate has open meetings and all students are invited to attend. Students are encouraged to share their ideas, problems, and suggestions by using senate mailboxes in the Student Life Office, STC 126.

Student Trustee

A student member is elected to the Waubonsee Board of Trustees during the spring student government election and serves a one-year term. The Student Trustee attends all board meetings to represent the interests of Waubonsee students. The Student Trustee has a mailbox in STC 126 and can be contacted through the Student Life Office.

Participants will move through the program as a cohort and must attend all components in order to complete the program. As a participant, one will learn about the five practices of Exemplary Leadership (Kouzes and Posner), Servant Leadership, leadership experiences from campus and community leaders, and walk away with a personal leadership philosophy. Acceptance is competitive and space is limited. The program will be offered each semester on a specific day and time which will be listed on the website and included in the application materials. Day/time may change from semester to semester. The program is free for Waubonsee students who are accepted and those who complete the program will receive recognition on their co-curricular transcript.

Academic and Career Advising

Academic and Career Advising is here to help students choose the right career and major, explore transfer options and keep students on track to achieving their goals throughout their time at Waubonsee.

New students who have never attended Waubonsee or other colleges/universities before should start with Admissions. Admissions helps students through the getting started process, including completion of the New Student Application, Course Placement, Pre-Registration Review (PRR), and first-semester advising and registration.

Specific phases of the academic advising process include the following:

1. Course Placement: Students will be placed into the right English and math courses based on their high school GPA; ACT/SAT/GED® or HiSet scores; placement testing results; previous coursework (including transitional high school courses); or other measures. (Note: Some other classes may require placement testing to meet prerequisite requirements. Students may also be placed into Waubonsee courses based on their placement testing done at another college or university, or prior college coursework. Visit www.waubonsee.edu/placement for specific details.) There is no fee for required testing; however, students must have a picture ID and X-number handy when they come for assessment. See also “Learning Assessment and Testing Services.”
2. **Pre-Registration Review (PRR):** All new credit students must complete the Pre-Registration Review (PRR) tutorial before registering for courses. The tutorial explains Waubonsee’s degree and certificate programs and teaches students how to use the college catalog, credit schedule, and test scores to select courses. Students then register and pay for their first semester of courses online.

Students can access Pre-Registration Review through mywcc at mywcc.waubonsee.edu/PRR. An X-number is needed to log in.

3. **Continued Academic and Career Advising:** All currently enrolled students are encouraged to meet regularly with their assigned advisor to discuss career plans and academic goals. Students changing a schedule, withdrawing from or adding a class, changing student status, or experiencing academic difficulties are especially encouraged to check in with their assigned advisor.

Whether students are following a carefully prescribed curriculum toward a certificate or Associate in Applied Science degree, or are intending to transfer to a four-year institution, they should see their assigned advisor before registering for classes each semester. Academic and Career Advisors can be especially helpful in ensuring that courses taken at Waubonsee will transfer into the desired program at the four-year institution.

Effective fall 2020, all first-semester degree-seeking students are required to meet with their Academic and Career Advisor to develop their academic plan, review career and transfer options and college success resources. Students who started at Waubonsee before fall 2020 are required to meet with their assigned advisor for program review (upon cumulative enrollment in 24-38 semester hours) to review their progress (upon email and postal notification.) First Semester Academic Planning and Program Review is required before students are permitted to register for the next semester.
Academic Alert System

1. **Academic Alert:** Waubonsee’s Academic Alert has been developed with the goal of increasing student success. Under this program, instructors are asked to identify students who exhibit academic difficulties that may prevent them from completing a course successfully. Areas of difficulty can include attendance, English proficiency, academic preparation/prerequisites, class participation, test/quiz scores, completion of class assignments, clinical/lab assignments, and appropriate classroom behavior.

   Students identified with academic difficulties are encouraged to meet their instructor and make an appointment with their assigned advisor to address the areas of concern and develop a strategy for success.

2. **Academic Probation:** All students who earn a semester grade point average below 2.0 are automatically placed on academic probation. See “Probation, Academic.”

Academic Computing

The Henning Academic Computing Center on the Sugar Grove Campus provides students and area residents with opportunities to use computers and numerous types of software. All currently enrolled Waubonsee Community College students have access to the open lab. Visit www.waubonsee.edu/computer-labs for hours and contact information.

At Aurora Downtown and Aurora Fox Valley, students may use the computers in the library and instructional computers when classes are not in session. At Plano, students may use the instructional computers when classes are not in session. See also “Email”; “Logins”; “mywcc”; and “Network User Rules.”

Adding, Dropping, or Withdrawing from Classes
Once students have completed the initial registration process, they can make adjustments to their schedules. Check the deadline dates on the Registration, Refund, and Withdrawal Dates chart on the website. Students are responsible for dropping or withdrawing from a course by the deadline dates. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a withdrawal notation will be recorded on the academic transcript. Be sure to speak with an advisor/counselor and contact the Financial Aid Office before changing your schedule. Schedule changes may impact financial aid eligibility. Please see the “Withdrawals” section.

Admissions
The Admissions Department assists prospective and current students. Admissions Advisors provide information on the getting started process and available academic programs and services. In addition, they provide first-semester academic advising to new students. The staff also provides a number of outreach services within the community in order to educate community members about the college. The Student Ambassadors also report to this department. Admissions oversees the selection and onboarding processes for the Gustafson Scholarship Program. Once Gustafson Scholars become students, they report to the Student Life Office.

Assemblies

Student assemblies are governed by procedures described in “Rules and Regulations.”

Attendance

Class attendance has a direct effect on successful course completion. If students do not attend class before the refund deadline (as indicated on the Registration, Refund, and Withdrawal Dates chart on the website), they may be withdrawn from the course with no refund. Students may be administratively withdrawn at any time if they are not actively attending and pursuing course objectives. See “Withdrawals” for more information.

In case of illness or other mitigating circumstances, students should contact instructors. Accommodations such as make-up work may be arranged at the instructor’s discretion. Compliance-related recommendations (Title IX or ADA, for example) may also affect class attendance accommodations. See also “Withdrawal” further on in this section and www.waubonsee.edu/legal for more information.
Non-Attendance Due to Military Service
In accordance with Illinois Statute (330 ILCS 60/5.2), a service member enrolled in courses and unable, because of their military service, to attend classes on a particular day or days has the right to be excused and to reschedule a course examination administered on the missed day or days. The student and instructor are to determine if the student will be able to successfully complete the course due to missed classes or if the student needs to withdraw due to military service. A copy of military leave orders must be presented to each instructor prior to the student’s absence(s). Successful completion of the course(s) remains the sole responsibility of the student. For additional information please visit www.waubonsee.edu/veterans.

If a student’s military service requires them to take a leave of absence (more than 30 consecutive days of active duty), the student should withdraw due to active military service. In accordance with the Higher Education Act 2008; Public Law (110-315), the service member is entitled to be re-admitted in the next class or classes in their program after giving notice to re-enroll.

Auditing
Auditing a class involves enrolling and acting as a full participant in it, but not receiving credit for it. Performance and skill courses cannot be audited. Students registering for the class for credit have first priority. Auditing students pay full tuition and fees, and they must meet the course prerequisites. Audit registration status may not be changed after mid-semester of the course. Once the course has started, auditing students cannot change to credit status. High school students are not eligible to audit courses.

Events

There’s always something going on around campus, thanks to the dedication and creativity of Waubonsee students and staff. A variety of events are hosted year-round to pique everyone’s interest such as plays, sports, musical performances, speakers, workshops, and student organization meetings.

One major campus-wide event of particular interest to students is College Night, which takes place every fall. The mywcc portal, along with calendar.waubonsee.edu, features event listings. Note that all campus events sponsored by student organizations must be registered with Student Life well in advance of the proposed event. Also see “Rules and Regulations,” regarding assemblies and student conduct.

Extension Locations

In addition to its four main facilities (Sugar Grove Campus, Aurora Downtown Campus, Aurora Fox Valley Campus and Plano Campus), Waubonsee offers classes at more than 40 different locations across the college district. At these diverse extension locations, students may find credit courses, community education classes and business seminars. Refer to the credit and noncredit schedules for the offerings each semester, or search online at www.waubonsee.edu/schedules.
Financial Aid

Four basic types of financial aid are available to eligible Waubonsee students: grants, scholarships, loans, and employment. Eligibility requirements vary for each type of assistance but generally require the student to show financial need or demonstrate high academic achievement. This office provides assistance in both the search for financial aid and the process necessary to qualify and apply for different programs, including those for veterans.

For general information about available financial aid and application procedures, visit www.waubonsee.edu/financialaid. To access a computer or to get hands-on assistance, visit the Sugar Grove or Aurora Downtown Campus Financial Aid Office. Be aware that specific deadlines and attendance requirements apply to financial aid students and can affect eligibility.

Students who receive federal financial aid* are subject to the Federal Return of Funds policy if they withdraw or fail to successfully complete any course prior to attending at least 60 percent of the semester.** The Financial Aid Office will calculate the federal financial aid earned using the percentage of the term attended.

More information on Withdrawals and Financial Aid can be found under “Withdrawals.”

* Federal financial aid includes the Federal Pell Grant, SEOG Grant Federal Work-Study and the Direct Loan Program.

** Last date of attendance is defined as the last recorded date of attendance.

**Grades**

Students receive grades for every credit course they enroll in at Waubonsee. Grades can be accessed through mywcc at mywcc.waubonsee.edu. Waubonsee has policies regarding academic probation, grade changes, grade appeal, and grade forgiveness. Students may be able to qualify for honors programs, the Dean’s List, the President’s List, membership in honor societies, and graduation academic honors.

**Incomplete Grades:** A grade of I signifies incomplete coursework and is assigned at the discretion of the instructor when illness or other unusual circumstances prevent a student from completing course requirements by the end of the term. A grade of I may not be assigned as a final grade unless a signed, completed Agreement for Incomplete Coursework is submitted to the appropriate dean’s office by the instructor no later than the Friday prior to the deadline to submit grades.

The intent of the agreement is to:

- establish course components required to be completed by the student;
- establish a time frame for completion of required course components—must be no later than the end of the next full 16-week semester;
- establish a grade for the student in the event that required course components are not completed.
In the event that a faculty member is unable to meet the terms of the Agreement, the grade agreed to in the Agreement will be assigned by the appropriate dean. This definition does not allow for regular letter grades (A, B, C, D, F, or W) to be changed to an I grade after final grades are assigned. Special exceptions may be presented to the Vice President of Educational Affairs for consideration.

**Grades in Repeated Courses:** If a credit course is repeated, only the higher grade is used to calculate the grade point average. However, certain courses are designed to be repeatable, such as applied music, physical education, and developmental courses. Grades in these repeatable courses are calculated in the grade point average based on the allowable amount of repeats noted in the course description.

For these courses that are designed to be repeatable, it is necessary to complete a Repeatable Course Grade Change Request form if the student wishes to have only the higher grade(s) calculated in their GPA. Request forms are available online in mywcc.

**Grade Change Process:** Requests for a change in a final grade must be submitted to the instructor within one calendar year of the date the final grade was officially due to Registration and Records. Contact the Registration and Records office for the appropriate grade due date. No grade change may be processed after one calendar year. Regular letter grades (A, B, C, D, or F) cannot be changed to an I or a W grade after final grades are assigned. An I grade can only be changed to an A, B, C, D, or F grade. Special exceptions may be presented to the Vice President of Educational Affairs for consideration.

**Grade Appeal Procedures:** Students must discuss their final grade concerns with their course instructor prior to initiating the formal appeal process described here.

**Step 1:** If, after discussion with the course instructor, a student is not satisfied with the results of their final grade concerns, the student should then send a written appeal of their grade to the Dean who oversees that area within one calendar year (from date grades were officially due to the Registrar). The Dean investigates the student’s concerns and attempts to facilitate a resolution. Within 30 college days (Monday to Friday by 4:30 p.m. or close of business day), the Dean prepares a written determination addressing the student’s concerns and sends it to the student’s Waubonsee email address and via United States Postal Service to the address on file with a copy to the appropriate instructor.
Step 2: Upon receipt of the determination from the Dean described in Step 1, the student has the right to present a written appeal of such determination, postmarked or email time-stamped within 10 college days (Monday to Friday by 4:30 or close of business day), to the instructional Assistant Vice President. Grade Appeals that are denied because they fall outside of the postmark or email time stamp will not be considered for the next step of the Grade Appeal Procedure.

The Assistant Vice President investigates the student’s grade concerns and attempts to facilitate a resolution. Within 30 college days (Monday to Friday by 4:30 or close of business day) of the receipt of the appeal, the Assistant Vice President sends a written determination to the student’s Waubonsee email address and via United States Postal Service to the address on file with a copy to the appropriate instructor.

Step 3: Upon receipt of the determination, the student may file a written appeal, postmarked or email time-stamped within 10 college days (Monday to Friday by 4:30 or close of business day), to the Vice President of Student Development and Executive Director of the Foundation, requesting that the matter be considered by the Academic Review Board. Grade Appeals that are denied because they fall outside of the postmark or email time stamp will not be considered for the next step of the Grade Appeal Procedure. Within 45 college days (Monday to Friday by 4:30 or close of business day) after receipt of the appeal, the Academic Review Board convenes to consider the matter. At that time, the student and the faculty member or their representative have the opportunity to present oral and/or written statements in support of their position.

Step 4: Within 30 college days (Monday to Friday by 4:30 or close of business day) after the conclusion of the Academic Review Board’s consideration, the board makes a final determination based on the facts and the evidence of the case. The Vice President of Student Development and Executive Director of the Foundation transmits the decision to the student and the instructor.

Step 5: Upon receipt of the Academic Review Board’s determination, the student may, if postmarked or email time-stamped within 10 college days (Monday to Friday by 4:30 or close of business day), submit a written appeal to the Vice President of Educational Affairs for procedural review to ensure that the grade appeal process was conducted in accordance with established procedures.

Step 6: Within 30 college days (Monday to Friday by 4:30 or close of business day), the Vice President shall complete their procedural review and send a final written report to the student and instructor indicating the final disposition of the matter.
Grade Forgiveness: This procedure provides the student with a second chance. A student may apply for forgiveness of grades of D or F earned in courses taken previously at Waubonsee. To be eligible to apply for grade forgiveness, a student must meet the following two conditions:

- cannot have attended Waubonsee Community College or any other post-secondary school for a consecutive period of at least 18 calendar months between the dates of enrollment at Waubonsee, and
- must have completed a minimum of 15 semester hours with a grade point average of 2.0 or better at Waubonsee Community College since the re-enrollment after the 18-month out-of-school period.

Courses approved for grade forgiveness are listed with a special notation (G) on the student’s transcript and are not included in the calculation of the student’s GPA. More information is available on mywcc or from the office of the Vice President of Student Development and Executive Director of the Foundation.

Grade Point Average

Final grades and the academic transcript are accessible via mywcc, and the academic transcript will indicate the student’s current grade point average (GPA). The grade point average is an important indicator of progress toward academic and career goals and can be calculated at any time.

To calculate a GPA, a student needs:

- a list of all courses taken
- the number of credit hours for each course
- the grade received for each course
- the grade point level chart

Grade Point Level Chart: Grade points at Waubonsee are assigned on the following scale:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Significance</th>
<th>Grade-Point Level</th>

- I: incomplete
- E: credit by proficiency
- Z: audit
- Y: successful completion of a continuing education course
- N: unsuccessful completion of a continuing education course
- MG: missing grade
- NC: noncredit course
- (H): honors course notation
- (G): grade forgiveness
- (T): transfer course

*Note: Repeated courses are marked with a notation.*

Here are the steps to calculate a grade point average: (Students may do this for a semester, a year, or cumulative to date.)

1. List each course, semester hours, and grade point level.
2. Multiply the semester hours by the grade point level to get the grade points achieved for each course.
3. Add the column of semester hours to get the total semester hours.
4. Add the the column of grade points to get the total grade points.
5. Divide the total grade points by the total semester hours to get GPA.

President’s List

Students who achieve a 4.0 semester grade point average while enrolled in six or more credit hours are honored by placement on the President’s List (fall, spring, and summer semesters). See also “Grades.”

Probation, Academic

All students who earn a semester grade point average below 2.0 are automatically placed on academic probation. Students remain on probation until their cumulative grade point average is equal to 2.0 or higher. There are three progressive stages of academic probation: (1) academic caution, (2) academic warning, and (3) academic restriction. A registration hold is placed at each stage until the student completes the prescribed intervention. Students avoid progressing to the next stage of academic probation if they earn a semester GPA of 2.0 or above.

Contact: Academic and Career Advising, Student Center, Second Floor, ext. 2361

Probation, Financial Aid

For the purpose of maintaining financial aid eligibility, a student is evaluated for academic progress following each regular semester attended. Academic progress is based on the completion rate, grade point average, and time frame requirements outlined in the financial aid policy. If the GPA requirement is not met for two semesters the student will go to a Fail Status and will lose eligibility. If the student attempts 12 or more credits and earns 0 credits in any semester and the completion requirement is not met for two semesters the student will go to a fail status and will lose eligibility. If the student submits an appeal that is approved, the student will be placed on probation.

Refunds and Student Account Appeals

Tuition refunds are issued based on the official date of a course drop or withdrawal. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a withdrawal notation will be recorded on the academic transcript. Students should review the Registration, Refund, and Withdrawal dates, which are located on the Waubonsee website and the Student Handbook.

Drops and withdrawals made online are effective when the transaction is complete. Drops and withdrawals submitted by mail or fax are effective according to the postmark date of the mailed Change of Enrollment form or the fax date and time. Full refund of tuition and fees is granted if the college cancels a course.

Students can have refunds directly deposited into a checking or savings account by signing up for eRefunds. Access the Student Account Suite through mywcc (For Students > Tuition, Payments, and Financial Aid) to register.

Tuition Refunds Due to Hardship:
The college recognizes that students may face hardship or other extenuating circumstances that may hinder attendance and/or academic performance. These circumstances may sometimes lead students to consider withdrawing from classes. Students are encouraged to discuss the impact of withdrawing from courses with their advisor before making any registration adjustments. Please note that the Emergency Needs Scholarship Fund is available to assist currently enrolled students who experience an unusual or unexpected emergency.
Students who decide to withdraw from courses because of hardship may request a refund by submitting the Student Account Appeal along with supporting documentation. A PDF Student Account Appeal Form is available if students are unable to access the online form. The submission of this form does not automatically result in a refund. The Student Account Appeals Committee will review all appeals. Students are notified of the decision through their Waubonsee email.

Please note: students should have withdrawn from courses prior to the submission of the appeal. If it’s beyond the withdrawal deadline, students may contact their instructor to request a W notation in place of a final grade.

Types of hardships shall include but are not limited to:

- Student health-related circumstances (includes a serious injury/illness, mental health condition, chronic illness, etc.)
- Health-related circumstances of an immediate family member where the student is a part-time or full-time caretaker
- Death of an immediate family member (parent, child, spouse/partner, sibling, or grandparent)
- Military Deployment
- Sudden or consistent lack of transportation
- A significant cost of living increase

The college reserves the right to make the final decision on all refunds. If you have a question in regard to refund policies, please contact the Student Accounts and Cashier Office.

Transfer Degree Curriculum

The Associate in Arts (AA), Associate in Science (AS), Associate in Engineering Science (AES), and Associate in Fine Arts (AFA) degrees are intended for students planning to transfer to a four-year college or university for a baccalaureate degree.

These associate degrees are designed to transfer to a four-year institution. However, since requirements can vary from one university to another, it is recommended that all students create an educational plan with a Waubonsee counselor or advisor. Courses taken at other colleges and/or universities are evaluated upon request. See “Transferring Credit to Waubonsee” in the next section.

The courses students take at Waubonsee Community College are those normally taken during the first two years of the baccalaureate degree. Students can complete Waubonsee’s degree requirements and be in a favorable position to transfer to the four-year college or university of their choice. Most universities and senior colleges award junior standing to students with an Associate in Arts, Science, Engineering Science, or Fine Arts degree. See www.waubonsee.edu/transferring for more information.

Transfer Degree Pathways

The transfer degree pathways listed in the catalog illustrate courses a student might take if interested in a particular area of study. The pathways are based on the format used to show degree requirements, and they assist the student in completing the general education requirements of a four-year degree, as well as taking introductory courses in a major field of study. While the pathways are helpful, students should work with an advisor or counselor to develop individual plans.

Transfer Agreement

Waubonsee Community College participates in agreements with most state universities in Illinois that state: “A transfer student in good standing who has completed an associate degree based on baccalaureate-oriented sequences from an Illinois community college shall be considered: A) to have attained ‘junior’ standing; and B) to have met lower division general education requirements of senior institutions.” The Transfer Agreement applies to general education requirements, and if, while at Waubonsee, students have not taken lower division courses included in their major field requirements, they will be required to do so by the senior institution.
Transfer Guarantee

The Transfer Guarantee formally assures students that certain courses transfer to in-state colleges and universities. The college backs up the guarantee with a tuition refund if the course does not transfer. Students should be aware that because baccalaureate degree completion requirements change over time, transfer agreements may expire, and/or students may be expected to complete additional coursework by the transfer institution. Students should contact an academic advisor/counselor for determining the transferability of courses to their chosen four-year institution.

To make a claim, students must notify Waubonsee’s Vice President of Educational Affairs, in writing, within 60 days of learning that course credit has been declined or refused by the receiving university. The letter should state the reasons, if any, given for the action and the name, position, address, and telephone number of the person who processed the application for credit transfer or acceptance. Copies of any correspondence, transfer evaluation or other documentation provided to or received from the transfer institution regarding the student’s transfer application must accompany the notice.

Waubonsee Community College agrees to reimburse students the tuition for any course listed on the application if the receiving public Illinois university declines to transfer or accept the course credit for some purpose under these terms:

1. Students take and successfully complete the course(s) during the term stated;
2. Students earn at least a grade of C for the course(s);
3. Students are accepted by and actually transfer to the receiving university within three years from the date this guarantee is issued;
4. Students promptly apply to have the course credit transferred to and accepted by the receiving university upon transfer;
5. Students make a claim under this guarantee as provided above within four years from the date this guarantee is issued;
6. Students cooperate fully with Waubonsee Community College in its efforts to have the credit transferred or accepted by the receiving university, including giving any necessary consents or releases regarding student records; and,
7. After the claim is received, Waubonsee Community College has 120 days to attempt to have the receiving university reverse its earlier decision to deny course credit.
Illinois Articulation Initiative

Waubonsee Community College participates in the Illinois Articulation Initiative (IAI), a major, statewide, cooperative agreement among participating Illinois colleges and universities to facilitate the successful transfer of course credits from one participating institution to another, effective beginning summer 1998. The IAI defines a general education core curriculum, and Waubonsee’s transfer curriculum for the Associate in Arts (AA) and Associate in Science (AS) degrees conforms to it. Students who follow the prescribed curriculum can be assured that the credits satisfy general education requirements at participating Illinois colleges and universities.

Since individual colleges and universities determine which course credits earned prior to summer 1998 will transfer, students should contact Academic and Career Advising at Waubonsee to discuss their particular circumstances.

Waubonsee does not guarantee that the letter grade earned in the Waubonsee course will be considered by the receiving university in determining the student’s grade point average, honors, or for other purposes, but only that the receiving university gives course credit for some purpose. The guarantee does not provide for the refund of tuition for any other course(s), any fees or any incidental or consequential expenses or claims whatsoever, but only for refund of tuition for the guaranteed course(s) for which course credit is not given by the receiving university.

Students’ rights under the guarantee are personal and may not be assigned or transferred, voluntarily or involuntarily. Further, no refund is required or is made if the scholarship, financial aid program, loan or other source used to pay the tuition prohibits payment or reimbursement of tuition directly to the students.

For further information concerning this program, contact the Vice President of Educational Affairs.
Transferring Credit to Waubonsee

Students who have attended and earned credit at previous colleges or universities would follow the same enrollment process as new students and would arrange to have official transcripts sent to Registration and Records to be evaluated for transfer credit.

The Registration and Records office will evaluate prior coursework and post applicable transfer credit as transcripts come in. Students will receive an email from transfercredit@waubonsee.edu after each transcript has been evaluated. *Please note, the evaluation can take up to four weeks.*

Information and Regulations

Credits to be considered for transfer must have been earned at a post-secondary institution accredited by the Higher Learning Commission or other regionally accrediting agency with an earned grade of “D” or better in the course(s) involved.

A maximum of 45 credit hours from transfer and/or prior learning assessment can be applied to a degree. For certificate programs, the maximum amount of transfer and/or prior learning assessment credit hours that can be applied is one-half of the required credits. Transfer credit and credit for prior learning assessment do not apply to the College’s credit hour residency requirement, nor does it count in the grade point average. Credit will not be granted if a student has previously earned credit for an equivalent course at Waubonsee.

Transcripts from foreign colleges and universities must first be reviewed by a foreign educational credentials service recognized by the National Association of Credential Evaluation Services (NACES).
Tuition and Fees

Estimated tuition and fees noted in the catalog and the schedules are subject to change. Check with Registration and Records or the Student Accounts and Cashier Office for the current tuition and fees. Students expecting to receive financial aid should contact the Financial Aid Office at (630) 466-5774.

Arrange for Payment

To hold your classes, you must make one of the following tuition payment arrangements within one week of your registration:

- Pay in full (required for less than $200) or
- Enroll in an interest-free payment plan or
- Provide a verified source (financial aid, scholarships, veterans, or employer/3rd party)

Note: Any prior balance must be paid in full prior to registration.

What are the Payment Options?

- **FULL PAYMENT:** Students may pay the balance in full with no additional fees (total tuition and fees less than $200 require full payment).
- **PAYMENT PLAN:** There are multiple payment plans available. A $25 required payment plan fee will apply (non-refundable). See www.waubonsee.edu/paying for more details about these options.
- **VERIFIED SOURCES:** Verified sources are defined below. Preferably if you are using a verified source to pay for tuition and fees it is arranged prior to registration. If you are using Financial Aid, check your award and acceptance status. If you are using scholarships, veteran benefits, or employer/third party, log into your student account the day after registration to see the verified source applied to your account or contact the Student Accounts and Cashier Office to check the status. Students must pay any remaining balance not covered by your verified sources.

**Financial Aid:**

1. Financial aid awarded and accepted by the payment arrangement due date will hold your classes.
2. Financial aid not awarded and accepted by the payment arrangement due date requires the student to enroll in a payment plan.
Scholarships:
1. Waubonsee Gustafson and/or Waubonsee Foundation Scholarships apply to student accounts automatically and will hold your classes.
2. Private scholarship payments must be applied to student accounts by the payment arrangement due date to hold your classes.

Veterans Using CH 33 or 31:
With the submission of a Veterans Enrollment Certification Request (VECR) prior to registering for classes, classes will be held and the funds received from the Department of Veteran Affairs (VA) will be credited to the student’s account. The college will not impose a penalty, or require the beneficiary to borrow additional funds to students responsible for paying any balance remaining after benefits have been credited, should benefit eligibility not be covered at 100% level. The VECR is available in mywcc (For Students > Academic and Personal Support > Veterans Services > Veteran’s Enrollment Certification Request)

Employer/Third Party Payments:
If a student’s employer or a third party is paying for your classes and should be billed directly, a letter from the company is required by the payment arrangement due date to hold your classes. The letter must be on company letterhead and include contact name, company address, and classes covered for the student.
How to Pay
Waubonsee accepts full and partial payments in cash, electronic check*, bank debit, or credit/debit card (VISA, MasterCard, Discover, and American Express). Payments can be made:

- online at mywcc.waubonsee.edu (credit card or electronic check);
- in person at the Sugar Grove, Aurora Downtown, Aurora Fox Valley, or Plano campuses;
- by mailing payment to:

  Student Accounts and Cashier Office  
  Waubonsee Community College  
  Route 47 at Waubonsee Drive  
  Sugar Grove, IL 60554-9454

- Authorized User: If students wish to have their parents, employers or other third party make a payment on their account, you must first set them up as an authorized user in mywcc through the student account suite. The assignment does not give the authorized user the ability to access the student’s confidential academic history.

  *Waubonsee processes checks electronically. When students provide a check as payment, they authorize the college to use information from their check to make a one-time electronic fund transfer from their account. There will be a $25 fee for any insufficient funds/declined checks. For questions call (630) 466-5705.

What If I Don’t Pay?
Waubonsee will drop students from courses if payment arrangements are not made according to the payment arrangement due date schedule. Please note that payment is even required during college holidays and breaks.

Students must officially drop/withdraw from each course they do not plan to attend. A drop for non-payment will not occur if a payment arrangement has been received for the semester.

Any unpaid balance on the student account will prevent registration for additional courses or receipt of grades, diploma, and/or transcripts. Student accounts with unpaid balances are subject to the collection procedures of the college and a $25 delinquent fee.

Withdrawals

Administrative Withdrawal
Waubonsee Community College reserves the right to administratively drop or withdraw those students

- who are not actively attending or pursuing course objectives as established by their instructors,
- who are enrolled in courses not consistent with placement testing and course prerequisites,
- who fail to pay their tuition and fees, or
- who receive sanctions from the Student Conduct Board. Call Dean for Student Engagement for more information (see directory).

See “Code of Student Conduct,” page 137.

Student-Initiated Drop or Withdrawal
Students are responsible for dropping or withdrawing from a course by the deadline dates. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a withdrawal notation will be recorded on the academic transcript.
Students should review the Registration, Refund, and Withdrawal dates, which are located on the Waubonsee website and the Student Handbook. Students who fail to properly drop or withdraw from a course may receive a failing grade of F for the course.

Students should consult with an Academic and Career Advisor before dropping or withdrawing from a class to determine the best course of action for their situation. Students receiving financial aid should also consult with the Financial Aid Office, as drops and withdrawals can impact financial aid eligibility.

**Withdrawals and Financial Aid**

Federal regulations require students to maintain a minimum completion rate (see Standards of Academic Progress in the catalog) to retain eligibility. Withdrawing from a course(s) or failure to earn credit hours in a course(s) will lower your completion rate. Withdrawing from all courses or failure to successfully complete all course(s) may require you to pay back the financial aid you may have received. Consultation with an Academic and Career Advisor is highly recommended before withdrawing.

- **Withdrawing from some but not all courses.**
  
  If the courses remaining in the student’s schedule total less than 6 credit hours, the student is not loan eligible. Student loans require a minimum of 6 credit hours at the time of disbursement.

- **Withdrawing from all courses.**
  
  Withdrawing from all coursework could result in a reduction to federal student aid already released or pending for the affected period. Federal regulations require that students “earn” their financial aid by attending or participating in class. The amount of financial aid eligibility earned is determined by the amount of time (measured in days) the student participated in class divided by the total number of days in the payment period. Students who earned 60% or less of their financial aid will have a reduction in financial aid eligibility. This reduction in financial aid could result in the student owing institutional charges, and if the withdrawal occurred after the financial aid was disbursed, a repayment of all or part of any refund that was based on the original Pell Grant or Direct Loan amounts.
• **Failure to successfully complete courses.**
  Students who do not complete at least one course with a final grade of A, B, C, or D are considered unofficial withdrawals. Last dates of attendance are reported by instructors for students whose final grades are Fs or Ws. The last dates of attendance are used to determine the percentage of federal financial aid that has been earned. The amount of financial aid eligibility earned is determined by the amount of time (measured in days) the student participated in class divided by the total number of days in the payment period. Students who earned 60% or less of their financial aid will have a reduction in financial aid eligibility. This reduction in financial aid could result in the student owing institutional charges and a repayment of all or part of any refund that was based on the original Pell Grant or Direct Loan amounts.

**Withdrawal Due to Active Military Service**
In accordance with Illinois Statute (330 ILCS 60/5.2), students who are called to active military service have the right to receive a refund of tuition and fees applicable to their registration, when called to duty for a period of seven or more consecutive days. To initiate the withdrawal process, eligible students should first withdraw from the affected course(s) and complete the Student Account Appeal Form printable from their mywcc portal and attach a copy of their orders. Withdrawn students will receive a notation on their official transcript that reflects that the withdrawal is due to military service. Additional information on the Withdrawal Due to Active Duty Policy can be found on the website at www.waubonsee.edu/veterans. Questions should be directed to the Veterans Services staff.

**Workforce Education and Training**
Waubonsee provides professional development opportunities and customized training solutions that enhance skills for employees of area businesses, organizations, and individuals. A regular schedule of courses, seminars, and workshops is offered to meet the training, certification, recertification, and the professional development needs of individuals in many professions. Topics range from technical and industry-specific skills to all-encompassing leadership, supervision, and project management training.

**XCARD**

The XCARD features a student’s picture, name, and X-number, which is printed on the card as well as encoded in the magnetic strip and bar code. The XCARD is a way for students to keep their X-numbers handy and can be used at various campus offices. To get an XCARD, a student should bring their X-number and a legal photo ID (e.g. driver’s license, state ID, or passport) to the bookstore at either Sugar Grove Campus or Aurora Downtown Campus during regular hours.

The XCARD is not a bank debit/credit card and is not associated with a bank account. However, students are able to load XCASH onto their XCARDS, which can be used at the campus bookstores. To load XCASH onto your card, visit the XCARD website at www.waubonsee.edu/xcard or use the XCARD kiosk located near the dining cafés.

*For more information: www.waubonsee.edu/xcard*

**X-number**

The X-number is the key to all student resources at Waubonsee. Students use it to access the mywcc portal, as well as to log on to computers here on campus. New students will receive their X-number from Admissions after submitting a completed New Student Application.

CODE OF STUDENT CONDUCT

Introduction

Waubonsee Community College strives to create a community climate where learning can flourish and all students feel welcome and respected. Toward this aspiration and in accordance with the mission of the College it is an expectation that students, and their guests, will govern themselves in terms of appropriate behavior with an emphasis on self-respect, integrity, and respect for others. Waubonsee Community College prohibits all forms of violence on the campus, including but not limited to, sexual assault, domestic violence, dating violence, stalking, or interpersonal violence (e.g. fights). This Code of Student Conduct outlines the expectations and procedures for redressing conduct of students and student organizations that fail to abide to these standards. It is the practice of Waubonsee to respect the properly exercised rights of its students. The College recognizes a student’s rights within the institution to freedom of speech, inquiry and assembly; to the peaceful pursuit of an education; and to the reasonable use of services and facilities of the college.

In essence, the Code of Student Conduct serves as a guide to control actions that go beyond the exercise of such rights, to maintain order on campus, and to guarantee the broadest range of freedom for all who learn at Waubonsee. Specifically, the Code describes what constitutes as misconduct, lists the process and procedures that will be used in response to such misconduct, provides the sanctions that may be imposed, and informs students of the appeal process.

Waubonsee Community College encourages the reporting of sexual misconduct and seeks to remove any barriers to an individual/group making a report. Therefore, an individual who reports sexual misconduct will not be subject to disciplinary action for violations of alcohol or drug use at or near the time of the incident, as long as these violations did not put the health or safety of any other person at risk. Amnesty may not be granted for other violations of college policy other than alcohol and drug use and does not preclude or prevent action by police or other legal authorities.

Each student is responsible for knowledge of and compliance with this Code of Student Conduct, which is available through the Student Life Office (Student Center, Room 126), from the Dean for Student Engagement (Student Center, Room 103), or from the Counseling, Advising and Transfer Center (Student Center, Room 262). The Code of Student Conduct can be accessed online via www.waubonsee.edu/student-handbook or may be found in the Student Handbook.
The college further recognizes each student’s and student organization’s right to procedural due process, including notice, an opportunity to respond to the allegations, and an appeal process. Any student cited for violation of the Code of Student Conduct will:

1. Receive written notice of the alleged violation. The notice will include
   a. the specific code violations; and
   b. reference to the process and rights of students as indicated in the code.

2. Be provided an opportunity to respond to the charges before the Dean for Student Engagement and/or the Student Conduct Board. A hearing before the Dean for Student Engagement or the Student Conduct Board is not a formal legal proceeding. Guidelines are presented in Section (III)(A)(4).

3. Be provided an opportunity to appeal the decision.

Students wishing to discuss the alleged violation before the hearing occurs should contact the Dean for Student Engagement (Student Center, Room 103; (630) 466-6686).

IV. Procedures

A. Charges

1. Any member of the college community may file a report against any student for misconduct. Reports will be prepared in writing and directed to the Dean for Student Engagement, who is responsible for the administration of the student conduct process. Any report should be submitted as soon as possible after the event takes place. Faculty and Staff are encouraged to submit information through the Waubonsee Intervention Forms (WIFs) located at www.waubonsee.edu/report.

2. The Dean for Student Engagement may conduct an investigation to determine if the report has merit and the responding party should be charged with a violation. The Dean for Student Engagement will then determine if the case can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to parties involved. Such disposition will be final and there will be no subsequent proceedings. If it is determined that the case cannot be disposed of by mutual consent, the case will be heard by the Student Conduct Board.

3. All specific charges will be presented to the responding party in written form by the Dean for Student Engagement.

4. Proceedings will be conducted by a Student Conduct Board according to the following guidelines:
   a. proceedings will be conducted in private unless otherwise mutually agreed to by the responding party and the chairperson of the Student Conduct Board;
   b. admission of any person to the proceeding will be at the discretion of the Student Conduct Board;
   c. in proceedings involving more than one responding party, the chairperson of the Student Conduct Board, at their discretion, may permit the proceedings concerning each responding party to be conducted separately;
   d. the reporting party and the responding party have the right to be assisted by one advisor they choose, at their own expense. The advisor may be anyone, such as parent, friend, faculty, or attorney. The student is responsible for presenting their own case and, therefore, while an advisor may be present, they are not permitted to speak or to participate directly in any proceeding before a Student Conduct Board, nor will they be permitted to cross examine witnesses;
e. the reporting party, the responding party and the Dean for Student Engagement will have the privilege of presenting witnesses;

f. pertinent records, exhibits and written statements may be accepted and/or requested by the Student Conduct Board at the discretion of the chairperson;

g. all questions are to be directed to and disseminated by the person designated as chair of the Student Conduct Board in their sole discretion;

h. after the proceedings, the Student Conduct Board will collectively determine, using a standard of preponderance of the evidence, whether or not the responding party is found responsible for violating the Code of Student Conduct.

(1) If the Student Conduct Board determines that a responding party has violated the Code of Student Conduct, the Student Conduct Board will collectively determine the sanction(s) to be imposed. Following the proceedings, the chair of the Student Conduct Board will forward its written decision to the Dean for Student Engagement.

(2) The Dean for Student Engagement shall render the written decision within ten (10) college days of the proceedings. A decision will be made of any code violation whether the responding party is present or not at the proceedings. The Board, at its sole discretion, may grant a continuance of the proceedings when specifically requested by the responding party.

5. No responding party may be found to have violated the Code of Student Conduct solely because the responding party failed to cooperate in the investigation or failed to appear before the Student Conduct Board. However, evidence of the accused student’s failure to cooperate in the investigation or failure to appear before the Student Conduct Board may be taken into consideration by the Student Conduct Board, along with other evidence, in reaching a decision concerning the charges. In all cases, the facts in support of the charges will be presented and considered whether or not the accused student is in attendance.

6. An responding party against whom disciplinary charges are pending will not be permitted to withdraw from the college with a clear record until such charges have been resolved.

7. When a responding party is found not responsible for violating the Code of Student Conduct, a written statement to the
responding party will be issued that no violation of a college regulation has been determined.

8. All Student Conduct Board decisions are effective upon notification to the student by certified mail, email or hand delivery.

B. Sanctions

1. The following sanctions may be imposed upon any student found responsible for violating the Code of Student Conduct. All sanctions will be issued in writing.

   a. **Warning** – a notice in writing to the student that the student is violating or has violated institutional rules, policies and/or regulations.

   b. **Probation** – a reprimand for violation of specified rules, policies and/or regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional rules, policies and/or regulations during the probationary period.

   c. **Loss of Privileges** – denial of specified privileges for a designated period of time.

   d. **Restitution** - compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

   i. **College Suspension** – separation for a specific period of time, with consequent loss of tuition and fees, of the student from the college after which the student may be eligible to return. While separated the student is not allowed to attend classes, be on college premises including off-campus instructional sites, and is not allowed to participate in college activities or other privileges for which the student might otherwise be eligible. Conditions for re-admission may be specified.
j. **College Expulsion** – indeterminate separation, with consequent loss of tuition and fees, of the student from the college. The student is not allowed to attend classes, be on college premises including off-campus instructional sites, and is not allowed to participate in college activities or other privileges for which the student might otherwise be eligible.

1. Reconsideration of expulsion – after an expulsion has become final, the former student may submit a written petition to the Dean for Student Engagement requesting reinstatement. A petition to be reinstated will not be considered prior to the expiration of three (3) years after the effective date of the expulsion. Repeat petitions will not be considered until at least one (1) year has passed since the previous filing for reinstatement.

2. The petition for reinstatement should list reasons why a former student deserves to be readmitted. These reasons must extend beyond the arguments that the decision of expulsion was inappropriate, unless new information becomes available that exonerates the individual. Reasons for reinstatement should focus on actions and behaviors of the former student after the expulsion. These reasons should be why the student believes they should be given the opportunity to further pursue their education at Waubonsee.

3. Once a petition is received the Dean for Student Engagement will form a hearing committee comprised of faculty and staff to review the petition. The Dean for Student Engagement will chair hearing committee. The committee may interview the former student and ask for additional information in the evaluation of the petition.

4. The committee will make a recommendation regarding the petition to the Vice President of Student Development and Executive Director of the Foundation, who will render the final decision and notify the petitioner. If denied the former student may re-petition once one (1) year has passed. There is no appeal process to this decision.

2. Students may be directed to participate in counseling or educational seminars in lieu of, or in addition to, the imposition of sanctions.

3. More than one of the sanctions listed above may be imposed for any single violation.

4. Disciplinary sanctions other than academic sanctions will not be made part of the student’s permanent academic record, but will become part of the student’s confidential record maintained by the Dean for Student Engagement. STUDENT COMPLAINTS

Waubonsee Community College values student feedback and aims to amicably resolve students issues and concerns. Most student complaints can be resolved informally and students are encouraged to start by addressing the issue/concern with the supervisor/manager over the area of concern or with the academic dean/assistant dean over a particular faculty or class. Matters unable to be resolved informally should be reported through a formal complaint.

Filing a Report

Students wishing to submit a formal complaint about a college policy, practice, or personnel issue should use the following report form found at www.waubonsee.edu/report. If the complaint is specific to Title IX (sexual misconduct), Discrimination or Harassment, or a complaint regarding a 504 grievance (disability accommodation) please use the form listed on that same page.

Report Intake

The Assistant Vice President (AVP) of Student Services and Alumni Relations will register all formal complaints, assess the complaint and identify the appropriate person(s) to assist in resolving the complaint. To file a complaint verbally you can schedule a meeting or phone call with the AVP of Student Services and Alumni Relations by calling (630) 466-2349.

Only complaints submitted through this process will be registered as formal complaints. All formal complaints will be responded to within 10 college business days. The AVP of Student Services will attempt to resolve the complaint within 30 business days, although some complaints may require more time and the AVP of Student Services will communicate this with the student. The AVP of Student Services will respond in writing (via student email) the decision to resolve the complaint.

Resolution

Some formal complaints may not be resolved to the satisfaction of the student. Students will have the opportunity to appeal the final resolution to the Vice President (VP) of Student Development and Executive Director of the Foundation within 10 days of the final decision being communicated. The VP of Student Development and Executive Director of the Foundation will review all materials and may request additional information from the student before making a final decision. Should the VP of Student Development and Executive Director of the Foundation not grant the appeal, students can move their formal complaint to the Illinois Community College Board (ICCB), which an accessible link is on Waubonsee’s reporting information page www.waubonsee.edu/report.
For questions regarding this student complaint process, please contact the Assistant Vice President of Student Services and Alumni Relations at (630) 466-2349.

**WAUBONSEE COMMUNITY COLLEGE PLAGIARISM STATEMENT**

Plagiarism, using your own or another person’s published or unpublished work by paraphrase or direct quotation without full and clear acknowledgment, is a serious breach of academic integrity, and is considered a breach of the Code of Student Conduct. The college expects that students will submit their original work, in their own words, representing their own ideas and judgments. Students will appropriately cite and document ideas, words and works used. Penalties for plagiarism will be determined by the instructor, the Dean for Student Engagement and/or the Student Conduct Board as the situation warrants.

**What is plagiarism?**

Plagiarism is more than the theft of mere words: plagiarism involves ideas, theories, insights, work products, projects and images—all collectively termed intellectual property. Authors, scientists, and artists own their intellectual property, so any use of this property without credit is the equivalent of theft. [Refer to Section (I)(B)(1)(b) in Code of Student Conduct.]

**Examples of plagiarism include:**

- Handing in a paper or assignment (in part or in whole) written by someone else
- Incorporating information from a book or article without documenting the source
- Incorporating information from an electronic source (website, listserv, etc.) without documenting the source
- Submitting a paper, assignment, or project that was purchased and representing it as your own work
- Inaccurate or incomplete documentation of the source of any information
What is not plagiarism?
The learning process often calls upon students to work collaboratively or seek outside assistance—such work does not fall within the bounds of plagiarism.

Examples of work that is not plagiarism include:

- Working on a group project
- Seeking assistance from the Writing Assistance Center
- Asking another student to read over your work and offer their opinion
- Consulting with an instructor on a paper or assignment

Why is plagiarism such a concern?
Plagiarism runs counter to the entire learning process. When a student takes a shortcut to completing an assignment or hands in someone else’s work, they have missed the opportunity to learn. This is a rather disingenuous approach to education as well as a breach of academic integrity. Furthermore, students who cheat may find that they have really cheated their own futures, as they may later be called upon to use the very skills and abilities the assignment was designed for them to learn.

Plagiarism is about ownership. Scholars, artists, writers, computer programmers and other professionals make their livings through the articulation of ideas. Through publication they have allowed others access to these ideas but they still own them. Plagiarism robs these individuals not just of their intellectual property but also of their livelihood.

Plagiarism is a form of dishonesty. Students who plagiarize hurt not only themselves but also other students who have done the work honestly. Avoiding the sometimes laborious work of scholarship is not only dishonest, it is also unfair to those who were willing to put in the time and effort necessary.
How can students avoid plagiarism?

There are several ways students can avoid plagiarism.

As you prepare a paper or assignment:

1. Keep careful records of the sources you consult. If you record this information as you work, you will avoid needless searching later on.

2. Familiarize yourself with the instructor’s preferred citation and documentation style (MLA, APA, CMS, etc.). If you need additional assistance, Waubonsee offers workshops on research writing and the services of professional tutors in the Tutoring Centers.

3. Learn what falls within the limits of common knowledge. What is considered common knowledge may differ by discipline, but it generally consists of facts and information that are readily available to the public through a variety of sources.

4. When in doubt, cite it! If you are not sure whether or not the information would be considered public knowledge either ask your instructor or cite it to be on the safe side.

5. Place quotes around words that are not your own. Even if you’ve documented the source at the end of the paper or assignment, you are not done yet. Quotation marks indicate that you are using someone else’s language.

6. Be careful when you paraphrase information. Paraphrasing refers to including someone else’s information in your own words. Learn what makes for an appropriate paraphrase and remember to cite—even though you may have changed the language, the author still owns the ideas behind the language.
Before you hand in a paper or assignment:

1. Keep copies of drafts, outlines, and any other planning documents you used in preparing course assignments. If any questions arise, you will then have evidence you’ve done your own work.

2. Double-check your documentation and citation format for accuracy. Read through the paper or assignment asking yourself: Did I know this before I began my research? Would I have expressed this the same way had I not been exposed to the same sources? Is every quote followed by the source? Are paraphrases accurate? Are paraphrases representative of my own language use?

After you hand in a paper or assignment:

1. Keep a dated copy for yourself. In case questions arise, you will have a record of the completed version.

2. Do not allow others to hand in your work as their own. Allowing others to misrepresent your work is also plagiarism and truly undermines the hard work you have put into the learning process.

3. Do not submit the same assignment for another class or recycle the research without first consulting with the instructor.

What are the consequences for plagiarizing?

If a faculty finds that you have cheated or plagiarized, faculty may give a zero grade for the assignment, fail you from the course, and report the Academic Misconduct to the Dean for Student Engagement for further disciplinary action.

Integrity Statement for Waubonsee Community College

Waubonsee Community College believes that all members of the community (students, faculty, staff, and administrators) have a responsibility to participate in learning with honesty, respect, and integrity. We must commit to engage in learning both in and out of the classroom, value each member in our learning community, demonstrate original thought, and help foster ethical, open, safe learning environments for all.
HARASSMENT, SEXUAL HARASSMENT, DISCRIMINATION AND SEXUAL MISCONDUCT

I. Purpose

The college is committed to maintaining a safe and healthy educational and employment environment that is free from discrimination, harassment and misconduct on the basis of sex, which includes sexual orientation or gender-related identity. The purpose of these Complaint Procedures is to implement the Board Policy on Harassment, Sexual Harassment, Discrimination and Sexual Misconduct (Board Policy 3.170.01), to ensure a safe and healthy educational and employment environment, and to meet legal requirements in accordance with the following: Title IX of the Education Amendments of 1972 (“Title IX”), which prohibits discrimination on the basis of sex in the college’s education programs or activities; relevant sections of the Violence Against Women Reauthorization Act (“VAWA”); Title VII of the Civil Rights Act of 1964 (“Title VII”), which prohibits discrimination on the basis of sex in employment; relevant sections of the Illinois Human Rights Act, which prohibits discrimination on the basis of sex or sexual orientation, including gender-related identity; the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”), which requires timely warning to the community of certain immediate threats; the Preventing Sexual Violence in Higher Education Act; and other applicable law and local ordinances.

The college has an affirmative duty to take immediate and appropriate action once it knows or its management should know of an act of sex-based discrimination, sexual harassment or other sex-based misconduct in any of its educational or employment programs or activities. The college will promptly and thoroughly investigate any complaints of sexual discrimination, harassment and/or misconduct in accordance with the procedures set forth below.

These Complaint Procedures are directly applicable to and are to be administered in accordance with Board Policy 3.170.01, Harassment, Sexual Harassment, Discrimination and Sexual Misconduct, which Policy is incorporated by reference herein, as if set forth in its entirety.
II. Jurisdiction

The Board Policy on Harassment, Sexual Harassment, Discrimination and Sexual Misconduct and these Complaint Procedures apply to students, faculty, staff, appointees, or third parties, regardless of sexual orientation or gender-identity, whenever the misconduct occurs:

A. On college property; or
B. Off college property if:
   1. The conduct was in connection with a college or college-recognized program or activity; or
   2. The conduct may have the effect of creating a hostile environment for a member of the college community.

III. Scope

These Complaint Procedures govern sex-based misconduct in various forms, many of which may trigger legal obligations under one or more state and federal laws. In no case does the inapplicability of a particular legal framework require the college not to address an act of misconduct falling within the scope of these Complaint Procedures.

Sections I-VII and IX-X include provisions relevant to sex-based misconduct in all its forms.

Sections VI.A and VI.B address specific reporting procedures for students and employees, respectively. Section VIII, which describes a grievance process with a required live hearing, applies only to formal Title IX complaints and complaints alleging sexual violence, domestic violence, dating violence or stalking.

Appendix A provides definitions for these Complaint Procedures.

Information concerning student and employee reporting is detailed in the following sections:

**A. Student Reporting**

The college encourages students who have experienced sex-based misconduct to talk with someone about what happened so that they can get the support they need and so that the college can respond appropriately. Different employees on campus have different reporting obligations with regard to alleged sex-based misconduct. Some college employees (referred to as “Responsible Employees”) are required to report all incidents of sex-based misconduct to the Title IX Coordinator, including the identities of the persons involved in the incident. While only designated Responsible Employees are required to report all incidents of sex-based misconduct to the Title IX Coordinator, all members of the college community (including students) are encouraged to report such incidents to the Title IX Coordinator.
The various reporting options available are set forth in further detail below. Regardless of to whom a report is made, the college will provide the person alleged to be the complainant, if identified, with concise information, written in plain language, of the person’s rights and options pursuant to these Complaint Procedures.

**Immunity for Good-Faith Reporting:** Students who in good faith report an alleged violation of the Board Policy on Harassment, Sexual Harassment, Discrimination and Sexual Misconduct will be granted immunity and will not receive a disciplinary sanction for a student conduct violation (such as underage drinking) revealed during the course of reporting. Immunity will not be provided for student conduct violations that the college determines are egregious, including without limitation misconduct which places the health or safety of another person at risk.

1. **Student Reporting to the Title IX Coordinator/Title IX Deputy Coordinators**

Students are encouraged to report alleged incidents of sex-based misconduct to the Title IX Coordinator or Title IX Deputy Coordinators directly. The college’s Title IX Coordinator/Deputy Coordinators are as follows:

   a. Michele Needham, Executive Director of Human Resources  
      (Building A, Room 115, (630) 466-2367,  
      mneedham@waubonsee.edu)

   b. Dr. Melinda Tejada, Vice President of Student Development and Executive Director of the Foundation  
      (Student Center, Room 137, (630) 466-2590,  
      mtejada@waubonsee.edu)

   c. Dr. Scott Peska, Assistant Vice President of Student Services and Alumni Relations  
      (Student Center, Room 241, (630) 466-2363,  
      speska@waubonsee.edu)

   d. Julie Olczyk, Employee Relations Manager  
      (Building A, Room 121, (630) 466-2771,  
      jolczyk@waubonsee.edu)

2. **Student Reporting to Responsible Employees**

   A Responsible Employee, as defined in Appendix A, must report to the Title IX Coordinator all relevant details about an alleged incident of sex-based misconduct shared by a student, including the date, time and specific location of the alleged incident, and the names of all involved individuals. To the extent possible, information shared with a Responsible Employee will be disclosed only to the Title IX Coordinator and/or those individuals responsible for handling the college’s response to the report.
The following categories of employees are the college’s Responsible Employees:

- Title IX Coordinator/Title IX Deputy Coordinators
- College Administrators
- Supervisors and Managerial Staff
- Faculty
- Campus Police
- Coaches
- Advisors of the following Student Clubs/Organizations: [Refer to the Student Handbook “How to Get Involved at Waubonsee” for a listing of clubs/organizations and their respective advisors.]

Before a student reveals any information to Responsible Employee, the employee should ensure that the student understands the employee’s reporting obligations. If the student wants to make a confidential report, the Responsible Employee should direct the student to the confidential resources listed in Section VI.A.3 below.

If the student wants to tell the Responsible Employee what happened but also maintain confidentiality, the employee should tell the student that the college will consider the request, but that the college cannot guarantee it will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the Responsible Employee will also inform the Title IX Coordinator of the student’s request for confidentiality.

3. Confidential Reporting

Students who wish to confidentially report an incident of sex-based misconduct may make a confidential report to:

Mutual Ground of Aurora, Emergency Response Coordinator
(418 Oak Avenue, Aurora, Illinois 60506; (630) 897-0084, extension 162). Emergency and ongoing support for survivors of sexual violence is available through Mutual Ground of Aurora’s Sexual Assault Hotline (630) 897-8383 and/or Domestic Violence Hotline (630) 897-0080.

The individuals in this list are Confidential Advisors, as defined in Appendix A. Professional, licensed counselors who provide mental health counseling to students (including counselors who act in that role under the supervision of a licensed counselor) are not required to report any information about an alleged incident to the Title IX Coordinator without a student’s permission.
Note: While the individuals listed above may maintain a student’s confidentiality vis-à-vis the college, they may have reporting or other obligations under State law. Any college employee who suspects or receives knowledge that a minor student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, is required to: 1) immediately report or cause a report to be made to the Illinois Department of Children and Family Services (DCFS) on its Child Abuse Hotline; and 2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office.

Also Note: If the college determines that a person alleged to be the perpetrator of sexual misconduct poses a serious and immediate threat to the college community, Campus Police may be called upon to issue a timely warning to the college community. Any such warning will not include any information that identifies the person alleged to be the victim.

4. Electronic and/or Anonymous Reporting

The college maintains an online system for electronic reporting. The reporter may choose to provide their identity or may choose to report anonymously. The system will notify the user, before they enter information, that entering personally identifiable information may serve as notice to the college for the purpose of initiating an investigation. Anonymous reports can be filed using the link from www.waubonsee.edu/title-ix. Where a reporter chooses to provide their identity and contact information, the college will respond to the reporter within 12 hours.

5. Knowingly False Reporting

A person who knowingly makes a false report of sex-based misconduct may be subject to disciplinary action, up to and including suspension, expulsion, or termination. A determination regarding responsibility, alone, is not sufficient to conclude that a person knowingly made a false report.

6. Note Regarding Student Participation in Public Awareness Events

Public awareness events such as “Take Back the Night,” the Clothesline Project, candlelight vigils, protests, “survivor speak outs” or other forums in which students disclose incidents are not considered notice to the college of sex-based discrimination, harassment or misconduct for purposes of initiating an obligation to investigate any particular incident(s). Such events may, however, inform the need for campus-wide education and prevention efforts, and the college will provide information about students’ rights at these events.
B. Employee Reporting

1. Alleged Sex-Based Misconduct of a Student

In addition to the reporting requirements for Responsible Employees (see Section VI.A), all college employees who have information regarding sex-based misconduct of a student should report it to the Title IX Coordinator or any Responsible Employee.

2. Alleged Sex-Based Misconduct of an Employee

An employee should notify the Title IX Coordinator, Michele Needham, Executive Director of Human Resources (Building A, Room 115, (630) 466-2367, mneedham@waubonsee.edu) or Julie Olczyk, Employee Relations Manager (Building A, Room 121, (630) 466-2771, jolczyk@waubonsee.edu) if they believe that the college or a member of the college community has engaged in sex discrimination, sexual harassment or other sex-based misconduct in violation of the Board Policy on Harassment, Sexual Harassment, Discrimination and Sexual Misconduct.

3. Knowingly False Reporting

A person who knowingly makes a false report of sex-based misconduct may be subject to disciplinary action, up to and including suspension, expulsion, or termination. A determination regarding responsibility, alone, is not sufficient to conclude that a person knowingly made a false report.

C. Board Member Reporting

Members of the college’s Board of Trustees and other elected officials should promptly report claims of sex-based misconduct against a Board member. Board members and elected officials should report claims of sex-based misconduct against a Board member to the Board Chair or college President. If the report is made to the college President, the President shall promptly notify the Board Chair, or if the Board Chair is the subject of the complaint, the Board Vice Chair. When a complaint of sex-based misconduct is made against a member of the Board of Trustees, the Board Chair shall consult with legal counsel for the college to arrange for an independent review of the allegations. If the allegations concern the Board Chair, or the Board Chair is a witness or otherwise conflicted, the Board Vice Chair shall so consult with legal counsel. If the allegations concern both the Board Chair and the Board Vice Chair, and/or they are witnesses or otherwise conflicted, the Board Secretary shall so consult with legal counsel. The investigator shall prepare a written report and submit it to the Board.
VI. College Response to Reports of Alleged Sex-Based Discrimination, Harassment or Other Misconduct

A. Processing of Report

Upon receipt of a report, the Title IX Coordinator will analyze the report to determine the appropriate method for processing and reviewing it.

For any report alleging sexual harassment, as defined under Title IX, and/or alleging sexual violence, domestic violence, dating violence or stalking pursuant to the Illinois Preventing Sexual Violence in Higher Education Act, the Title IX Coordinator will promptly contact the person alleged to be the victim (hereinafter “complainant”) to:

1. Discuss the availability of supportive measures (see Section VII.B below);
2. Consider the complainant’s wishes with respect to supportive measures;
3. Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and
4. Explain to the complainant the process for filing a formal complaint.

B. Supportive Measures

Supportive measures (also referred to as “interim protective measures”) are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a complainant or respondent, irrespective of whether a formal complaint has been filed.

Examples of supportive measures that the college may offer include, but are not limited to:

- Counseling and mental health support;
- Extensions of deadlines or other course-related adjustments;
- Leaves of absence;
- Changes to academic and/or working schedules or situations;
- Increased security and monitoring of certain areas of campus;
- Issuance and enforcement of mutual campus no contact orders; and
- Enforcement of an order of protection or no contact order entered by a State civil or criminal court.
A report of alleged sex-based misconduct may also prompt the college to consider broader remedial action, such as increased monitoring, supervision or security at locations where the alleged incident occurred; increased education and prevention efforts, including to targeted population groups; the use of climate assessments and/or victimization surveys; and/or revisions to the college’s policies and practices.

The college will maintain as confidential any supportive measures provided to a complainant or respondent, to the extent that maintaining such confidentiality would not impair the college’s ability to provide the supportive measures.

The Title IX Coordinator is responsible for coordinating the college’s implementation of supportive measures.

C. Emergency Removals and/or Administrative Leave

Prior to initiating or completing the Grievance Process in response to a formal complaint, described further in Section VIII below, or in the absence of a formal complaint, the college may remove a respondent from the college’s educational program or activity on an emergency basis.

Where the alleged conduct, if proven, would constitute sexual harassment as defined under Title IX, the college will effectuate an emergency removal only where the college has determined, based on an individualized safety and risk analysis, that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In such cases, the college will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

In addition, the college may place an employee on administrative leave during the pendency of the Grievance Process in response to a formal complaint.

D. Clery Act Reporting Obligations

Pursuant to the Clery Act, 20 U.S.C. § 1092(f), the college will issue timely warnings to the campus community about crimes that have already occurred but may continue to pose a serious or ongoing threat to students and employees. The Clery Act also requires the college to maintain a public crime log and publish an Annual Security Report (“ASR”) available to all current students and employees. The ASR documents three calendar years of select campus crime statistics (including statistics regarding incidents of dating violence, domestic violence, and stalking), security policies and procedures, and information on the basic rights guaranteed to victims of sexual assault.
VII. Grievance Process for Complaints Alleging Title IX Sexual Harassment and/or Alleging Sexual Violence, Domestic Violence, Dating Violence or Stalking

For purposes of this Grievance Process, a formal complaint is a document filed by a complainant or signed by the Title IX Coordinator, alleging (a) sexual harassment in violation of Title IX and/or (b) sexual violence, domestic violence, dating violence or stalking in violation of the *Illinois Preventing Sexual Violence in Higher Education Act*; and requesting that the college investigate the allegation. At the time of filing a formal complaint pursuant to this Grievance Process, the complainant must be participating in or attempting to participate in the college’s educational programs or activities, either as a student or an employee. Should a formal complaint be filed, the Title IX Coordinator will investigate the formal complaint or appoint a qualified person to undertake the investigation on their behalf.

The college as it deems appropriate may extend the time provided in this Grievance Process to comply with a requirement and may postpone the scheduled date for any proceeding, meeting, or hearing, provided that the extended deadline or postponed date would not exceed a time limit required by law. Where a party requests an extension of time or postponement of a scheduled date and the college grants the request, such an extension or postponement will be provided on an equal basis to both parties.

A. Notice of Allegations

Within 10 business days after signing a formal complaint or receiving a formal complaint filed by a complainant, the Title IX Coordinator will provide written notice to the parties who are known of the following:

1. This Grievance Process, including the informal resolution process, where applicable.

2. The allegations potentially constituting sexual harassment under Title IX and/or sexual violence, domestic violence, dating violence or stalking under the *Illinois Preventing Sexual Violence in Higher Education Act*, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview.

3. That the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process.
4. That the parties may have an advisor of their choice, who may be, but is not required to be, an attorney.

5. That the parties may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including evidence upon which the college does not intend to rely in reaching a determination regarding responsibility, and inculpatory or exculpatory evidence, whether obtained from a party or other source.

6. The college's Student Code of Conduct or the Employee Ethics and Code of Conduct provision(s) that prohibit knowingly making false statements or knowingly submitting false information during the grievance process.

If, during the course of an investigation, the college decides to investigate allegations that are not included in the initial written notice of allegations, the Title IX Coordinator will provide subsequent written notice of the additional allegations to all known parties.

**B. Informal Resolution**

At any time after receiving the initial notice of allegations (See Section VIII.A above), and prior to a determination regarding responsibility being reached, the complainant and respondent may request to participate in an informal resolution process. Informal resolution will only occur with both parties' voluntary, written consent. At any time prior to agreeing to a resolution, any party will have the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

The college does not permit informal resolution in cases involving alleged sexual harassment, sexual violence, domestic violence, dating violence or stalking by a college employee toward a student.

**C. Consolidation of Formal Complaints**

The Title IX Coordinator may consolidate formal complaints as to allegations against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual misconduct arise out of the same facts or circumstances.
D. Dismissal of Formal Complaints

If, during the course of an investigation or following an investigation into a formal complaint, the Title IX Coordinator or designated Investigator determines that the conduct alleged in the formal complaint would not constitute sexual harassment as defined in 34 C.F.R. § 106.30 (Title IX) even if proved, did not occur in the college’s educational program or activity, or did not occur against a person in the United States, then the Title IX Coordinator will dismiss the formal complaint with regard to that conduct for purposes of Title IX. In cases where the college determines that Title IX is not applicable, but the college still intends to apply this Grievance Process to resolve the alleged misconduct, the college will inform the parties that Title IX is inapplicable but that such Grievance Process will nevertheless be applied. In addition, dismissal of a formal complaint for purposes of Title IX does not preclude action under other college policies and procedures.

The Title IX Coordinator may dismiss a formal complaint, or any allegations therein, at any time during an investigation if: (1) the complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; (2) the respondent is no longer enrolled or employed by the college; or (3) specific circumstances prevent the college from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon dismissal either of a complaint altogether, or of a complaint for purposes of Title IX, the Title IX Coordinator or Investigator will promptly send written notice of the dismissal and reason(s) for the dismissal simultaneously to the parties. Dismissal of a formal complaint under this Grievance Process does not preclude action under other applicable college policies and procedures.

E. Investigation of Formal Complaint

The Title IX Coordinator will appoint one or more trained investigators to undertake an investigation into a formal complaint. Throughout the investigation, the parties will be afforded an equal opportunity to present witnesses including fact and expert witnesses, and other inculpatory and exculpatory evidence. The Investigator will not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence. Any proceeding, meeting, or hearing held to resolve formal complaints pursuant to this Grievance Process will protect the privacy of the participating parties and witnesses.

Both parties will be afforded an opportunity to be accompanied to any meeting or proceeding by an advisor of their choice, who may be, but is not required to be, an attorney. The advisor’s role is limited to providing support, guidance and/or advice, and to conducting cross-examination.
during the live hearing (see Section VIII.F below). A party's advisor may not speak on behalf of the party during any meeting, interview or hearing and must comply with all behavioral rules and expectations set forth in these Complaint Procedures. If a party’s advisor violates these Complaint Procedures or engages in behavior that harasses, abuses or intimidates a party, witness or individual resolving a complaint, that advisor may be prohibited from further participation.

When a party’s participation is invited or expected at an investigative interview or other meeting, the Investigator will provide that party with written notice of the date, time, location, participants, and purpose of said interview or meeting at least three (3) business days prior to the interview or meeting.

At the conclusion of the investigation and prior to the Investigator’s completion of the investigative report, the Investigator will send to each party (and the party’s advisor, if any) the evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, in electronic format. The parties will have 10 business days to submit a written response to the evidence, which the Investigator will consider prior to completion of the investigative report.

After receiving and reviewing the parties’ written responses, if any, the Investigator will create an investigative report that fairly summarizes the relevant evidence, and will forward a copy of their report to the Title IX Coordinator. Upon receipt of the Investigator’s Report, the Title IX Coordinator will schedule a hearing. At least 10 business days prior to the hearing, the Title IX Coordinator will:

(1) Provide both parties with written notice of the hearing date, time, location, participants (including the name of the appointed Hearing Officer) and purpose of the hearing; and

(2) Send to each party (and the party’s advisor, if any) the investigative report in electronic format for their review and written response.

**F. Hearings**

A hearing will be conducted by a Hearing Officer appointed by the Title IX Coordinator. Both parties will have the opportunity to request a substitution if the participation of the appointed Hearing Officer poses a conflict of interest. A party wishing to request a substitution must contact the Title IX Coordinator within three (3) business days after the party’s receipt of the notice of hearing to make such a request.

At the request of either party, the Hearing Officer will arrange for the live hearing to occur with the parties located in separate rooms, with technology enabling the Hearing Officer and parties to simultaneously see
and hearing the party or witness answering questions. A party wishing to request that the live hearing occur with the parties located in separate rooms must contact the Title IX Coordinator to request such an arrangement at least three (3) business days in advance of the hearing. The college may conduct any live hearing virtually, with the participants in one or more separate geographical locations, and with technology enabling participants simultaneously to see and hear each other.

At the live hearing, each party’s advisor will be permitted to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility of either party. Such cross-examination will be conducted directly, orally, and in real time by the party’s advisor of choice and may never be conducted by a party personally.

If a party does not have an advisor who is available to conduct cross-examination on behalf of that party at the live hearing, then the college will provide the party with an advisor of the college’s choice, free of charge, to conduct cross-examination on behalf of that party. To invoke this right, the party must notify the Title IX Coordinator at least three (3) business days in advance of the hearing that the party does not have an advisor to conduct cross-examination. A party who fails to notify the college that they do not have an advisor within the required three (3) business day timeframe will waive the right to request that an advisor be appointed.

Only relevant questions, as determined by the Hearing Officer, may be asked of a party or witness. Questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant and will not be permitted, except where:

1. The questions and evidence about the complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant; or

2. The questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent.

If a party or witness does not submit to cross-examination at the live hearing, either due to absence from the hearing or due to the party’s or witness’s refusal to answer cross-examination or other questions, the Hearing Officer will not rely on any statement of that party or witness in reaching a determination regarding responsibility; however, the Hearing Officer will not draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.
The college will make all evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint available for the parties’ inspection and review during the hearing. In addition, the college will create an audio or audiovisual recording, or transcript, of the live hearing, which the Title IX Coordinator will make available to the parties for inspection and review upon request.

G. Determination Regarding Responsibility

Within ten (10) business days after the conclusion of the hearing, the Hearing Officer will make a decision regarding responsibility. The Hearing Officer will apply a preponderance of the evidence standard when determining responsibility. Within seven (7) business days of reaching a decision, the Hearing Officer will issue a written determination to both parties simultaneously. The written determination will include:

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 C.F.R. § 106.30 (Title IX) and/or constituting sexual violence, domestic violence, dating violence or stalking pursuant to the Illinois Preventing Sexual Violence in Higher Education Act;

2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

3. Findings of fact supporting the determination;

4. Conclusions regarding the application of the college’s Student Code of Conduct or Employee Ethics and Code of Conduct or other conduct standards to the facts;

5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the college imposes on the respondent, and whether remedies designed to restore or preserve equal access to the college’s education program or activity will be provided by the college to the complainant; and

6. The procedures and permissible bases for the complainant and respondent to appeal.
H. Appeals

Both parties will have the right to appeal any determination regarding responsibility, and any dismissal of a formal complaint or allegations therein, to the Title IX Coordinator or designee, who will appoint an Appeal Officer. An appeal must be based on one or more of the following grounds:

1. A procedural irregularity occurred;
2. New evidence or information exists that could affect the outcome of the matter;
3. The Title IX Coordinator, Investigator or Hearing Officer had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that affected the outcome of the matter; and/or
4. The sanction is disproportionate with the violation.

A party who wishes to appeal a determination regarding responsibility or a dismissal of a formal complaint or allegations therein must submit a written appeal request to the Title IX Coordinator within seven (7) business days of the party’s receipt of the written determination or written dismissal notice. The written appeal request must identify the ground(s) on which the party seeks to appeal the determination or dismissal.

Within seven (7) business days of the Title IX Coordinator’s receipt of an appeal request, the Title IX Coordinator will forward the appeal request to the appointed Appeal Officer and will notify the other party in writing that an appeal has been filed. Before reaching a determination regarding the appeal, the Appeal Officer will afford both parties an equal opportunity to submit a statement in support of, or challenging, the determination or responsibility or dismissal that is the subject of the appeal. Within seven (7) business days after the Appeal Officer or designee has concluded their review of the appeal, the Appeal Officer or designee will issue a written decision simultaneously to both parties, describing the outcome of the appeal and the rationale for the outcome. The Appeal Officer’s decision is final.

If you need a disability-related accommodation through any part of this process, please contact the Title IX Coordinator, Michele Needham at mneedham@waubonsee.edu or call (630) 466-2367.
IX. Prevention and Education for Students

The college will review on an ongoing basis, its sexual discrimination, harassment and misconduct prevention and educational programming to ensure students and employees are provided substantive opportunities to learn about sexual discrimination, harassment and misconduct, including primary prevention, bystander intervention, risk reduction, consent, reporting methods, relevant college policies and procedures, retaliation, survivor-centered and trauma-informed response, relevant definitions, and other pertinent topics.

The college, in conjunction with its Sexual Violence and Prevention task force established pursuant to the Campus Security Enhancement Act of 2008 (110 ILCS 12/10), will annually review its prevention and education offerings to identify ways in which to enhance its effectiveness.

X. Training

The Title IX Coordinator(s), campus law enforcement, campus security, and anyone else involved in the receipt of reports of, responding to, investigating or adjudicating alleged incidents of sexual discrimination, harassment or other misconduct, or involved in the referral or provision of services to survivors receive annual education and training on primary prevention, bystander intervention, risk reduction, consent, reporting obligations, investigation procedures, confidentiality requirements, relevant college policies and procedures, retaliation, survivor-centered and trauma-informed response, relevant definitions, and other pertinent topics.

In addition to the above training, individuals who investigate or resolve complaints, including through informal resolutions, receive at least 8-10 hours of annual training on issues related to the Illinois Preventing Sexual Violence in Higher Education Act offenses including sexual violence, domestic violence, dating violence, and stalking; the scope of the college’s educational program or activity; the Title IX and college definitions of sexual harassment; how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias; and how to conduct the college’s Grievance Process outlined in Section VIII, above. Decision-makers in particular receive training on any technology to be used at live hearings and on issues of relevance of questions and evidence, including when questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant. Investigators in particular receive training on issues of relevance so as to enable them to create an investigative report that fairly summarizes relevant evidence.
All Confidential Advisors receive 40 hours of training on sexual violence before being designated a Confidential Advisor. Annually thereafter, Confidential Advisors attend a minimum of six (6) hours of ongoing educational training on issues related to sexual violence. Confidential Advisors also receive periodic training on the college administrative process, interim protective measures and accommodations, and the college’s Grievance Process pursuant to Section VIII above.

All college employees are required to annually complete online sexual harassment training, which encompasses the purposes set forth in Board Policy 3.170.01 and these related Complaint Procedures, in accordance with applicable Federal and State of Illinois laws.

The college, in conjunction with its Sexual Violence and Prevention task force established pursuant to the Campus Security Enhancement Act of 2008 (110 ILCS 12/10), will annually review its training offerings to identify ways in which to enhance its effectiveness.

Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.

**XI. Prohibition of Retaliation**

In compliance with Board Policy 3.170.01 and these related Complaint Procedures, as well as Federal and State laws, retaliation is prohibited against any individual who, in good faith, reports, files a complaint, testifies in support of a complaint or participates in any way to oppose suspected or alleged unlawful sex-based discrimination, harassment or misconduct that is related to the college in any way. Any individual making a good-faith claim or report of alleged unlawful sex-based discrimination, harassment or misconduct is protected from retaliation under Board Policy 3.170.01 and these related Complaint Procedures; the Illinois Whistleblower’s Act, 740 ILCS 174/1 et seq.; and the Illinois Human Rights Act, 775 ILCS 5/6-101. To reinforce this prohibition, the college has an additional Board Policy, Whistleblower and Fraud Reporting Protection, Policy 6.200.05, that provides protection from reprisal to individuals who make a good faith disclosure of suspected wrongful conduct.
XII. Compliance with Legal Mandates Requiring Procedural Modifications

These procedures will be updated by the Title IX Coordinator or designee at any time in accordance with Federal and State of Illinois law. The Title IX Coordinator or designee may make minor modifications to procedure that do not materially jeopardize the fairness owed to any party. However, the Title IX Coordinator or designee may also vary procedures with notice (on the institutional website with appropriate date of effect identified) upon determining that changes to law or regulation require alterations not reflected in the current procedure. Procedures in effect at the time of its implementation will apply. Board Policy in effect at the time of the offense will apply even if the Board Policy is changed subsequently, unless the parties consent to be bound by the current Policy. Any revisions will be noted in the online version of the Board Policy and procedures will include the date of revision and will highlight the specific revisions for three months following the date of the revision.

APPENDIX A

B. Complainant: An individual who is alleged to be the complainant of conduct that could constitute sex-based misconduct.

C. Confidential Advisor: A person who is employed or contracted by the college to provide emergency and ongoing support to student survivors of sexual violence. Confidential Advisors may include persons employed by a community-based sexual assault crisis center with whom the college partners. Individuals designated as “Responsible Employees” in Section VI of these Complaint Procedures are not Confidential Advisors.
D. Consent: Knowing and voluntary agreement to engage in sexual activity. Coercion, force, or the threat of either invalidates consent. Consent may not be inferred from silence, passivity, or a lack of verbal or physical resistance. A person's manner of dress does not constitute consent. Past consent to sexual activities does not imply ongoing or future consent. Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another person. Consent may be withdrawn at any time. A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including without limitation the following: 1) the person is incapacitated due to the use or influence of alcohol or drugs; 2) the person is asleep or unconscious; 3) the person is under age; or 4) the person is incapacitated due to a mental disability.

E. Dating Violence: Violence committed by a person: 1) who is or has been in a social relationship of a romantic or intimate nature with the victim; and 2) where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

F. Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Illinois, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the State of Illinois.

G. I. **Hostile Environment Caused by Sexual Harassment:** A sexually harassing hostile environment is created when conduct by an individual is so severe, pervasive and persistent that it denies or limits an individual’s ability to participate in or receive the benefits, services or opportunities of the college’s educational programs or activities or the individual’s employment access, benefits or opportunities. In determining whether a hostile environment has been created, the conduct in question will be considered from both a subjective and an objective perspective of a reasonable person in the alleged victim’s position, considering all the circumstances.

J. **Incapacitation:** When a person is incapable of giving consent due to the person’s age, use of drugs or alcohol, or because an intellectual or other disability which prevents the person from having the capacity to give consent.

K. **Intimidation:** To intentionally make another individual timid or fearful, to compel or deter by or as if by threats. Intimidation is a form of retaliation prohibited by the Board Policy on Discrimination, Harassment and Sexual Misconduct and these Complaint Procedures.

N. **Responsible Employee:** A college employee who has the authority to redress sex-based misconduct, who has the duty to report incidents of such misconduct or other student misconduct, or whom a student could reasonably believe has this authority or duty. Section VI of these Complaint Procedures lists categories of employees who are Responsible Employees for the college.
O. Retaliation: Any form of retaliation, including intimidation, threats, harassment and other adverse action taken or threatened against any complainant or person reporting or filing a complaint alleging sexual discrimination, harassment or misconduct or any person cooperating in the investigation of such allegations (including testifying, assisting or participating in any manner in an investigation) is strictly prohibited and may violate the protections of the State Employees and Officials Ethics Act, the Whistleblower Act, and the Illinois Human Rights Act. Action is generally deemed adverse if it would deter a reasonable person in the same circumstances from opposing practices prohibited by the Board Policy on Discrimination, Harassment and Sexual Misconduct and these Complaint Procedures. Retaliation may result in disciplinary or other action independent of the sanctions or supportive measures imposed in response to the allegations of sexual discrimination, harassment or misconduct.

P. Sexual Assault: Any type of sexual contact or behavior that occurs by force or coercion, without consent of the recipient of the unwanted sexual activity, or in a familial relationship of a degree that would prohibit marriage. It includes sexual acts against a person who is unable to consent either due to age or lack of capacity or impairment. Examples include forcible sexual intercourse, forcible sodomy, forcible fondling, child molestation, incest, attempted rape, statutory rape and rape. Sexual assault can occur between members of the same or opposite sex. Sexual assault includes any forced act against one’s will where sex is the weapon.

S. Sexual Harassment: Unwelcome sexual advances, requests for sexual acts or favors, and other verbal, non-verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made explicitly or implicitly a term or condition of an individual’s employment, academic advancement, evaluation, or grades;
- Submission to or rejection of such conduct by an individual is used as a basis for employment, academic advancement, evaluation, or grading decisions affecting that individual;
- Such conduct has the purpose or effect of substantially interfering with an individual’s employment or educational performance or creating an intimidating, hostile, or offensive employment or educational environment; or
- Such conduct denies or limits an individual’s ability to participate in or receive the benefits, services or opportunities of the college’s educational programs or activities or the individual’s employment access, benefits or opportunities.

Examples of conduct of a sexual nature may include:

Compliance with Legal Mandates Requiring Procedural Modifications

a. Revision

These procedures will be updated by the Title IX Coordinator or designee at any time in accordance with federal and state of Illinois law. The Title IX Coordinator or designee may make minor modifications to procedure that do not materially jeopardize the fairness owed to any party. However, the Title IX Coordinator or designee may also vary procedures with notice (on the institutional website with appropriate date of effect identified) upon determining that changes to law or regulation require alterations not reflected in the current procedure. Procedures in effect at the time of its implementation will apply. Policy in effect at the time of the offense will apply even if the Policy is changed subsequently, unless the parties consent to be bound by the current Policy. Any revisions will be noted in the online version of the Policy and procedures will include the date of revision and will highlight the specific revisions for three months following the date of the revision.

NETWORK USER RULES

The following Information Technology Acceptable Usage Agreement relates to the utilization of all forms of technology to further the mission of the College: to provide a quality, accessible, educational experience for a broad array of students and community members.

Information Technology is considered an institutional resource. As such, efficient and effective utilization of various forms of technology taking into account the institution’s needs balanced with the interests of individual students and community members, faculty and staff is an institutional priority.

Acceptable Usage Agreement

As part of its educational mission, Waubonsee Community College (College or Waubonsee) acquires, develops, and maintains computers, computer systems and networks. These computing resources are intended for college-related purposes, including direct and indirect support of the College’s instruction, research and service missions; college administrative functions; student and campus life activities; and the free exchange of ideas within the college community and among the College community and the wider local, national and world communities.

This Agreement applies to all users of College computing resources, whether affiliated with the college or not, and to all uses of those resources, whether on campus or from remote locations. Additional procedures may govern specific computers, computer systems or networks provided or operated by specific departments of the college. Consult the managers of the specific computer, computer system, or network that you are interested in for further information. This Agreement may be modified as deemed appropriate by the College. Users are encouraged to periodically review the agreement as posted on the College’s website home page.

Rights and Responsibilities

The rights of academic freedom and freedom of expression apply to the use of college computing resources. So too, however, do the responsibilities and limitations associated with those rights. The College supports a campus and computing environment open to the free expression of ideas, including unpopular points of view. However, the use of college computing resources, like the use of other College-provided resources and activities, is subject to the requirements of legal and ethical behavior. Thus, legitimate use of a computer, computer system or network does not extend to whatever is technically possible.
General Rules

Users of College computing resources must comply with federal and state laws, college rules and policies, and the terms of applicable contracts including software licenses while using college computing resources. Examples of applicable laws, rules and policies include the laws of libel, privacy, copyright, trademark, obscenity and child pornography; the Illinois Computer Crime Prevention Law, the Electronic Communications Privacy Act and the Computer Fraud and Abuse Act, which prohibit "hacking," "cracking" and similar activities; the college’s Student Code of Conduct; the College's Discrimination and Harassment Policy.

Users who engage in electronic communications with persons in other states or countries or on other systems or networks may also be subject to the laws of those jurisdictions and the rules and policies of those other systems and networks. Users with questions as to how the various laws, rules and resolutions may apply to a particular use of College computing resources should contact the Office of the Chief Information Officer for more information.

Users are responsible for ascertaining what authorizations are necessary and for obtaining them before using college computing resources. Users are responsible for any activity originating from their accounts which they can reasonably be expected to control. Accounts and passwords may not, under any circumstances, be used by persons other than those to whom they have been assigned by the account administrator. In cases when unauthorized use of accounts or resources is detected or suspected, the account owner should change the password and report the incident to the Technical Assistance Center (TAC) at tac@waubonsee.edu or (630) 466-4357.

User may not copy, store, or transmit unencrypted confidential and sensitive data on smart phones, floppy disks, CD/DVDs, PDAs, USB flash drives, non-College-owned/-leased computing devices, or other portable storage or computing devices.

Although there is no set bandwidth, disk space, CPU time or other limit applicable to all uses of College computing resources, the College may require users of those resources to limit or refrain from specific uses if, in the opinion of the system administrator, such use interferes with the efficient operations of the system.

Users may not state or imply that they speak on behalf of the College or use College trademarks and logos without authorization to do so. Authorization to use College trademarks and logos on College computing resources may be granted only by the Office of the Executive Director of Marketing and Communications. The use of appropriate disclaimers is encouraged.
**Enforcement**

Users who violate this Agreement may be denied access to College computing resources and may be subject to other penalties and disciplinary action, including possible expulsion or dismissal. Alleged violations will be handled through the College disciplinary procedures applicable to the user. The College may suspend, block or restrict access to an account, independent of such procedures, when it reasonably appears necessary to do so in order to protect the integrity, security, or functionality of College or other computing resources or to protect the College from liability. The College may also refer suspected violations of applicable law to appropriate law enforcement agencies.

**Security and Privacy**

The College employs various measures to protect the security of its computing resources and its user’s accounts. Users should be aware, however, that the College cannot guarantee security and confidentiality. Users should therefore engage in “safe computing” practices by establishing appropriate access restrictions for their accounts, guarding their passwords and changing them regularly.

Users should also be aware that their uses of College computing resources are not completely private. While the college does not routinely monitor individual usage of its computing resources, the normal operation and maintenance of the College’s computing resources require the backup and caching of data and communications, the logging of activity, the monitoring of general usage patterns and other such activities that are necessary for the provision of service. The College may also specifically monitor the activity and accounts of individual users of College computing resources, including individual login sessions and the content of individual communications, without notice, when:

- The user has voluntarily made them accessible to the public, as by posting to Usenet or a Web page;
- It reasonably appears necessary to do so to protect the integrity, security, or functionality of college or other computing resources or to protect the College from liability;
- There is reasonable cause to believe that the user has violated or is violating this policy;

An account appears to be engaged in unusual or unusually excessive activity; or it is otherwise required or permitted by law.

Any such monitoring of communications, other than what is made accessible by the user, required by law, or necessary to respond to
perceived emergency situations, must be authorized in advance by the Executive Director of Human Resources, or Chief Information Officer consultation with the College General Counsel. The college, in its discretion, may disclose the results of any such general or individual monitoring, including the contents and records of individual communications, to appropriate college personnel or law enforcement agencies and may use those results in appropriate college disciplinary proceedings and/or criminal charges. Communications made by means of college computing resources are also generally subject to the Illinois Freedom of Information Act to the same extent as they would be if made on paper.

Visitors to Waubonsee websites who are not currently Waubonsee students, faculty or staff should refer to the college’s Internet Privacy Policy for privacy information.

**Email**

For purposes of this document, email includes point-to-point messages, postings to newsgroups and listservs and any electronic messaging involving computers and computer networks. Organizational email accounts, including those used by student organizations, are held to the same standards as those for individual use by members of the Waubonsee community. Email is also generally subject to the Illinois Freedom of Information Act to the same extent as it would be on paper.

mymail, powered by Google, is the official email account for students.

**Examples of Inappropriate Uses of Email:** While not an exhaustive list, the following uses of email by individuals or departments are considered inappropriate and unacceptable at the Waubonsee Community College. In general, email shall not be used for the initiation or re-transmission of:

- Chain mail that misuses or disrupts resources — Email sent repeatedly from user to user, with requests to send to others;
- Harassing or hate-mail — Any threatening or abusive email sent to individuals or organizations that violates college rules and regulations or the Code of Student Conduct;
- Virus hoaxes;
- Spamming or email bombing attacks — Intentional email transmissions that disrupt normal email service;
- Junk mail — Unsolicited email that is not related to college business and is sent without a reasonable expectation that the recipient would welcome receiving it; and
- False identification — Any actions that defraud another or misrepresent or fail to accurately identify the sender.
Web Pages

Official College pages represent the College and are intended for the official business functions of the College. Each official page, including faculty Web pages, must be built using the College’s content management system and registered with the College’s Marketing and Communications Department.

Personal Web space for employee pages represents the individual in their primary role as a Waubonsee employee. Incidental personal information on employee pages is deemed acceptable so long as it does not interfere with the function or desired presentation of the department, cause disruption of normal service, incur significant cost to the college or result in excessive use of resources. Faculty and staff who wish to publish substantial personal information not related to their College functions should use an Internet service provider rather than using college Web resources.

Commercial Pages

Using Waubonsee Web pages for personal gain is forbidden. Any private commercial use of Waubonsee Web pages must be pre-approved pursuant to existing College policies and procedures regarding outside employment activities. All Waubonsee departments that accept payments electronically via the Internet are required to process all sales transactions through the Finance Office approved Web payment gateway.

Waubonsee accepts no responsibility for the content of pages or graphics that are linked from Waubonsee pages. However, Web page authors should consider that such links, even when clearly labeled, can be misinterpreted as being associated with the College. Links to pages where you have a personal monetary interest are likely to violate policies regarding advertising and commercial use and must be avoided.

Excessive or Disruptive Use

Excessive or disruptive use of College resources in the viewing or publishing of Web pages is not permitted. Departments owning or administering the resources involved will determine whether specific usage is considered normal, excessive or disruptive.

Retention Periods

Retention periods must be followed for all official College Web pages as required by the Illinois State Records act. Official college Web pages are treated like email and subject to the same guidelines set forth in the Waubonsee email as Public Records Procedure.
Network Infrastructure/Routing

Users must not attempt to implement their own network infrastructure. This includes, but is not limited to basic network devices such as hubs, switches, routers, network firewalls, and wireless access points. Users must not offer alternate methods of access to Waubonsee IT resources such as modems and virtual private networks (VPNs). Users must not offer network infrastructure services such as DHCP and DNS. Exceptions to this requirement must be coordinated with Office of the Chief Information Officer.

Wireless

For the purposes of this document, we refer only to wireless transmission using radio frequency (RF). Wireless is shared media and easily intercepted by a third party. Wireless users are encouraged to use some type of encryption such as WPA2, EAP-TLS, etc.

Improperly configured wireless access points (WAPs) might cause denial of service to legitimate wireless users. WAPs can also be used to subvert security. Wireless access points must be authorized by Office of the Chief Information Officer.

Virtual Private Network (VPN)

A VPN provides secure encrypted access between a client and the VPN server. They are most commonly used for secure access to a trusted network from remote, untrusted networks.

VPN servers must be authorized by Office of the Chief Information Officer.
TRAFFIC REGULATIONS

The Waubonsee Vehicle Code is available for inspection at Campus Police. All “Rules of the Road” are adhered to on campus and apply to all persons operating a motor vehicle or riding a bicycle.

The following are samples of the offenses reported and prosecuted under the Illinois Vehicle Code.

- Driving while under the influence of intoxicating liquor or drugs.
- Transportation of alcoholic beverages. (Note that college regulations also forbid liquor on campus.)
- Reckless driving.
- Drag racing.

The following actions are prohibited. Violators are issued a citation for either a Parking or Moving violation and ordered to pay the corresponding fine.

- Speeding  
  — in excess of 25 miles per hour on access roads  
  — in excess of 15 miles per hour in parking areas  
  — in excess of safe speed for weather/road conditions

- Passing

- Disobeying a stop sign

- Failing to yield right-of-way to emergency vehicles

- Driving upon sidewalk, grass or cross country path without authorization

- Operating any off-road vehicle on campus (for example, snowmobile, dirt bike)

- Failing to yield right-of-way

- Failing to obey directives of a campus police officer or police cadet

- The use of bicycles, skateboards, scooters, roller blades/skates, and hoverboards on sidewalks and within all buildings on campus, unless approved in advance as part of a scheduled program, demonstration, or special event.
Campus Citations and Fines
Campus Police issue citations for violations of the college traffic regulations listed in the previous section and for certain other college regulations. Campus Police officers may also issue state traffic citations for serious violations of the Illinois Vehicle Code and make arrests for criminal offenses.

Written appeals to contest a college citation must be made within 14 days of the date of the citation on a form available at the Campus Police office in Dickson Center, Room 165. If the violator does not appeal the citation within this time frame the right to appeal the citation is waived. State citations are handled in the appropriate traffic court and are not subject to appeal through the College. Students may submit a written appeal to contest a college citation to the Vice President of Student Development and Executive Director of the Foundation in the Student Center, Room 134.

If a college citation is not paid within 28 days from the date of the citation a late fee will be assessed as indicated below.

Parking Citations:
- Handicapped Parking Violation: $250 (Late fee $10)
- Fire lane Violation: $50 (Late fee $10)
- Other Parking Violation: $20 (Late fee $10)
- Traffic Violation: $50 (Late fee $25)
- Smoking Violation: $50 (Late fee $25)

For payment options, see page 124.

HOW TO GET INTOUCH

Office Hours

See “Hours of Operation” in the front of this handbook for specific departmental hours. During the first week of classes, faculty members provide students with their office hours or other ways to contact them during non-classroom hours. Students may also call the office of the instructor’s Dean.
Voice Mail

Students can reach full-time faculty members from any touch-tone phone by dialing the main campus number, (630) 466-7900, followed by the office extension of the faculty member. If the phone is not answered, a message can be left. Voice mail is available 24 hours a day, seven days a week.

Adjunct faculty have voice mail only. To leave them a message from a campus phone, dial 2601 to access the voice mail system. When you hear the auto-attendant answer, dial the four-digit extension you are trying to reach. If, after dialing 2601, you are asked for your security code, press *, wait for the auto-attendant to answer, and then dial the four-digit extension. From off-campus, dial the main switchboard number, (630) 466-7900. When the auto-attendant answers, enter the four-digit mailbox number of the faculty member you are trying to reach. If you do not know the four-digit number, dial 0 for the college information center to connect you or follow the prompts.

Email

All Waubonsee students have their own individual email account, accessible through the mywcc portal (see “ABCs of Waubonsee” section for more information). Using this or any other personal email account, students may email many Waubonsee departments and staff and faculty members. For a directory of email addresses, visit www.waubonsee.edu. Here you can look up an instructor or staff member and instantly connect with them via email, or simply find their address and phone number for future reference.
